CLAIMS FOR INJURY

*The Norton County Fair Association refuses to assume any liability for injury to the person of any of the exhibitors or their officers and employees, or to any patrons or other persons coming upon the grounds of the Norton County Fair Association, its officers, agents, representatives or employees having license or person having license or privilege to exhibit on the Fair Grounds or occupying any space thereon, and it is a part of the consideration for such license or privilege that such claims for damage are specifically waived.

*If any damage, loss or injury to person or property shall be caused by reason of negligence or willful act of any person, firm or corporation, or their agents, representatives or employees having license or privilege to exhibit on said Fair Grounds or occupying space thereon, the Norton County Fair Association shall in no manner be responsible therefore, and in case it be subjected to any expense or liability all persons causing same liable therefore shall indemnify the said Norton County Fair Association at Norton, Kansas.

***ATTENTION: The Norton County Fair board will not be responsible for diseases that may be contracted while animals are stalled at the fair and then return back to their residence. Animals will be taken home at your own risk!**

GENERAL GUIDELINES

ALL ENTRIES

Entry for ALL fair exhibits will be completed through FairEntry, an online service located at <http://nortoncountyfair.fairentry.com>. **4-H exhibitors** will log in using their 4HOnline accounts. **Open Class and FFA exhibitors** will create an account in the FairEntry system using an email address and password to enter their exhibits. Your entry cards will then be available from the department Superintendents when you bring in your exhibits. Any questions or exhibitors who don't have access to a computer may contact the Twin Creeks District Extension Office for assistance. **ALL ENTRIES ARE DUE THROUGH FAIRENTRY BY JULY 11th. NO PREMIUMS WILL BE GIVEN TO LATE ENTRIES.**

***Livestock pens will be assigned by the superintendent as you arrive with your exhibit.**

*Cooperation of exhibitors will aid greatly in speeding up assignment of stalls and prompt handling of livestock when they arrive.

*All animals must be in good health and be able to be handled safely.

*The Fair board and Department Superintendents reserve the right to remove from the show, any animal they deem a threat to the health and safety of other animals and participants.

*All livestock are subject to examination by veterinarian on call and shall be free of clinical signs of infections or contagious diseases to be permitted on fairground facilities.

*Animals will be cleaned of excess soil and debris **before** check in.

*Veterinarian will be on hand to inspect animals at check in. No animals stalled on grounds until examined by health official and weighed in the case of the market class animals. No health certificates allowed.

*Due to concerns with animal disease, the Kansas Division of Animal Health & K-State Veterinarians are being more diligent in monitoring animal health. We ask exhibitors to be watchful of their animals, practicing strict bio secure measures. The Kansas Department of Animal Health has not changed any health restrictions or guidelines for exhibition animals but they will monitor continually during the "Show/Fair" season and may develop emergency measures if needed based upon any epidemics.

*All animals will be weighed and checked in by noon on Tuesday, July 26th. Market animals will be assessed a fee of \$3 per tag. All other animals such as horses, bucket calves, heifers, dairy goats and open class animals that are not tagged market animals will be assessed \$2 per head at entry check in.

***Horse, Swine and Sheep must use wood chips for bedding. Hog stalls are to be cleaned daily with fresh bedding added. Other animal's bedding at the discretion of Superintendent.**

IN THE EVENT OF EXTREME WEATHER CONDITIONS, THE LIVESTOCK DEPARTMENT SUPERINTENDENTS MAY ELECT TO ALLOW EARLY RELEASE FOR ANIMALS.

4-H & FFA General Guidelines

1. **ENTRIES:** Both 4-H Club Members and FFA Members of Norton County 4-H Clubs and FFA Chapters are eligible to exhibit. Agricultural classes will be combined into 4-H and FFA exhibits. Grand Champion market animals will be selected from 4-H and FFA Exhibits. Fitting and Showing classes will include both 4-H and FFA exhibitors. Each 4-H and FFA member is encouraged to exhibit one project at County Fair. Members must be enrolled in the project to be eligible to exhibit. Exhibit must be current year's work.
2. Exhibitor age is determined as of January 1, 2021 Junior Division, 13 years and under; Senior Division, 14 years and older. Exceptions- Livestock Showmanship and Poultry and Rabbit Classes, along with Dog and Cat Show ages- Junior Division, 7 to 10 years, Intermediate, 11 to 14 years; and Senior, 15 and older. The Round Robin will require the participation of the champion of the Senior and Intermediate age groups from beef, sheep, swine, goats, and horse. Age categories may be different. Please check in each department for guidelines.
3. An orientation will be held at 2:45 p.m. on Thursday, with the Round Robin Showmanship to begin at 3:30 p.m. Youth who enter the showmanship class in any of the above species will do so with the intent to enter the Round Robin and the Orientation clinic should they be selected as Champion.
4. **OWNERSHIP**—Animals must be owned by March 1st for Market Beef. All other market and breeding animals must be owned by May 1st. Bucket calves must be owned by May 31st.
5. **PRE-ENTRY**- Entry for ALL exhibits will be completed through FairEntry, an online service located at <http://nortoncountyfair.fairentry.com> by July 11th. All exhibits must be in place by noon on Tuesday, except as noted.
6. **DEPARTMENTS**- assume no responsibility of lost articles.
7. **CHECK OUT**- 4-H Building Exhibits must remain in place until 8:00 a.m. on Friday, except as noted.
8. Animal exhibits will be released after the 4-H and FFA Livestock Sale Thursday evening. Exhibits in poultry & rabbit building will be released at 8:00 p.m. on Thursday.
9. **KANSAS STATE FAIR**- Make entries during the fair at the 4-H Building or at the Extension Office before August 1st. Check Premium List, Kansas State Fair, for classes and age

requirements to exhibit. Some county fair exhibits are not eligible for State Fair. Purple ribbon exhibits may exhibit at State Fair if they meet all class pre-entry requirements.

*Refer to the following document for all required nomination dates, forms, fees & additional requirements to be eligible to exhibit in livestock classes for Kansas State Fair and KJLS: <https://tinyurl.com/y6vb6sew>

10. **HEALTH & SAFETY**- All animals must be in good health and be able to be handled safely. The Fair board and Department Superintendents reserve the right to remove from the show any animal that they deem a threat to the health and safety of other animals and participants. All animals and livestock that are housed and shown shall receive care that is consistent with good husbandry practices. Superintendent shall monitor any discrepancies. ***Attention:** The Norton County Fair board will not be responsible for diseases that may be contracted while animals are stalled and then return back to their residence. Animals will be taken home at your own risk!

11. **All Horse, Sheep, and Swine exhibits are required to use woodchips for bedding.** Beef and Goat exhibits need to consult their superintendents on proper bedding material.

12. **Livestock Check in.** All livestock are subject to examination by veterinarian on call and shall be free of clinical signs of infections or contagious diseases to be permitted on fairground facilities. Animals will be cleaned of excess soil and debris **before** check in.

13. There will be no night tie-outs. A superintendent will be designated to supervise at all times.

14. Exhibiting members absent from fair for a prior approved reason may arrange to exhibit by contacting leaders, superintendents or advisor.

15. **LIVESTOCK-ALL GROOMING OF LIVESTOCK MUST BE DONE BY EACH INDIVIDUAL OWNER IN THE SENIOR DIVISION (15 years and older) OR THE EXHIBITOR SHALL BE SUSPENDED FROM SHOWING. Individuals in the Junior (7 to 10 years old) and Intermediate (11 to 14 years old) divisions are encouraged to do their own work with limited assistance being allowed. (Poultry and Rabbit included).**

Adult guidance and supervision instruction are encouraged but all work must be that of 4-H or FFA member. Youth members should be recognized for their own work with cooperation and support from leader, parents to attain these goals. Violations may cause disqualification. Exhibitors must accompany their livestock or provide suitable means for caring for them during the fair.

Department Superintendents and County Project Coordinators shall monitor and confer on these guidelines.

Exhibitor will fit and show his or her own livestock except in the case of illness or prior approved reason. If more than one entry per class, another 4-H or FFA member from Norton County may exhibit the animal. **Exceptions are to be approved by superintendents and community club leaders or advisors. Youth who enter the showmanship will do so with the intent to enter the Round Robin should they be selected as Champions.**

16. **Animals should be kept on exhibit for the prescribed fair schedule. Any exception for early release must be approved by Superintendent and Fair Board President. Unexcused early absence will cause loss of premium.**

17. **LIVESTOCK AUCTION**- 4-H and FFA members may sell on market animal in the auction on Thursday at 6:00 p.m. Exhibitor must notify superintendent to sell animal before leaving the show ring. **Livestock Auction- 4-H & FFA Youth Livestock Sale will not place a monetary limit regardless of ribbon or sale order.**

EXHIBITORS, PLEASE PARK STOCK TRAILERS CLOSE TO THE DIKE IN THE SOUTH FAIRGROUNDS

Light Weight, Red Ribbon animals will be allowed to sell but the resale floor price and disposition of the light weight animals will be the responsibility of the youth. Fair board and Superintendents are not responsible for the resale floor price to support these light weight, red ribbon animals. **(From Kansas 4-H laws and Policies Administrative Handbook) "Sale of livestock through public auction..."** A 4-H animal sold at a public auction or privately, whether from immediate or future delivery, cannot from the time of such sale, be shown by the sell in any 4-H show. This policy also applies to those animals which have gone through a "premium" auction, whether or not ownership has changed."

18. **SHIPPING ANIMALS**-Auction and extra market animals may be shipped to packer together. Notify superintendent of extra animals to be shipped at show time.

19. **FOOD AUCTION**-a 4-H member may sell two food items or one food item and a market animal with proceeds going to the 4-H member. If a 4-H member bakes other items they will be donated to Norton County 4-H Council. The 4-H member must be present to sell the food item in the foods auction.

20. **PRIZE MONEY**- All exhibits will be placed in blue, red, and white ribbon groups. Purple ribbons may be awarded for outstanding exhibits as determined by the judges. Total premium money provided by the Norton County Fair Association is \$2,000. Premium money for each department and class will be determined by the point system listed in each department.

21. **AWARD**-Herdsman awards in livestock departments to the exhibitor of the club or chapter maintaining the best display. Individual medals will be presented at the 4-H Achievement Banquet by **Darren and Galen Wentz of Wentz Enterprises, LLC and by Deb and Dan Field in memory of Julius and Alice Field.** A committee will use the following score card to select the best club display. Department V Entomology

SUPERINTENDENT

Luke VanSike

- Entomology is to be entered at 1:30 p.m. on Tuesday and will be judged at entry.
- Open to any 4-H member enrolled in the Entomology project.
- Individual entries are limited to **plexi-glass covered boxes**, 18 x 24 x 3 ½ (maximum). Boxes should be labeled so that one label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside).
- Specimens should be labeled with the insect name handwritten on the pin beneath the insect. Typed or computer-made labels are also acceptable. For all phases the common name only is required on the insect. For Intermediate and Advanced phases all insects in the orders of Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera and Hymenoptera are to be identified to Families. Family labels to be pinned to bottom of box to represent sub divisions of the appropriate order. For each collection class, two labels will be centered on the pin beneath the specimen. First is the name label and next is the date/locality label. ID should follow the taxonomy included in www.bugguide.net.
- Soft bodied insects, for those that will lose their shape when pinned such as aphids, lice or termites may be exhibited in alcohol filled vials.
- Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel (not lengthwise) to the short sides of the box and should be arranged by Order.
- Specimens should be collected by exhibitor with focus on Kansas and neighboring states. Other states may be included as long as properly labeled.

INTRODUCTORY PHASE

- This unit is suggested for new 4-H members. Members may exhibit collection in one or two boxes that has lid removed and is covered or sealed with plastic wrap or acrylic plexi-glass. Boxes can be made by placing a thin ¼ to ½ inch layer of polystyrene foam in the bottom of a shoebox, cigar box, or other container. The collection should consist of 15 but not more than 30 specimens. These should represent at least 6 orders of insects. An order label is required and should be pinned to the bottom of the box. A date/locality label is required on each specimen. **Two boxes may be used.** This unit is for county fair exhibit only; there are no classes for this phase at the State Fair.

PREMIUM- Blue-6 points, Red-4 points, & White-2 points.

BEGINNING I

- INSECT COLLECTION- One box with at least 7 orders, including a minimum of 50, maximum of 125 species represented, labeled with common names, grouped according to order with order labels attached to the base of box.

BEGINNING II

- INSECT COLLECTION- One box with minimum of 75 and maximum of 150 species from at least 9 orders. Grouped according to order with labels attached to base.

4. BEGINNING EDUCATIONAL- Exhibit one box and maximum of 150 specimens. Educational exhibits can illustrate and insect or related arthropod about biology, life cycle, etc.

PREMIUM- Blue-6 points, Red-4 points, & White-2 points.

INTERMEDIATE

5. INSECT COLLECTION- One or two boxes with at least 10 orders including a minimum of 100, maximum of 300 species, labeled with common and scientific names.
6. INTERMEDIATE EDUCATIONAL EXHIBIT- Exhibit one box and maximum of 150 specimens. Educational exhibits can illustrate an insect or related arthropod about biology, life cycle, etc.

PREMIUM- Blue-9 points, Red-6 points, & White-4 points.

ADVANCED

Up to 3 Boxes

7. INSECT COLLECTION-At least 12 orders including 150 and a maximum of 450 species with common and/or scientific names. ***Summarize on one page how you improved your collection. For example, what did you add or replace, provide any leadership in the product, what specific insects have you studied. ATTACH paper to back of box.
8. EDUCATIONAL EXHIBIT- Limited to one box. Prepared by member. Topic to be indicated inside box.

PREMIUM- Blue-12 points, Red-9 points, & White-6 points.

Department W Geology SUPERINTENDENT

Luke VanSike

- A. Geology to be entered at 1:30 p.m. Tuesday and will be judged at entry time.
- B. Open to any 4-H member enrolled in the Geology project. Exhibit boxes should be an 18 x 24 x 3 ½" of box. Specimens should be labeled with the number of specimen, date collected, name or description and locality (county) where collected. Exhibitor may exhibit a geology and lapidary collection.
- C. Exhibit labels are available at the Extension Office.

Class 1- Introductory Collection for 1st and 2nd year members. Members may exhibit samples in a shallow box such as a cigar box, shoebox or other container spaced uniformly. Display at least 7 rock, mineral or fossil specimens with at least one in each category. Box can have a false bottom such as fitted foam board to attach specimen card to box bottom. Specimen card labeled with date, county, common name of sample. May display up to two boxes of specimens. No cover needed. This is for a county exhibit only and may not go to Kansas State Fair.

Class 2- Display at least 15 different rocks, minerals, or fossils. Limited to one exhibit box 18 x 24 x 3 ½ with plexi-glass cover. Only those exhibiting at Fair for the first time may enter this class. Exhibitor may also exhibit lapidary collection. Fossils identified to the Phylum level.

Class 3- Display at least 30 different rocks, minerals, or fossils at least 5 of each. Limited to one box 18 x 24 x 3 ½ with glass cover. This class is open to those exhibiting either first or second time at Fair. Exhibitor may also exhibit lapidary collection. Fossils identified to Phylum level.

Class 4- Display at least 45 rocks, minerals, or fossils; at least 5 each. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. For example: selenite and anhydrite are both gypsum minerals but represent different geological conditions. Also Fort Hays limestone and Fort Riley limestone would qualify as two different specimens. Likewise, Brachiopods from two different geological formations would qualify. Specimen label must show this distinction (Fort Hays limestone, not just limestone; Chonetes Brachiopod from Oketo Shale, not just Brachiopod or Chonetes Brachiopod). Exact species must have formations listed on I.D. card. Exhibit limited to two boxes 18 x 24 x 3 ½ with plexi-glass cover. Class limited to those who have exhibited at Fair in classes 1 or 2. Exhibitor may also exhibit lapidary

collection.

Class 5- Display at least 60 rocks, minerals or fossils, at least 5 of each. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone not just limestone; exact species must have different formation names listed on the I.D. card; Composita Brachiopoda from Morrill Limestone not just Brachiopoda or Composita Brachiopoda). Exhibit limited to two boxes 18 x 24 x 3 ½ with plexi-glass cover. Exhibit must include approximately 15 specimens of current year's work. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum Class, and Genus levels if possible. This class is open to those exhibiting the fifth time or more at State Fair.

Class 6- Special exhibit relating geology to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, variations of one kind of rock or Indian artifacts. Exhibit limited to 4 feet of table space or to no more than two exhibit boxes 18 x 24 x 3 ½ with plexi-glass covers. Exhibitor may show in this class regardless of number of times he or she has exhibited at the Fair or whether exhibitor has entries in classes 1, 2, or 3. Exhibitor may also exhibit lapidary collection.

Class 7- Tumbling: For those exhibiting tumbling for first time. Display at least 20 different tumbled rocks or minerals. One exhibit box 18 x 24 x 3 ½ with plexi-glass cover. Exhibitor may also exhibit geology collection.

Class 8- Exhibit a Lapidary exhibit of 15 rocks, minerals, or fossils that will cut or polish. Five of the specimens must be collected by the member from locations in Kansas. The rest of the specimens can be obtained from any source including locations outside of Kansas. Label giving identification of specimen and county where collected, or state or county of origin for non-Kansas materials. Give lapidary treatment to at least four of the specimens. Lapidary treatment may consist of tumbling, polishing, an end or face or flat lapping.

Class 9- Same as above only 30 stones and minerals, 15 stones by tumbler.

PREMIUM- Blue-6 points, Red-4 points, & White-2 points.

Department X Rocketry & Robotics

- A. Rockets will be entered between 11:00 a.m. - 1:00 p.m. with judging at 1:00 p.m. following models on Monday.
- B. **Each exhibitor may enter up to three rockets made during the current year. All of the rockets, whether exhibiting one, two, or three rockets, must have been flown to be exhibited.**
- C. The report that accompanies the rocket must include a picture of the rocket at the launch site, record of its flight, including altitude, and a summary of how the member constructed and flew the rocket. Should also include engine type and altitude specifications as well as all instructions and color cover page.
- D. Rocket must be able to stand freely or be supported by a wooden base with short dowel rod centered in base. Base not to exceed ¾ x 8 square. **DO NOT SUBMIT ROCKET ON LAUNCH PAD.**
- E. Plans and color cover page must accompany the rocket. One page of photographs is required. Attach one 8 ½ x 11" page of photos (one side only) with the plans. Photo may be of the finished rocket, flight test, assembly stages, etc. Photography of rocket at moment of ignition is preferred! Attach the Rocket form to outside of a 10 x 13" manila envelope with supporting material in envelope.
- F. **Rockets with factory made fin assemblies (plastic) and prefinished rockets requiring no painting are not acceptable.**
- G. Angles of the fins must fit a plus or minus two degree variation.
- H. Exhibit must be smooth and uniform, properly assembled and according to plans. "Scale Model" craft should follow paint scheme. Other craft may deviate from the paint scheme. "Scale Models" are a true representation of an actual real-life craft or vehicle.
- I. No starters are permitted with the exhibits.
- J. Rockets should be clearly labeled with name and type of rocket.

- K. **Robotics-** Constructed Robot exhibit should be no larger than two cubic feet. Plans and goals for the Robot should be included in a 10 x13" manila envelope. Robot cannot be powered by explosive or flammable substance.

Department FF Architectural Construction

PRE-ENTRY- Entry for ALL exhibits will be completed through FairEntry, an online service, located at <http://nortoncountyfair.fairentry.com> by July 11th.

The STEM ABC exhibit area focuses on using architectural blocks ("Lego's") to construct dioramas. This project allows youth to explore architectural design in a three-dimensional space. This division is not intended for youth wishing to exhibit constructed kits.

- A. 4-H Members must be currently enrolled in the Kansas 4-H STEM-Architectural Block Construction Project to exhibit in this division.
- B. Each exhibitor may enter one exhibit. Exhibits must have been constructed during the current 4-H year.
- C. Total exhibit dimensions may not exceed 2 feet high, by 2 feet wide, by 2 feet deep.
- D. All exhibits should be placed in a sturdy see through enclosure with a top, bottom, and 4 sides. A clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. This is to keep exhibit components from being "scattered to parts unknown" at the fair.
- E. All components used in construction should be dust free, clean, and free of chips, scuffs, or cracks.
- F. The primary building component should be interlocking blocks

(Lego's).

- G. Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks.
 - H. The use of existing "store bought" sets for major elements of the display is not allowed, use of figurines from sets is allowed as are using individual bricks to create something different than the set it came from.
 - I. The design should have a central theme, for example a garage, a house, a shop, this theme should be discussed in the video, this can link back to architectural elements in the display, for example: toilets, chairs, sofas, plants, pianos, cars, garage doors, spaceships, animals, food, etc.
 - J. Displays must have significant architectural components. Examples of architectural components include walls, windows, doors, roofs, canopies, flying buttresses, etc.
 - K. Landscapes are strongly discouraged, however buildings can have a reasonable exterior landscape if it is clearly linked to the architecture, for example a bike rack next to a street outside of a bicycle shop
 - L. Architectural components should have a consistent look, walls and roofs that have no pattern or consistency will be deducted one ribbon placing. Gaps or cracks should not be visible between assembled blocks.
 - M. Doors should open and close, large doors can be fixed in either an open or closed position, but it should be obvious that it is a large door, windows can be either fixed or open and close.
 - N. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or other method.
 - O. You can use a partial wall or no wall, called a reveal to show what is happening inside of a structure are acceptable, for example only having three walls to allow an unobstructed view into a room.
 - P. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, merry-go-rounds, doors, elevators, gears, marbles going down a channel, flapping wings, animatronics, etc. If included judges should be able to use them and instructions should be provided for operation either in the story or on a separate page.
 - Q. Artistic designs with no architectural design/components are not permitted and tow ribbon placings will be deducted,.
 - R. The exhibitor's name (s) must be tagged or labeled in a prominent location on the display, additionally the display case should have the exhibitor's information attached to it as well, as the top part of the case may be separated from the display.
 - S. Each exhibit must include an Architectural Block Construction information packet. Entry of jus a packet without an accompanying exhibit is not a sufficient exhibit.
 - T. Each exhibitor is required to complete the "4-H STEM Architectural Block Construction Exhibit Information Form" which is available at Extension Office or at www.STEM4KS.com. This form must be attached to the outside of a 10 x 13" manila envelope. Do not tie the envelope to the exhibit.
 - U. Each exhibit information packet should include the following items:
 - a. At least one drawing of the desired architecture on graph paper, multiple views (top, front, side) are preferred, they do not need to be to scale. Plans encourage organizing the build process so that elements don't get forgotten. For example, a real house doesn't get built without plans. Plans also help if a part comes loose on the way to the fair.
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed stat, these help in determining where a part might go in case something comes loose.
 - c. If appropriate operating instructions for mechanical portions of the diorama.
- Introductory-Level 1 (1-3 years' experience)
1. 5710 Level 1 Diorama- A diorama illustrating at least 2 architectural features beyond floors, ceilings, and walls.
- Experienced- Level 2 (4-6 years' experience)

3. 5712 Level 3 Diorama- A diorama illustrating at least 6 architectural features beyond floors, ceilings, and walls, and includes 2 or more motion elements.

Master- Level 4 (10 or more years of experience)

4. 5713 Level 4 Diorama- A diorama illustrating at least 8 architectural features beyond floors, ceilings, and walls, and includes 3 or more motion elements.

Department GG Ag Mechanics SUPERINTENDENTS

PRE-ENTRY- Entry for ALL exhibits will be completed through FairEntry, an online service, located at <http://nortoncountyfair.fairentry.com> by July 11th.

The Ag Mechanics project is starting with an emphasis on welding and smithing, it will expand as the project area grows. This project allows youth to explore areas of ag mechanics and metallurgy from repairing or repurposing items to the fabrication of new items.

- V. 4-H members must currently be enrolled in the Kansas 4-H STEM Ag Mechanics project to exhibit in this division.
- W. Each Exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year. The exhibit must have been selected at the county level for entry at the State Fair. Counties or districts should select only top blue or purple ribbon Ag Mechanics exhibits which meet State Fair guidelines.
- X. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.
- Y. Exhibitors are responsible for providing sufficient braking or "chock" for trailer exhibits to ensure that the exhibits do not move once positioned. If using a wheel "chocking" mechanism, the two individual blocks should be connected together as a pair of chocks, so they do not become separated. At least one pair of chocks should be placed on each side of the trailer to prevent movement.
- Z. For trailer exhibits the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. A key for the locking mechanism should be left with the superintendent and labeled with the exhibitor's name and phone number.
- AA. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total demission's and weight of the exhibit as described previously. Exhibit boards should have a portable and moveable base. No exhibits may be staked to the ground for display.
- BB. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.
- CC. Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judges or superintendents one ribbon placing will be deducted.
- DD. Repair projects having adequate original finish need not be repainted.
- EE. Cutting surfaces, such as blades, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam "pool noodles" and multiple layers of cardboard are acceptable.
- FF. Display cases for small exhibits are acceptable and must be easily opened so the item can be removed and examined as part of judging.
- GG. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.
- HH. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.
- II. Electric powered (battery, corded, solar, or alternative energy) should

have a primary shutoff or disconnect switch.

- JJ. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit at the judges' discretion, will receive a deduction in ribbon placement or participation ribbon.
- KK. The exhibitor's name must be tagged or labeled in a prominent location on the display.
- LL. Each exhibit must include an Ag Mechanics information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
- MM. Each exhibitor is required to complete the "4-H STEM Ag Mechanics Exhibit Information Form" which is available at Extension Office or at www.STEM4KS.com. This form must be attached to the outside of a 10 x 13" manila envelope. Do not tie the envelope to the exhibit.
- NN. Each exhibit information packet should include the following items:
 - a. Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost.
 - b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state.
 - c. If appropriate schematics or working drawings relating to the creation or repair, this is not required for display boards.
 - d. If appropriate operating instructions.

Introductory – Level 1 (1-3 years' experience)

Department HH Agricultural Challenge of Champions SUPERINTENDENTS

Teresa Schulze

The Norton Fair Board, along with the Kansas State Fair Association, is offering an opportunity to youth ages 16 through 19 as of January 1st, 2021. The Agricultural Challenge of Champions will be held to nominate one youth from Norton County to compete in this program at the State Fair. In order to select a nominee from Norton County, a selection competition will be held. The competition will involve an exam covering identification of livestock equipment, breeds of beef cattle, dairy cattle, sheep, hogs, goats, and horses, feed concentrate and/or roughage, and retail cuts of meat. The contest will also cover questions about swine, equine, beef cattle, dairy cattle, sheep, goats, animal care, and animal health. The contest also includes judging livestock, hay/forage, wheat & corn. Contest may also include a five minute impromptu presentation on an agricultural subject provided.

To enter this contest, meet in the 4-H Building Thursday, July 28th, at 10:00 a.m. for the exam. The livestock judging will be held at 12:30 p.m. The Norton Fair Association will then select its nominee and announce the winner during the Livestock Auction that evening.
