CLAIMS FOR INJURY
*The Norton County Fair Association refuses to assume any liability for injury to the person of any of the exhibitors or their officers and employees, or to any patrons or other persons coming upon the grounds of the Norton County Fair Association and no claim for injury to any person or property shall ever be asserted or suit instituted or maintained against the Norton County Fair Association, its officers, agents, representatives or employees having license or person having license or privilege to exhibit on the Fair Grounds or occupying any space thereon, and it is a part of the consideration for such license or privilege that such claims for damage are specifically waived.
*If any damage, loss or injury to person or property shall be caused by reason of negligence or willful act of any person, firm or corporation, or their agents, representatives or employees having license or privilege to exhibit on said Fair Grounds or occupying space thereon, the Norton County Fair Association shall in no manner be responsible therefore, and in case it be subjected to any expense or liability all persons causing same or liable therefore shall indemnify the said Norton County Fair Association at Norton, Kansas.

**ATTENTION:** The Norton County Fairboard will not be responsible for diseases that may be contracted while animals are stalled at the fair and then return back to their residence. Animals will be taken home at your own risk!

GENERAL GUIDELINES

ALL ENTRIES
Entry for ALL fair exhibits will be completed through FairEntry, an online service located at http://nortoncountyfair.fairentry.com. 4-Hers will log in using their 4HOnline accounts. Open Class and FFA exhibitors will create an account in the FairEntry system using an email address and password to enter their exhibits. Your entry cards will then be available from the department Superintendents when you bring in your exhibits. Any questions or exhibitors who don’t have access to a computer may contact the Twin Creeks District Extension Office for assistance. **ALL Entries Are Due Through FAIRENTRY By July 15th.**

*Livestock pens will be assigned by the superintendent as you arrive with your exhibit.
*Cooperation of exhibitors will aid greatly in speeding up assignment of stalls and prompt handling of livestock when they arrive.
*All animals must be in good health and be able to be handled safely.
*The Fairboard and Department Superintendents reserve the right to remove from the show, any animal that they deem a threat to the health and safety of other animals and participants.
*All livestock are subject to examination by veterinarian on call and shall be free of clinical signs of infections or contagious diseases to be permitted on fairground facilities.
*Animals will be cleaned of excess soil and debris before check in.
*Veterinarian will be on hand to inspect animals at check in. No animals stalled on grounds until examined by health official and weighed in the case of the market class animals. No health certificates allowed.
*Due to concerns with animal disease, the Kansas Division of Animal Health & K-State Veterinarians are being more diligent in monitoring animal health. We ask exhibitors to be watchful of their animals, practicing strict biosecurity measures. The Kansas Department of Animal Health has not changed any health restrictions or guidelines for exhibition animals but they will monitor continually during the “Show/Fair” season and may develop emergency measures if needed based upon any epidemics.
*All animals will be weighed and checked in by noon on Tuesday, July 27th. Market animals will be assessed a fee of $3 per tag. All other animals such as horses, bucket calves, heifers, dairy goats and open class animals that are not tagged market animals will be assessed $2 per head at entry check in.
*Horse, Swine and Sheep must use wood chips for bedding. Hog stalls are to be cleaned daily with fresh bedding added. Other animal's bedding at the discretion of Superintendent.

In the event of extreme weather conditions, the Livestock Department Superintendents may elect to allow early release for animals.

4-H & FFA General Guidelines
1. ENTRIES: Both 4-H Club Members and FFA Members of Norton County 4-H Clubs and FFA Chapters are eligible to exhibit. Agricultural classes will be combined into 4-H and FFA exhibits. Grand champion market animals will be selected from 4-H and FFA exhibits. Fitting and showing classes will include both 4-H and FFA exhibitors. Each 4-H and FFA member is encouraged to exhibit one project at County Fair. Members must be enrolled in the project to be eligible to exhibit. Exhibit must be current year’s work.
2. Exhibitor age is determined as of January 1, 2022 Junior Division, 13 years and under; Senior Division, 14 years and older. Exceptions – Livestock Showmanship and Poultry and Rabbit classes, along with Dog and Cat show ages – Junior Division, 7 to 10 years; Intermediate, 11 to 14 years; and Senior, 15 and older. The Round Robin will require the participation of the champion of the Senior and Intermediate age groups from beef, sheep, swine, goats and horse. Age categories may be different. Please check in each department for guidelines.
3. An orientation will be held at 2:45 p.m. on Thursday; with the Round Robin Showmanship to begin at 3:30 p.m. Youth who enter the showmanship class in any of the above species will do so with the intent to enter the Round Robin and the Orientation clinic should they be selected as Champion.

4. OWNERSHIP – Animals must be owned by March 1 for Market Beef. All other market and breeding animals must be owned by May 1. Bucket calves must be owned by May 31.

5. PRE-ENTRY – Entry for ALL exhibits will be completed through FairEntry, an online service located at http://nortoncountyfair.fairentry.com by July 15th. All exhibits must be in place by noon on Tuesday, except as noted.

6. DEPARTMENTS – assume no responsibility for lost articles.

7. CHECK OUT – 4-H Building Exhibits must remain in place until 8:00 a.m. on Friday, except as noted.

8. Animal exhibits will be released after the 4-H and FFA Livestock Sale Thursday evening. Exhibits in poultry building will be released at 8:00 p.m. on Thursday.

9. KANSAS STATE FAIR – Make entries during the fair at the 4-H Building or at the Extension Office before August 1. Check Premium List, Kansas State Fair, for classes and age requirements to exhibit. Some county fair exhibits are not eligible for State Fair. Purple ribbon exhibits may exhibit at State Fair if they meet all class pre-entry requirements.

10. HEALTH & SAFETY: All animals must be in good health and be able to be handled safely. The Fairboard and Department Superintendents reserve the right to remove from the show any animal that they deem a threat to the health and safety of other animals and participants. All animals and livestock that are housed and shown shall receive care that is consistent with good husbandry practices. Superintendent shall monitor any discrepancies. *ATTENTION: The Norton County Fairboard will not be responsible for diseases that may be contracted while animals are stalled in the fair and then return back to their residence. Animals will be taken home at your own risk!

11. All Horse, Sheep, and Swine exhibits are required to use woodchips for bedding. Beef and Goat exhibits need to consult their superintendents on proper bedding material.

12. Livestock Check in. All livestock are subject to examination by veterinarian on call and shall be free of clinical signs of infections or contagious diseases to be permitted on fairground facilities. Animals will be cleaned of excess soil and debris before check in.

Veterinarian will be on hand to inspect animals at check in. No animals stalled on grounds until examined by health official and weighed in the case of the market class animals. No health certificates allowed. All animals will be weighed and checked in by noon on July 27th. Market animals will be assessed a fee of $3 per tag. All other animals such as horses, bucket calves, heifers, dairy goats and open class animals that are not tagged market animals will be assessed $2 per head at entry check in.

13. There will be no night tie-outs. A superintendent will be designated to supervise at all times.

14. Exhibiting members absent from fair for a prior approved reason may arrange to exhibit by contacting leaders, superintendents or advisor.

15. LIVESTOCK – ALL GROOMING OF LIVESTOCK MUST BE DONE BY EACH INDIVIDUAL OWNER IN THE SENIOR DIVISION (15 years and older) OR THE EXHIBITOR SHALL BE SUSPENDED FROM SHOWING. Individuals in the Junior (7 to 10 years old) and Intermediate (11 to 14 years old) divisions are encouraged to do their own work with limited assistance being allowed. (Poultry and Rabbit included).

Adult guidance and supervisional instruction are encouraged but all work must be that of 4-H or FFA member. Youth members should be recognized for their own work with cooperation and support from leader, parents to attain these goals. Violations may cause disqualification. Exhibitors must accompany their livestock or provide suitable means for caring for them during the fair. Department Superintendents and County Project Coordinators shall monitor and confer on these guidelines. Exhibitor will fit and show his or her own livestock except in the case of illness or prior approved reason. If more than one entry per class, another 4-H or FFA member from Norton County may exhibit the animal. Exceptions are to be approved by superintendents and community club leaders or advisors. Youth who enter the showmanship will do so with the intent to enter the Round Robin should they be selected as Champion.

16. Animals should be kept on exhibit for the prescribed fair schedule. Any exceptions for early release must be approved by Superintendent and Fairboard President. Unexcused early absence will cause loss of premium.

17. LIVESTOCK AUCTION – 4-H and FFA members may sell one market animal in the auction on Thursday at 6:00 p.m. Exhibitor must notify superintendent to sell animal before leaving show ring. Livestock Auction – 4-H & FFA Youth Livestock Sales will not place a monetary limit regardless of ribbon or sale order.

Light Weight, Red Ribbon animals will be allowed to sell but the resale floor price and disposition of the light weight animals will be the responsibility of the youth. Fairboard and Superintendents are not responsible for the resale floor price to support these light weight, red ribbon animals. *(From Kansas 4-H Laws and Policies Administrative Handbook) “Sale of livestock through public auction. . . A 4-H animal sold at a public auction or privately, whether for immediate or future delivery, cannot from the time of such sale, be shown by the seller in any 4-H show. This policy also applies to those animals which have gone through a “premium” auction, whether or not ownership has changed.”

18. SHIPPING ANIMALS – Auction and extra market animals may be shipped to packer together. Notify superintendent of extra animals to be shipped at show time.

19. FOOD AUCTION – a 4-Her may sell one item with proceeds going to the 4-Her. If a 4-Her bakes other items they will be donated to Norton County 4-H Council. A 4-H member that has a foods item and a marketable animal may only sell one or the other in the auction. The 4-H member must be present to sell the food item in the foods auction.

20. PRIZE MONEY – All exhibits will be placed in blue, red and white ribbon groups. Purple ribbons may be awarded for outstanding exhibits as determined by the judges. Total premium money provided by the Norton County Fair Association is $2,000. Premium money for each department and class will be determined by the point system listed in each department.

AWARD – Herdsmanship awards in livestock departments to the exhibitors of the club or chapter maintaining the best display. Individual medals will be presented at the 4-H Achievement Banquet by Darren and Galen Wentz of Wentz Enterprises, LLC and by Deb and Dan Field in memory of Julius and Alice Field.

A committee will use the following score card to select the best club display. The stall areas will be inspected several times during the fair. Final scores will be announced at the 4-H Achievement Night in November.

All beef check in and market beef weighed 9:30 a.m. - 10:30 a.m.
No early stalls until health and entry check are complete.
Beef exhibits need to consult their superintendents on proper bedding material. Market Beef will be divided into two divisions:
Market beef will be divided and shown by weight.
1. Market Beef, 900 pounds and over, may show for breed champion and sell in the livestock auction.
2. Market Beef, 899 pounds and under, may show for red ribbon only. Light weight, red ribbon animals will be allowed to sell but the resale floor price and disposition of the light weight animals will be the responsibility of the youth. Fairboard and Superintendents are not responsible for the resale floor price to support these light weight red ribbon animals.
3. Market beef from Bucket Calf of previous year’s fair (Optional Class steer or heifer).
4. Breeding Beef Heifer from Bucket Calf of previous year’s fair (Optional Class).
NOTE: Classes 3 and 4 will be eligible for Champion and Reserve of that class but not eligible for Grand Champion Beef or Best of Show Heifer. They may enter the regular Beef Showmanship class.
5. Breeding Heifer (maximum age 18 months July 1)
6. Breeding Heifer (age 18 to 30 months July 1)
7. Aged Cows
8. Cow and Calf (Calf shown with Cow)
   Bucket Calf designed for younger 4-H members who will manage and care for an orphaned or weaned calf, male or female, dairy or beef type, fed by bottle and or bucket. Nurse cow or goat use is prohibited. Calves should be born between January 1 and through May 31 of current year. Selection of calf within 2 weeks of birth.
9. Junior Bucket Calf, 7 to 10 years old
10. Intermediate Bucket Calf, 11 to 14 years old
Judging based upon:
a. Consultation of project with judge.
b. General appearance, care given, cleanliness given to the calf.
c. Ability that youth can lead and control calf. The importance of this project is designed to help youngsters learn a very basic skill in preparation for other classes.

* PRE ENTRY—Entry for ALL exhibits will be completed through FairEntry, an online service, located at http://nortoncountyfair.fairentry.com by July 15th.
A. Heritage Fiber Arts entered and consult judged by 10:00 a.m. to 12:00 p.m. on Tuesday.
B. Identification Label:
   (1) Type or print on 3 x 2 1/2” piece of cloth: class number, county or district and exhibitor’s name;
   (2) Sew or safety-pin this ID label on the corner of the article;
   (3) For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garment, or lower left corner of flat articles.
C. Fiber Arts is any method of creating an article designed with fiber, fabric or yarn. This may include weaving, crocheting, needle point, or when fabric is changed into something different such as quilting, embroidery or ethnic art. Ethnic arts should use fiber, yarn or fabric to create the design.
D. A member may enter up to 3 exhibits in each class.
E. When articles which are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles together securely with yarn.
F. The exhibitor may attach an index card, no larger than 3x5”, with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know. Explain whether you created the fabric for a knitted article by hand or by a knitting machine. Explain if the exhibit contains any recycled materials, or is made of at least 90% wool.
G. Exhibitors are expected to be enrolled in the Heritage Fiber Arts project in which they are entered. When the exhibit is a sewn garment that also includes one or more Heritage Fiber Art techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting), the determination of what division (Clothing or Heritage Fiber Arts) and class in which to enter will be left with the 4-H participant.
H. All exhibits which need to be hung MUST have the appropriate hanger, rod, wire or other mechanism attached in order to be properly displayed.
I. There are no age-specific classes in Heritage Fiber Arts. The exhibitor’s age and years in the project will be considered by judges.

**Entomology**

**SUPERINTENDENTS**

Luke VanSkike, Karen VanSkike

A. Entomology is to be entered at 1:30 p.m. on Tuesday and will be judged at entry.
B. Open to any 4-H member enrolled in the Entomology project.
C. Individual entries are limited to **plexi-glass covered boxes**, 18 x 24 x 3 ½” (maximum). Boxes should be labeled so that one label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside).
D. Specimens should be labeled with the insect name handwritten on the pin beneath the insect. Typed or computer-made labels are also acceptable. For all phases the common name only is required on the insect. For Intermediate and Advanced phases all insects in the orders of Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera and Hymenoptera are to be identified to Families. Family labels to be pinned to bottom of box to represent sub divisions of the appropriate order. For each collection class, two labels will be centered on the pin beneath the specimen. First is the name label and next is the date/locality label. ID should follow the taxonomy included in www.bugguide.net.
E. Soft bodied insects, for those that will lose their shape when pinned such as aphids, lice or termites may be exhibited in alcohol filled vials.
F. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel (not lengthwise) to the short sides of the box and should be arranged by Order.
G. Specimens should be collected by exhibit with focus on Kansas and neighboring states. Other states may be included as long as properly labeled.

**INTRODUCTORY PHASE**

1. This unit is suggested for new 4-Hers. Member may exhibit collection in one or two boxes that has lid removed and is covered or sealed with plastic wrap or acrylic plexi-glass. Boxes can be made by placing a thin 1/4 to 1/2” layer of polystyrene foam in the bottom of a shoebox, cigar box, or other container. The collection should consist of 15 but not more than 30 specimens. These should represent at least 6 orders of insects. An order label is required and should be pinned to the bottom of the box. A date/locality label is required on each specimen. **Two boxes may be used.** This unit is for county fair exhibit only; there are no classes for this phase at the State Fair.

**PREMIUM** – Blue, 3 points; Red, 2 points; White, 1 point.

**BEGINNING I**

2. INSECT COLLECTION – One box with at least 7 orders, including a minimum of 50, maximum of 125 species represented, labeled with common names, grouped according to order with order labels attached to base of box.

**BEGINNING 2**

3. INSECT COLLECTION – One box with a minimum of 75 and maximum of 150 species from at least 9 orders. Grouped according to order with labels attached to base.
4. BEGINNING EDUCATIONAL – Exhibit one box and maximum of 150 specimens. Educational exhibits can illustrate an insect or related arthropod about biology, life cycle, etc.

**PREMIUM** – Blue, 6 points; Red, 4 points; White, 2 points.

**INTERMEDIATE**

5. INSECT COLLECTION – One or two boxes with at least 10 orders including a minimum of 100, maximum of 300 species, labeled with common and scientific names.
6. INTERMEDIATE EDUCATIONAL EXHIBIT – Exhibit one box and maximum of 150 specimens. Educational exhibits can illustrate an insect or related arthropod about biology, life cycle, etc.

**PREMIUM** – Blue, 9 points; Red, 6 points; White, 4 points.
ADVANCED
Up to 3 Boxes

7. INSECT COLLECTION – At least 12 orders including 150 and a maximum of 450 species with common and/or scientific names.
*** Summarize on one page how you improved your collection. For example, what did you add or replace, provide any leadership in the product, what specific insects have you studied. ATTACH paper to back of box.

8. EDUCATIONAL EXHIBIT – Limited to one box. Prepared by member. Topic to be indicated inside box.

PREMIUM – Blue, 12 points; Red, 9 points; White, 6 points.

Department W
Geology
SUPERINTENDENTS
Luke VanSkike, Karen VanSkike

A. Geology to be entered at 1:30 p.m. Tuesday and will be judged at entry time.

B. Open to any 4-H member enrolled in the Geology project. Exhibit boxes should be an 18 x 24 x 3 1/2” box with a plexi-glass cover that is removable. Specimens arranged across narrow 18” of box. Specimens should be labeled with the number of the specimen, date collected, name or description and locality (county) where collected. Exhibitor may exhibit a geology and lapidary collection.

C. Exhibit labels are available at the Extension Office.

Class 1 – Introductory Collection for 1st or 2nd year members. Members may exhibit samples in a shallow box such as a cigar box, shoebox or other container spaced uniformly. Display at least 7 rock, mineral or fossil specimens with at least one in each category. Box can have a false bottom such as fitted foam board to attach specimen card to box bottom. Specimen card labeled with date, county, common name of sample. May display up to two boxes of specimens. No cover needed. This is for a county exhibit only and may not go to Kansas State Fair.

Class 2 – Display at least 15 different rocks, minerals, or fossils. Limited to one exhibit box 18 x 24 x 3 1/2” with plexi-glass cover. Only those exhibiting at Fair for the first time may enter this class. Exhibitor may also exhibit lapidary collection. Fossils identified to the Phylum level.

Class 3 – Display at least 30 different rocks, minerals, or fossils at least 5 each. Limited to one exhibit box 18 x 24 x 3 1/2” with glass cover. This class is open to those exhibiting either first or second time at Fair. Exhibitor may also exhibit lapidary collection. Fossils identified to the Phylum level.

Class 4 – Display at least 45 rocks, minerals, or fossils; at least 5 each. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. For example: selenite and anhydrite are both gypsum minerals but represent different geological conditions. Also Fort Hays limestone and Fort Riley limestone would qualify as two different specimens. Likewise, Brachiopods from two different geological formations would qualify. Specimen label must show this distinction (Fort Hays limestone, not just limestone; Chonetes Brachiopod from Oketo Shale, not just Brachiopod or Chonetes Brachiopod). Exact species must have formations listed on I.D. card. Exhibit limited to two boxes 18 x 24 x 3 1/2” with plexi-glass cover. Class limited to those who have exhibited at Fair before in classes 1 or 2. Exhibitor may also exhibit lapidary collection.

Class 5 – Display at least 60 rocks, minerals, or fossils, at least 5 each. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone not just limestone; exact species must have different formation names listed on the I.D. card; Composita Brachiopoda from Morrill Limestone not just Brachiopoda or Composita Brachiopoda). Exhibit limited to two boxes 18 x 24 x 3 1/2” with plexi-glass cover. Exhibit must include approximately 15 specimens of current year’s work. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum Class, and Genus levels if possible. This class is open to those exhibiting the fifth time or more at State Fair.

Class 6 – Special exhibit relating geology to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, variations of one kind of rock or Indian artifacts. Exhibit limited to 4 feet of table space or to no more than two exhibit boxes 18 x 24 x 3 1/2” with plexi-glass covers. Exhibitor may show in this class regardless of number of times he or she has exhibited at the Fair or whether exhibitor has entries in classes 1, 2, or 3. Exhibitor may also exhibit lapidary collection.

Class 7 – Tumbling: For those exhibiting tumbling first time. Display at least 20 different tumbled rocks or minerals. One exhibit box 18 x 24 x 3 1/2” with glass cover. Exhibitor may also exhibit geology collection.

Class 8 – Exhibits a Lapidary exhibit of 15 rocks, minerals, or fossils that will cut or polish. Five of the specimens must be collected by the member from locations in Kansas. The rest of the specimens can be obtained from any source including locations outside of Kansas. Label giving identification of specimen and county where collected, or state or county of origin for non-Kansas materials. Give lapidary treatment to at least four of the specimens. Lapidary treatment may consist of tumbling, polishing, an end or face or flat lapping.

Class 9 – Same as above only 30 stones and minerals, 15 stones by tumber.

PREMIUM – Blue, 6 points; Red, 4 points; White, 2 points.
