This affidavit shall remain in effect until revoked in writing by the undersigned producer and is delivered to Tyson Fresh Meats, Inc. Failure to have a signed affidavit on-record is cause for the "company" to refuse to slaughter cattle under your direction or ownership. The owner/agent should keep the yellow copy of this affidavit for your records.

Note: FDA CFR 589.2000 requires ruminant feeders to keep records for all feed they receive that contains animal protein products, whether or not the animal protein is prohibited material. Such records would include purchase invoices and labeling for all feeds containing animal protein products received. Copies of these records are to be made available to FDA upon request. The complete FDA rule can be accessed on the web site => *(www.access.gpo.gov/nara/cfr/waisidx_00/21cfr589_00.html).*

All cattle producers are urged to secure similar assurances from their suppliers.
