RULES & REGULATIONS

OPEN CLASS

FORWARD

This fair is dedicated to every citizen of Sheridan County and is conducted for your education and pleasure. To raise the standard of all products of Sheridan County is our goal. We are asking every citizen to do their part by making exhibits in all classes possible. This is your fair.

GENERAL RULES

Rule I - Interpretation, Amendments and Violations

Section 1. The Board of Directors of the Sheridan County Fair reserves the right to interpret these rules and regulations and arbitrarily settle all questions arising in connection with the Free Fair that shall be held under the management of this board.

Section 2. The board reserves the right to amend or add to these rules as they, in their judgment, deem it advisable. In the event of a conflict of general and specified rules, the latter will govern.

Section 3. Any person who violates any general rule or special rule will forfeit all privileges and premiums and be subject to such penalty as the Fair Board may determine.

Section 4. In case there is not sufficient premium money to pay all premiums in full, it will be prorated.

Rule II - Entry Requirements

Section 1. All entries to the Sheridan County Fair are free, but no unworthy entry will be received for exhibit.

Section 2. Entry for all exhibits will be completed through FairEntry, an online service located at:

<https://sheridancofair.fairentry.com>

4-H Members will log in using their 4HOnline accounts.

Open Class and FFA exhibitors will create an account in the FairEntry system using an e-mail address and password to enter their exhibits. Any questions or exhibitor who doesn't have access to a computer may contact the Twin Creeks District - Sheridan County Office at 785-675-3268 for assistance. **All 4-H entries are due by July 1st, all Open Class exhibits can be entered up until the scheduled entry time. Exhibits must be entered as scheduled unless otherwise provided by special rules.** Exhibits shall remain in place until 8:00 a.m. on the last day of the fair but must be removed by 11:00 a.m. Permission to remove exhibits early may be granted by superintendent(s) for extenuating circumstances. The Fair Board will, in no way, be responsible for entries left in the building after 11:00 a.m.

Section 3. All property entered at the fair, for any purpose, shall be subject to the control of the superintendent(s).

Section 4. All ribbons and awards must be left attached to the exhibit until it is released by the superintendent(s) with the exception of livestock exhibits.

Section 5. All exhibits must be the result of the current year's work and the product of the exhibitor's efforts except as provided by special rules.

Section 6. Each exhibitor shall enter all exhibits with departmental superintendent(s) on the first full day of the fair, Wednesday morning beginning at 9:00 a.m.

Rule III - Exhibitors' Duties and Privileges

Section 1. Livestock must be owned or co-owned by the exhibitor at the time of exhibiting. Any individual may exhibit in Open Class competition, but only members of 4-H clubs and FFA chapters from Sheridan County may sell in the sales. Sheridan County 4-H, FFA members and Open Class exhibitors shall have priority over non-residents for livestock exhibiting space.

Section 2. The Superintendent in the Livestock Department

will assign space or stalls. Exhibitors shall keep such places or stalls in clean condition at all times during the fair and clean up following the fair.

Section 3. Any member of the Fair Board shall have access to all premises of any character on the grounds or concessions at any time during the fair.

Section 4. If it be ascertained that any exhibitor has made or caused to be made any false statement in regard to any exhibit or if any exhibitor shall attempt to interfere with the judges in the performing of his/her duties, he/she shall be excluded from all competition or exhibition on the grounds of the association or any fair and any awards that he/she may have received may be forfeited at the direction of the board.

Section 5. The decision of the judges shall be final and no appeal will be considered except in cases of protest.

Rule IV - Protests & Grievances

Section 1. All protests shall be made to the Fair Board Secretary in writing within 4 hours after the decision of the judges, and shall be accompanied by a deposit of \$25.00, which will be forfeited in case the protest is not sustained. Said protest shall state plainly the cause of complaint or appeal.

Section 2. The Grievance Committee will be made up of the Extension Agent, Fair Board President, and one non 4-H/Fair Board member.

Section 3. In addition to the right of the protest herein granted exhibitors, the Fair Board reserves the right to take cognizance of fraud, consummated or attempted, in connection with an exhibit, and take action as they may deem advisable.

Rule V - Powers & Liabilities of the Association

Section 1. The board will use every precaution to guard against extortion in any form on fair grounds and any violations of this rule shall result in forfeiture of every privilege, contract, or money paid in, and exclusion from the grounds.

Section 2. The board reserves the right to remove from the grounds any exhibit, animal, concession, or show that may be falsely entered, or may be deemed unsuitable or objectionable, or to remove any sign, banner, identification mark, signature, or advertising matter of any kind which may be deemed objectionable.

Section 3. No diseased animal or fowl will be permitted to be exhibited or occupy space at the fair, and every precaution will be taken to enforce this rule. However, the board will not be responsible for any loss or damage that may be sustained by anyone through violation of this rule.

Section 4. No claim for any injury to any person or property shall be asserted or suit instituted or maintained against the Fair Board, its officers or agents, representatives, servants or employees on behalf of any person, corporation or firm as a result of damage or loss sustained on the grounds of this fair.

Rule VI - Premiums and Awards

Section 1. The following Danish Ribbon System shall be used in designating awards in Open Class:

Excellent Rating.....Purple
Very Good Rating.....Blue
Good Rating.....Red

Rosettes will be awarded for Grand Champion and Reserve Champion. These ribbons will be attached only by the superintendent(s).

Section 2. All exhibits will receive a ribbon and the judges shall award 1st, 2nd, and 3rd premium according to the merits of the articles, and no premium shall be awarded to an unworthy exhibit, nor those incorrectly entered.

Section 3. No prize will be awarded on articles not mentioned in this fair book.

Section 4. No awards will be presented by the Sheridan County Fair Board other than ribbons and premiums unless stated otherwise. All premiums will be paid as soon as possible

after awards are made. In paying premiums the superintendent's record will be evidence of award. ***Checks must be cashed within 60 days of issue date.***

Section 5. In open competition, ribbons and premiums shall be awarded to 1st, 2nd and 3rd place exhibits as listed under each department. Champion ribbons will be awarded to Champions only when specified on the premium list. In all competition, champion rosettes will only be awarded when 3 or more exhibits are entered or at the discretion of the judge.

Section 6. Open Class exhibitors will receive a \$50 maximum premium check per person regardless of number of entries.

No out of county premium monies will be awarded.

Rule VII - Miscellaneous

Section 1. All rights that are applicable shall be made a part of all contracts made with concessionaires.

Section 2. All winning agricultural exhibits at the county fair may become the property of the Fair Board and for the purpose of making a county exhibit at the State Fair. At close of the State Fair, the original owners may retrieve their exhibits, if desired, by arranging pick-up with the Extension Office before exhibits are taken to the State Fair.

Section 3. A superintendent(s) shall be appointed for each department, whose duty it shall be to receive the exhibits, properly classify them, and to assist the judges.

Section 4. Please refer to Kansas State Fair 4-H Exhibitor Handbook for projects going to State Fair to ensure correct project registration.

GENERAL REGULATIONS OPEN CLASS

Rule 1. This department is open to any person subject to special rules for each class.

Rule 2. No exhibitor may enter more than 3 entries per class. Livestock may enter 1 entry per class.

DEPARTMENT I - VISUAL ARTS
Superintendents: Jackie Campbell

Rule 1. Pictures must be original, not copies.

Rule 2. Pictures must be matted and/or securely framed and mounted before being exhibited. Exhibits that need hung **MUST** have wire hanger. Saw Tooth hanger or other will not be permitted.

Rule 3. Pictures must be matted with heavy poster board or mat board.

Rule 4. All crafts must be the result of the current year's project work.

Copyright

Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the Internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does not make the design original. If you create a replica of what you see somewhere else (i.e. Pinterest), it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit.

Rule 3. All exhibits must be work done in the current club year.

Rule 4. An (*) symbolizes that the State Fair does not have a class. To be eligible to exhibit (unless otherwise stated in rules) at the State Fair, 4-H Members must be 9 years-old as of January 1st of the current year.

Rule 5. Exhibitors (individual or group) should avoid using copyrighted materials whenever possible by originating his/her own work. Exhibitors should use with caution a copyrighted and/or trademarked product or service (a brand name, label or product). Copyrighted and/or trademarked materials utilized in, displays, demonstrations, posters or other activities will be disqualified and will not be displayed or receive ribbons.

Rule 6. The K-State Research and Extension 4-H Youth Program and the Sheridan County Fair Board Association are committed to making their services, activities, and programs accessible to all participants. If you have special requirements because of physical, mental, learning, vision, hearing, or other impairment, please contact the Twin Creeks District - Sheridan Office.

Rule 7. The Sheridan County Fair Board Association reserves the right to interpret these rules and regulations and arbitrarily settle all questions arising in connection with the fair that shall be held under the management of this board.

Rule 8. Educational booths must be completed by 8:00 pm on the day before the first full day of the fair.

Rule 9. Entry for all exhibits will be completed through FairEntry, an online service located at:

<https://sheridancofair.fairentry.com>

4-H Members will log in using their 4HOnline accounts. Open Class and FFA exhibitors will create an account in the FairEntry system using an email address and password to enter their exhibits. Any questions or exhibitors who don't have access to a computer may contact the Twin Creeks District - Sheridan Office at 785-675-3268 for assistance. All entries are due by **July 1st**. Each exhibitor shall enter exhibits with departmental superinten-

tendent(s) at the designated check-in time on the fair schedule.

Rule 10. All educational exhibits for all projects will be entered under DEPARTMENT Y - MISCELLANEOUS. Educational exhibits share with others what you learned in a project. Exhibits may be in the form of a poster, notebook, or display. If exhibit is a poster, it must not be larger than 22" x 30". If exhibit is a display, maximum size cannot exceed a standard commercial 3' x 4' tri-fold display board. No card table displays are allowed. Take care to select durable materials that will withstand fair conditions. Name and county must be clearly marked on educational exhibits.

Rule 11. The official 4-H age is open to youth 7 - 18 years of age as of January 1st of the current year.

**August 15: Pre-entries for all other exhibits in the 4-H/FFA and 4-H Divisions are due on the KSFAIR website no later than July 15. (You will need to contact the Extension Office.)*

Food Auction Regulations

Rule 1. Each 4-H Member has the opportunity to sell one flat (pop or vegetable size flat) consisting of items he/she entered in the 4-H Foods & Nutrition Judging at the fair. They must let a superintendent(s) know at the time of judging if they are going to participate in the sale.

NOTE: *Products not used for display will be sold at the Food Auction for 4-H Council unless they are picked up one-half hour before the food auction or prior arrangements have been made with superintendent(s).*

Rule 2. Items must have been exhibited or be of the same batch as exhibited items. The flat may contain more than one exhibit but must be from the same 4-H Member. All food items must be properly covered.

Rule 3. All food items deemed inedible (i.e. undercooked, spoiled, etc.) by the judge for any reason cannot be sold.

Rule 4. The 4-H Member must deliver the flat to sale arena before the start of the sale but after the superintendent(s) have started setting up for the sale. The 4-H Member must be present to present their own flat during the sale or have been excused by the food superintendent(s).

Rule 5. The 4-H Member will be responsible for collecting the money for the flat and delivering the flat to the buyer. A receipt card with the buyer's name and purchase price will be given to the 4-H Member.

Rule 6. No item will be released until judging is finished.

Rule 7. All items to be placed in the flat must be picked up from the food display no later than one-half hour before the start of the sale.

Rule 8. Grand and Reserve Champions will be recognized first, then the sale order will be alphabetical within Foods Class starting with Level I followed by Level II, etc.

Rule 9. Clothing attire for selling is either a 4-H t-shirt or "live-stock show clothes".

Rule 10. Projects entered under Food Preservation cannot be sold at the Food Auction

Rule 11. All foods sold must adhere to K-State and 4-H Food Safety guidelines frosting and filling guidelines.

Livestock Regulations

Rule 1. Exhibitors in this department must have owned their market beef for a period of not less than 140 days; bucket calves, lambs, goats, and swine not less than 90 days prior to the opening date of the Sheridan County Fair. All animals shall be weighted at a central weigh-in and ear tags issued, except for

bucket calves which must be tagged but are not eligible for the Rate of Gain Contest. This weight will be posted on the exhibitor's card. *Exceptions may be made for special circumstances at the discretion of the district agent and Fair Board.*

Rule 2. Livestock exhibitors may enter 2 market animals per-species.

Rule 3. Each exhibitor must assume all risk of showing his/her animals. Neither the Sheridan County Fair Board Association, nor K-State Research and Extension Twin Creeks District, nor the superintendent(s) will assume responsibility in case damage to animals or other exhibits should occur.

Rule 4. Each exhibitor must furnish feed and feeding facilities for livestock, and must clean his/her own stall during and after the fair.

Rule 5. REMINDER: All livestock shows at the Sheridan County Fair follow the guidelines of a "no fit" show", "Blow and Show". "No Fit" is defined as using no adhesive, glue, paint or powder products.

Rule 6. Exhibitors must show their own animal during official judging, except in cases of absences excused by the District Extension Agent or when the exhibitor has more than one animal competing at a given time, to be eligible for awards. An animal will be shown by another 4-H/FFA Member in this situation.

Rule 7. All livestock exhibitors will observe a dress code at both the show and sale. No shorts and no shirts with writing will be allowed. Shirts must be button-up, with sleeves that go past the shoulder, and are appropriate for showing livestock.

Rule 8. Superintendent(s) in the Youth Livestock Department shall make a determination, if necessary, as to whether an animal shall be eligible to show based on weight requirements and disposition of animal. The Sheridan County Fair Board reserves the final and absolute right to determine all questions regarding the awarding of a premium.

Rule 9. Only the designated ringmaster, judge, district extension agent, and other exhibitors will be allowed in the arena during the show.

Rule 10. All animals shall be free of clinical signs of infectious or contagious disease.

Rule 11. Livestock purchased outside of the state: contact the Extension Office for more information.

Rule 12. In order to show market livestock during the Kansas State Fair, the exhibitor must have nominated the animal. (Please refer to species for deadlines.) Pre-Entry deadlines for the Kansas State Fair are the following:

**August 1: State 4-H Horse Show pre-entries are due through Kansas State Fair ShoWorks at <https://kansaseq.fairwire.com/> (Contact the Extension Office.)*

**August 15: 4-H/FFA Beef, Sheep and Swine pre-entries due to the Kansas State Fair Office. (Contact the Extension Office.)*

For more information about the Kansas State Fair, please contact the Extension Office.

Rule 13. All 4-H/FFA Members are required to participate in the current 4-H year's Livestock Judging Contents, enter in showmanship, and participate in an educational livestock care class in order to participate in the Livestock Sale. YQCA (Youth for the Quality Care of Animals) certification can be used to meet the educational requirement. Members that have not been excused from these requirements will not be eligible to sell their market animal that current year during the Livestock Sale. Circumstances for absence must be reviewed and approved by the Sheridan County Fair Board prior to the participant being excused.

Rule 14. It is *recommended* that youth under the age of 10 who are showing market steers have the educational experience of showing a bucket calf and 2nd year bucket calf. This recommendation is to help ensure the safety of participants.

Rule 15. A 2nd year bucket calf can be shown if he/she showed

that calf as a 1st year bucket calf as a 4-H Member.

Rule 16. No intact male species will be allowed in the horse, goat, sheep, market beef, 2nd year bucket calf, and swine classes.

Rule 17. Selection of Overall Grand and Reserve Animals will be chosen during a Grand Drive. Grand Champions from each market class will enter the Grand Drive. Once Overall Grand Champion is selected, the Reserve Champion from the Overall Grand Champion's market class will be added to the Grand Drive. Then the Overall Reserve Champion will be selected.

Livestock Sale Regulations

Rule 1. Sale committee shall consist of the Beef, Swine, Sheep and Goat division superintendent(s).

Rule 2. All animals sold through the sale (market beef, market hogs, market lambs and market meat goats) will be sold at the check-in weight.

Rule 3. Rabbits, poultry, dairy goats and 1st year bucket calves will not be sold through the sale.

Rule 4. Each youth exhibitor shall be limited to the sale of one animal per species of livestock.

Rule 5. Market animals must be shown in the arena by the exhibitor for showmanship and market classes to be eligible for sale unless otherwise excused by superintendent(s) or District Extension Agent.

Rule 6. Reserve Champions may only sell for a max of 10¢ per pound less than the Grand Champion and all other animals may only sell for a max of 10¢ per pound less than the Reserve Champion in each species class.

Rule 7. Minimum and maximum weights for animals being sold through the sale, as weighed the day of entry are: steers 1,000 lbs. minimum, 1450 lbs. maximum; 2nd year bucket calf 1,000 lbs. minimum, 1450 lbs. maximum; swine 195 lbs. minimum, 290 lbs. maximum; sheep 85 lbs. minimum, 150 lbs. maximum; goats 40 lbs. minimum, 85 lbs. maximum. Any animal weighing more than the maximum weight may show and sell, but will be sold at maximum weight. All animals under the minimum weights may show, but will not be sold.

Herdsmanship

The Herdsmanship award will be made to clubs who keep their alleys, pens and exhibits neat, clean and attractive. This is a total club effort, and herdsman duties are those of exhibitors rather than leaders and parents. A cash award (\$50.00) will be provided to the top 4-H Club. Individual awards may also be given for exemplary individual herdsman. Individual awards will be awarded at the Achievement Ceremony.

Timeframe: Wednesday 10:00 a.m. through release time on Saturday.

Judging Criteria:

- A. Animals fed and watered, bedded and kept clean50%
- B. Area organized and safe for spectators.....15%
- C. Area neat and clean (in front & behind area), stall cards correct.....20%
- D. Leaving wash rack area clean after use.....15%

Round Robin

Rule 1. Grand Champion and Reserve Champion Junior, Intermediate and Senior 4-H Showman in Swine, Beef, Sheep, Dairy Cow, Dairy Goat, Meat Goat and Horse are eligible to compete for Overall Showman. This is not a required event, so if the 4-H Member does not wish to compete that is his/her choice.

Rule 2. Grand Champion and Reserve Champion out of each division will show one of each species.

Rule 3. The juniors, intermediates and seniors will be divided into age groups so they are not competing against each other.

Junior Round Robin Grand Champion, Rosette or prize
Junior Round Robin Reserve Champion, Rosette or prize
Intermediate Round Robin Grand Champion, Rosette or prize
Intermediate Round Robin Reserve Champion, Rosette or prize
Senior Round Robin Grand Champion, Rosette or prize
Senior Round Robin Reserve Champion, Rosette or prize

Average Daily Gain Contest

Market animals in each species that have been weighed and tagged by the weigh-in deadline date are eligible. Average daily gain will be computed by the District Extension Agent or superintendent(s). Winners will be the animals that have the highest average daily gain in each species (including animals over the weight limit). Winners will be announced at the livestock sale and will receive a medal.

Dogs

Rule 1. 4-H Dog Show Immunization Record (MG-34 Revised, October 2014 accepted), must be completed for each dog entered at the Sheridan County Fair. The fully completed record form must be presented to the veterinarian at health check on the day of the show to be eligible to compete. Teams without the immunization record will not be allowed to show. Required vaccinations include: Bordetella, Distemper, Hepatitis, Parvovirus,

Parainfluenza, Rabies. The Rabies vaccination must be administered by a graduate, licensed veterinarian. All vaccinations must be current. Dogs must be at least 6 months of age at time of show, in order to have received all of the required immunizations.

Rule 2. Any abuse of dogs on grounds, or in the ring, will result in disqualification.

Rule 3. No dog in season will be allowed to show.

Rule 4. Well-fitting collars of leather, chain, or fabric are to be used for obedience. No spiked, pinch, special training collars, and hanging objects from collars are allowed.

Rule 5. Any dog fouling the ring will receive a white ribbon. Owners should collect all dog waste in plastic bags and put in trash.

Rule 6. Baiting dogs is not allowed.

Rule 7. Dogs are not allowed to run off leash.

Rule 8. Any breed or mixed breed of dog is eligible to compete. The dog must be owned by or in possession of the handler or his/her immediate family.

Rule 9. Good sportsmanship shall be observed at all times. Result of power sportsmanship may lead to loss of ribbon, class dismissal, or disqualification from the show as determined by the show organized and judge(s).

Rule 10. A 4-H story and picture of the animal should accompany the entry. (They will be left on display.) This will be due on Tuesday evening in the 4-H Exhibit Hall.

Dog Showmanship

Entries will be judged on fitting of dog including: clean and well brushed, tone and condition of coat, healthy appearance, teeth, toenails, and eyes. Handler will be judged on alertness, grace, and ease, coordination with dog and reaction of dog to handler with straight and even gait and movement of dog.

Entomology

Superintendent: Jayden Mishler, Jessica Mishler

A 4-H Member may exhibit in the ENTOMOLOGY COLLECTION, ENTOMOLOGY NOTEBOOK and/or EDUCATIONAL DISPLAY categories. Within each category there are classes in Beginning, Intermediate or Advanced phases in which they enroll. An Introductory Entomology Collection Class exhibit is encouraged for county fairs (1st year members only), but these may not be exhibits at the Kansas State Fair. See class descriptions within categories for requirements. We are transitioning from the taxonomy as listed in the “Insects in Kansas” book to the taxonomy listed on the “Insects in Kansas Book: 2016 Revised Taxonomy” which follows www.bugguide.net. Resources for exhibiting can be found on the State Kansas 4-H Website: <http://www.kansas4-h.org/projects/agriculture-and-natural-resources/entomology.html>

Collection Classes

General Guidelines

Rule 1. All entries should be submitted in an 18” x 24” x 3.5” wooden display box with a clear plastic top (such as Plexiglas). Boxes can be handmade or purchased as long as they are of the correct size. Please visit the website previously listed for box instructions and plans.

Rule 2. During the transition, Order and Family names should follow the taxonomy either as printed:

A. In “Insects in Kansas” book

B. On the “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net

Project members are encouraged to progress towards option B by 2019 or as revised “Insects in Kansas” book is available.

Rule 3. Each exhibitor is required to identify each box with 2 identification labels bearing exhibitor’s name, district/county, the class, and statement of taxonomy used. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so it can be displayed lengthwise.

Rule 4. The number of Orders, Families (when required), and Specimens must be included on both of the exhibitor’s box identification labels. Only adult specimens can be used in collection boxes; however 1 female and 1 male of a species correctly identified can be displayed.

Rule 5. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Arrangements that run lengthwise of the box are frequently downgraded in judging. Specimens are to be arranged by Order in the box, then Family (where required). The sequence arrangement of the orders in the box will be left up to the 4-H Member. It is suggested to put the Lepidoptera and Coleoptera in the center of the collection (Intermediate & Advanced Classes put these 2 Orders in a box) then work the other Orders around them.

Rule 6. For each collection class, 2 labels will be centered on the pin beneath each specimen. First pin (closest to the specimen), is the common name label and the second label should include the pin beneath each specimen. First pin (closest to the specimen), is the common name label and the second label should include date/locality. Full county name, state abbreviation and collector name on the second label will be required by 2019. Collector’s name on the date/locality label is optional.

Rule 7. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from 1 county into bordering states and labeled accordingly. Other specimens from the United States may be included as long as they

are properly labeled and placed in a separate section of the box labeled "Out of State Insects". These specimens will not be included in the county for judging/scoring. Emphasis in judging will be placed on the overall variety of insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens, and overall arrangement and appearance of the collection.

Rule 8. Only specimens of the class Insecta should be included. This means specimens from arachnids, such as spiders, millipedes, centipedes, ticks, mites, etc. will not be judged or included in overall specimen count.

Rule 9. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.

Rule 10. Specimens of soft bodied insects such as aphids, lice, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become lost in transit.

Rule 11. Points will be deducted from collections and notebooks if:

- A. Non-insects and out of state specimens are not in a designated 'display only' area.
- B. Any specimens are immature.

*Class 39. "Mini-Bug Box" (This Class is for the Younger 4-H Members That Are Just Getting Started with an Insect Collection. Collection Must be a Display of 15 - 30 Insects Containing a Minimum of 6 Orders. These Collections are to be Exhibited in a Small Cardboard or Plastic Display Box, (1 or 2 Boxes with Total Display Area Not More Than 130 Square Inches). Boxes Can Be Purchased from a Biological Supply Company and Can be Homemade by Placing a Layer of Polystyrene Foam in the Bottom of a Shoe Box or Storage Container. (While on Exhibit, Cover Top of the Boxes with a Piece of Plastic Wrap.)

Class 40. Beginning I Entomology Collection: Display in One Standard Box a Minimum of 50 and Maximum of 125 Species Representing At Least 7 Orders. Follow the General Guidelines Listed for Collections. 4-H Members Can Exhibit in this Class a Maximum of 3 Years, or Until They Receive a Purple Ribbon at the Kansas State Fair, Whichever Comes First.

Class 41. Beginning II Entomology Collection: Display in One Standard Box a Minimum of 75 and Maximum of 150 Species Representing At Least 9 Orders. Follow the General Guidelines Listed for Collections. 4-H Members Can Exhibit in this Class a Maximum of 3 Years, or Until They Receive a Purple Ribbon at the Kansas State Fair, Whichever Comes First.

Class 42. Intermediate Entomology Collection: Display a Minimum of 100 and a Maximum of 300 Species Representing At Least 10 Orders. Two Standard Boxes Can Be Used. Follow the General Guidelines Listed for Collections. In Addition, Family Identification is Required for All Insects in Any 2 of the Following 6 Orders: (Only 2 Will Be Counted for Judging).

- A. "Insects in Kansas" Book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera
- B. "Insects in Kansas Book: 2016 Revised Taxonomy", which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera.

On a Piece of Paper, List What You Did to Improve Your Collection During the Current Year. (Examples: What Insects Did You Add or Replace; What Orders and/or Families You Added; What Leadership You Provided in this Project; and/or What Insects You Have Studied.) Attach Paper to the Front of One of the Display Boxes. 4-H Members Can Exhibit in This Class a Maximum of 3 Years or Until They Receive a Purple Ribbon at the Kansas State Fair, Whichever Comes First.

Class 43. Advanced Entomology Collection: Display a Mini

num of 150 and a Maximum of 450 Species Representing At Least 12 Orders. Three Standard Boxes Can Be Used. Follow the General Guidelines Listed for Collections. Family Identification is Required for All Insects Belonging to the 6 Basic Orders as Outlined Under the Intermediate Phase. Only Families in the Above 6 Orders Will Be Counted for Judging. Family Identification of Insects in the Remaining Orders is Optional, But Desirable as Long as Accuracy is Maintained. On a Piece of Paper, List What You Did to Improve Your Collection During the Current Year. (Examples: What Insects Did You Add or Replace; What Orders and/or Families You Added; What Leadership You Provided in this Project; and/or What Insects You Have Studied). Attach Paper to the Back of One of the Display Boxes. 4-H Members May Continue to Exhibit in this Class at the Kansas State Fair for an Unrestricted Number of Years as Long as They Remain Eligible for 4-H Membership.

Notebook Classes

General Guidelines

Rule 1. Individual entries are to be placed for display in a three-ring notebook for competition.

Rule 2. During the transition, Orders and Family names should follow the taxonomy either as printed:

- A. In “Insects in Kansas” book;
- B. On the “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net. Project members are encouraged to progress towards option B by 2019 or as revised “Insects in Kansas” book is available.

Rule 3. 4-H Members who have been previously enrolled in or are currently enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory Phase.

Rule 4. Each exhibitor is required to identify the notebook by placing a “Title Page” in the front of the notebook bearing the exhibitor’s name, district/county, and class 4-H Member is enrolled in and statement of taxonomy used:

- A. “Insects in Kansas” book
- B. “Insects in Kansas Book: 2016 Revised Taxonomy”, which follows www.bugguide.net. The number of Orders, Family (when required), and specimens (required in Intermediate and Advanced classes), must also be included on the “Title Page”.

Rule 5. Specimen pages should be grouped according to Order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used.

Rule 6. Date, common name, full county name, state abbreviation and collector name should be included for each species. Collector’s name on the specimen page is optional.

Rule 7. Specimen pages should have 2 different views of the insect if possible. If pictures are taken on different dates/localities, include information for both.

Rule 8. A statement describing the habitat where found/host plant may be included and is encouraged and will be worth a bonus 10 points total, not per page. For Intermediate and Advanced notebooks, this is strongly encouraged.

Rule 9. For the Intermediate and Advanced classes, insects are also to be grouped by Family behind each Order divider.

Rule 10. For the Intermediate and Advanced classes, insects are to be grouped by Family behind each Order divider.

Rule 11. If the exhibitor has been in the same class for more than a year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place the paper just behind the “Title Page” in the front of the notebook.

Rule 12. A special project must be completed each year and included in the notebook. See project guideline materials for specifications.

Class 44. Introductory Entomology Notebook: Display a Minimum of 10 and a Maximum of 30 Insect Species Representing At Least 6 Different Orders. Follow the General Guidelines Listed for Notebooks, Including the Special Project. A 4-H Member Must Be of Minimum Age to Compete at the Kansas State Fair. A 4-H Member May Exhibit in this Class for a Maximum of 2 Years, or Until They Receive a Purple Ribbon at the Kansas State Fair, Whichever Comes First.

Class 45. Beginning Entomology Notebook: Display a Minimum of 20 and a Maximum of 60 Insect Species Representing At Least 7 Different Orders. Follow the General Guidelines Listed for All Notebooks, Including the Special Project. A 4-H Member May Exhibit in this Class a Maximum of 3 Years, or Until They Receive a Purple Ribbon at the Kansas State Fair, Whichever Comes First.

Class 46. Intermediate Entomology Notebook: Display a Minimum of 60 and a Maximum of 100 Species Representing At Least 9 Orders. Follow the General Guidelines Listed for Notebooks, Including the Special Project. In Addition, Family Identification is Required for All Insects in Any 2 of the Following 6 Orders: (Only 2 Will be Counted for Judging).

A. "Insects in Kansas" book - Orthoptera, Hemiptera, Homoptera, Hymenoptera, and/or Diptera

B. "Insects in Kansas Book: 2016 Revised Taxonomy" which follows www.bugguide.net - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera

A 4-H Member May Exhibit in This Class for a Maximum of 3 Years, or Until They Receive a Purple Ribbon at the Kansas State Fair, Whichever Comes First.

Class 47. Advanced Entomology Notebook: Display a Minimum of 100 and a Maximum of 200 Species Representing At Least 12 Orders. Follow the General Guidelines Listed for Notebooks, Including the Special Project. Family Identification is Required for All Insects Belonging to the 6 Basic Orders as Outlined Under the Intermediate Phase. Only Families in the Above 6 Orders Will Be Counted for Judging. Family Identification in the Remaining Orders is Optional, but Desirable as Long as Accuracy is Maintained. 4-H Members May Continue to Exhibit in This Class for an Unrestricted Number of Years as Long as They Remain Eligible for 4-H Membership.

Educational Display Classes

General Guidelines

Rule 1. *Collection Classes: General Guidelines* - Refer to Rule 1.

Rule 2. *Collection Classes: General Guidelines* - Refer to Rule 3. Information on numbers and kinds of insects is not needed for educational exhibits.

Rule 3. Displays may consist of specialized groups of insects or their close relatives, or relate to any aspect of their behavior, biology or ecology.

Rule 4. Displays should be presented in a clear, concise, and interesting manner.

Rule 5. Displays should include only work performed during the current year.

Rule 6. Title of the exhibit should be indicated inside the box.

Rule 7. The purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc. of insects and related arthropods. Subject matter can be as varied as the animals themselves.

Class 48. Beginning Educational Display: Class for Individuals

That are Exhibiting in the Beginning I and II Collection or Beginning Notebook Classes. If Only Exhibiting in This Category, Then Ages 9 - 12. Follow the General Guidelines Listed for Educational Displays.

Forestry

Rule 1. All leaf exhibits are to be mounted on heavy 8.5" x 11" stock paper and placed in loose-leaf binders. (Magnetic or adhesive filler sheets for photographic prints are recommended). Twigs and fruit collections may be exhibited in whatever manner you choose (maximum exhibit size 2' x 3'.)

Rule 2. Name, club, age, and year in project should be on the front cover or in a prominent location.

Rule 3. Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include:

- A. Proper common name as listed in the 4-H Bulletin 4H334, "*Lists of Native Kansas forest Trees*";
- B. Location (city and/or county) where collected;
- C. Date (day, month, year) collected

Rule 4. Intermediate Forester may exhibit only in phase(s) enrolled.

Rule 5. Senior Forester enrolled in Self-Determined may exhibit in Self-Determined Forestry at the Kansas State Fair.

Rule 6. Divide specimens into the following to sections: Native Kansas Trees and Non-Native Kansas Trees.

Rule 7. New specimens are those specimens collected during the current 4-H year. They cannot be duplicate species of a previous specimen.

Rule 8. Group specimens according to the years collected (ex. "old-previous years" and "new").

Rule 9. When replacing a previously displayed sample, the label must be updated and the specimen displayed in the "old-previous" section. Replacements do not count as new specimens. Replacements should be displayed in the "old-previous" section of the display.

Rule 10. Variations of varieties do not count as different species or specimens.

Rule 11. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.

Rule 12. In all leaf collections (Division A-Intermediate Forester), exhibit one complete leaf when possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. *Note: A "leaflet" is incorrect when displayed as the complete leaf for a tree.*

Division A - Intermediate Forester

Knowing Trees as Individuals

(Leaf Collections)**

Class 51. Beginning (Choose Either A or B)

- A. Exhibit a Minimum of 10 Different Leaves From Native Kansas Trees Collected Within a Year. Exhibit Can Include

Non-Native Leaves in Addition to the Required Number of Leaf Specimens Collected From Native Kansas Trees.

B. Exhibit a Minimum of 5 Native Kansas Trees Showing Leaf, Twig and Fruit From Each Species Collected.

Class 52. Intermediate (Choose Either A or B)

A. Exhibit a Minimum of 20 Different Leaves (Including 10 New Specimens) From Native Kansas Trees. Exhibit Can Include Non-Native Leaves in Addition to the Required Leaf Specimens Collected From Native Kansas Trees.

B. Exhibit a Minimum of 10 Native Kansas Trees Showing Leaf, Twig and Fruit From Each Species Collected (Including 5 New Specimens).

Class 53. Senior (Choose Either A or B)

A. Exhibit a Minimum of 30 Different Leaves (Including 10 New Specimens) From Native Kansas Trees. Exhibit Can Include Non-Native Leaves in Addition to the Required Number of Leaf Specimens Collected From Native Kansas Trees.

B. Exhibit a Minimum of 15 Native Kansas Trees Showing Leaf, Twig, and Fruit From Each Species Collected (Including 5 New Specimens).

Class 54. Advanced (Choose Either A or B)

A. Exhibit a Minimum of 40 Different Leaves (Including 20 New Specimens) From Native Kansas Trees. Exhibit Can Include Non-Native Leaves in Addition to the Required Number of Leaf Specimens Collected From Native Kansas Trees.

B. Exhibit a Minimum of 20 Native Kansas Trees Showing Leaf, Twig, and Fruit From Each Species Collected (Including 10 New Specimens).

How a Tree Grows

Class 55. Display: Entry May Include a Project Notebook With 10 or More Seeds Collected. Include Pictures Showing a Germinatin Study or a Mounting of a Thin Section of Wood (Cut From the End of a Log or Top of a Stump), Labeled With Information Such as the Kind of Wood and the Age of the Trees When Cut, or an Illustration of How a Tree Grows.

Tree Appreciation

Class 56. Display: Entry May Include a Research or Reporting Project Notebook With No More Than 10 Pages Based on the Exhibitor's Selected Tree. This Notebook May Include Sketches, Drawings, Pictures, a Story, or Various Other Things Which Will Describe the Tree You Have Selected.

Division B - Senior Forester **Growing and Protecting Trees**

Class 57. Display: Entry Requires a Project Notebook Telling About the Project and Pictures Before, During, and After Planting Seeding.

Tree Culture

Class 58. Entry Requires a Project Notebook Showing Your Project Work and Includes Pictures Before, During and After Wood Lot Improvement.

How Forests Serve Us

Class 59. Display: Entry May Include cCollected Wood Samples (All or Partial) and a 500 Word Essay. Wood Sample Display to be Mounted on a Poster Board or Any Stiff Material No Larger Than a 3' x 4' Tri-Fold. Essay Should Be Displayed in a Covered Binder.

Educational/Creative Exhibit

Class 60. Open: Entry Must Be Directly Related to Tree Identification or Forestry. Type of Exhibit is Open. (Notebook, Poster, Collection Box, etc.). Exhibit Should be a Maximum Tri-Fold

Size of 3' x 4'. Care Should be Taken to Use Durable Materials That Will Withstand Fair Conditions. This is a Good Class to Exhibit an Unusual Collection.

Fiber Arts

*Superintendents: Francois Geer, Kalyna Geer, Morne
Geer*

Fiber Arts is defined as any method of creating a unique design with fiber, fabric or yarn. This may include: making fabric (such as weaving, crocheting, knitting, needlepoint); or when existing fabric is changed into something quite different (such as quilting, embroidery or ethnic art).

Rule 1. Identification Label

A. Type or Print on 3" x 2.5" piece of cloth: Class Number, County/District, Exhibitor's Name.

B. Sew or safety pin this ID label on the corner of flat articles.

C. For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garment.

Rule 2. A 4-H Member may enter only 1 exhibit in each class, with a total of up to 3 Fiber Arts exhibits. All articles/garments must be finished for use.

Rule 3. When articles which are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles together securely with yarn.

Rule 4. Special consideration will be given to articles which are of original design. Such articles should have a note attached explaining the original design.

Rule 5. The exhibitor should attach an index card, no larger than 3" x 5", with the entry card to give the judge any information on what parts of the exhibit they made, processes used, or information which the exhibitor thinks would be helpful for the judge. Please indicate if items were made from a kit. For all items please indicate fiber content, specifically if they are made of at least 90% wool. For quilted items indicate who did the quilting and binding.

Rule 6. Exhibitors are expected to be enrolled in the Fiber Arts project in which they are entered. When the exhibit is a sewn garment that also includes one or more Fiber Art techniques (such as knitting, corchet, needle arts, or patchwork and quilting), the determination of what division (Sewing & Textiles or Fiber Arts) and class in which to enter will be left with the 4-H Member.

Rule 7. All exhibits which need to be hung MUST have the appropriate saw tooth hanger, rod, wire or other mechanics attached in order to be properly displayed. If necessary hardware is not attached, it may not be displayed.

Rule 8. There are no age-specific classes in Fiber Arts.

Class 35. Crochet - An Article (See Rule #5)

Class 36. Knitting - An Article, Made Either By Hand or By

Knitting Machine (See Rule #5)

Class 37. Needle Arts - An Article, Made Either By Hand or By Using Any of the Following Techniques: Embroidery, Cross-Stitch, Needlepoint, Candlewicking, Crewel, Lacework and/or Applique.

Class 38. Patchwork or Quilted Article, It Is An Acceptable Practice for the Exhibitor to Create the Patchwork or Quilted Article and Have Someone Else Quilt It (See Rule #5)

Class 39. Rug Making - Rug, Acceptable Techniques Include: Braiding, Latch Hook, Tying, Floor Cloth, etc. The Finished Product Should Be an Item That Would Be Appropriate For Use in the Home

Class 40. Spinning - Skein (Minimum 10 Yards in Length)

Class 41. Weaving/Woven Article, Exhibitors Should Attach Information About the Type of Loom or Process Used (See Rule 5). (Potholders, etc.)

Class 42. Ethnic Arts - An Article, Defined as a Fiber Arts Technique That is Associated With a Specific Country or Culture. It is a Practical Skill That Was Developed to Provide Basic Family Needs Such as Apparel, Home Furnishings or Decorations. It is Also Defined as a Method That Has Been Maintained Throughout History and Passed on to Others, Often by Observation and by Example, Such as Batik, Swedish Huck Towel Weaving, Tatting, etc. 4-H Members Should Attach Information on the History of the Ethnic Fiber Art, Where It Was Used, By Whom, How It Was Used, A Short Description of the Technique, Etc. (See Rule #5)

Foods & Nutrition

Superintendents: Carley Cooper, Blaise Lager, Linda Lager

Rule 1. A 4-H Member may enter 1 item per class (unless otherwise noted). Complete recipes with ingredients and instructions must be attached with the entry. Exhibitors not following all rules will be lowered one ribbon placing when judged. "Flop" Food Entry not eligible for Grand or Reserve placings.

Rule 2. For food safety purposes, any food with custard and dairy-based fillings and frostings (ex. cream cheese, whipped cream, etc.), raw eggs, flavored oils, "canned" bread or bread/cake in a jar, or any food requiring refrigeration (ex. bacon) will be disqualified and not judged. Refer to K-State Research and Extension publication, 4H888, "Judge's Guide for Food and Nutrition Exhibits", for information to help you make informed, safe food exhibit decisions.

Rule 3. Alcohol (ex. wine, beer, and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not judged.

Rule 4. All baked goods must be left whole and uncut. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 bread sticks, 1 loaf bread, etc.

Rule 5. Any baked product that can be removed from the pan should be placed on paper plates, covered cardboard boxes, or a disposable container. **Do not use non-disposable containers (pie plates, cakes carriers, etc.)** Only the exhibit is judged. The container is not judged.

Rule 6. Carefully secure the entry card and recipe to the outside of the wrapped exhibit. Do not wrap forms in plastic. The exhibitor is encouraged to attach a 3" x 5" index card with the entry

card to give the judge any information which the exhibitor thinks would be helpful for the judge to know.

Rule 7. All unfrosted cakes should be exhibited in an upright position with crust showing. The exception is for those cakes with special designs such as bundt cakes. They should have top crust side down.

Rule 8. For food safety reasons, under baked entries will not be judged or sold.

Rule 9. Educational Exhibit - Refer to Rule 10 under the 4-H, FFA and Scouts: General Rules & Regulations. The Educational Exhibit Evaluation form will be provided at judging time.

NOTE: A collection of your favorite recipes in a recipe box or notebook does not constitute an educational exhibit.

Rule 10. A decorated food item must be a food item, not a decorated box. Cakes & frosting should be made from scratch.

Rule 11. Dried foods are to be exhibited in Food Preservation.

Rule 12. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/filling recipe only. Calculation must be attached to the entry, or the placing will be lowered one ribbon when judged. Frosting and fillings need to contain more than 65% sugar for safety. Examples on how to calculate this percentage are included in the publication located at: <https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf>

Rule 1. All exhibits which need to be hung MUST have a wire hanger attached. No Saw Tooth hangers. Items should be marked to indicate if they are part of a multi-piece set. All art will be judged on overall appearance, including neatness, individual creativity, free expression, developmental levels, and the ability to follow directions.

Rule 2. Each exhibit is to be labeled. Label should be attached in an inconspicuous place and should contain name of exhibit, department number, class, and exhibitors name.

Rule 3. Pictures must be originals, not copies.

Rule 4. 4-H Members should exhibit in the project in which they are enrolled. The Fiber Arts Project offers classes for quilting, embroidery, etc.

Rule 5. All exhibits are entered at your own risk.

Rule 6. State Fair rules for Arts and Crafts: *Each county is allowed a specific number of exhibits, according to the number of members enrolled in the project. *Art and craft items are displayed at the State Fair and will receive participation ribbons for being on display. Some artwork will be selected to be on display at Rock Spring's 4-H Center during the year. If one exhibitor has both Grand and Reserve in Junior or Senior Division, then it will be Judge's Choice for State Fair Selection.*

Rule 7. Leather Craft Work kits are allowed. No other kits allowed (i.e. Paint by Numbers, Diamond Art, Etc.)

Photography

*Superintendents: Hayden Beckman, Janel Beckman,
Aubree Carver, Sarah Carver, Amanda Ostmeyer, La Rynn
Rumback*

Rule 1. Exhibitor may enter up to 3 photos in each class, but no more than 6 total entries.

Rule 2. Photographs entered must be the result of the current year's project work by the 4-H Member. Photos images must be taken by the exhibitor.

Rule 3. Photos are to be mounted across the narrow (11") dimension of 11" x 12.5" sheet of white or cream studio mount. Do not use foam cardboard. Photos mounted on poster board will not be displayed. (See illustration on page 17).

Rule 4. Remove white border from enlargement before mounting. All photos must be no larger than 8" x 10" and no smaller than 7" x 9", after trimming.

Rule 5. Photos must be mounted with the top edge of the print 1" below the top of the mount. The sides of the print must be an equal distance from the two sides of the mount.

Rule 6. A permanent mount must be made by using any photographic adhesive that is labeled for use on photographs. (Purchase mounting boards at the Extension Office).

Rule 7. No lettering, including date, is permitted on the front

of the mount or on the photo. No underlay or borders are to be used.

Rule 8. Nothing shall be written directly on mount, front or back. Exhibitors name may be written on a 3" x 5" index card to be attached, non-permanently or within the photo sleeve, on back.

Rule 9. To protect exhibits from dust and moisture, place photo in a Photo Sleeve or two-gallon self-sealing bag.

Rule 10. Improperly mounted photos (including prints with the white borders not removed) will be awarded a ribbon one placing lower than the placing determined by the official judge.

Rule 11. Photographs taken with a digital camera and having no one-click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard Color or Black & White classes.

Rule 12. The Black & White Class is for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class.

Rule 13. Photo albums must include 20 or more snapshots.

Rule 14. The photo sequence must include at least 3 snapshot photos telling a story. They are to be mounted on poster board.

Rule 15. Classes will be divided into three experience level groups:

3 Years or Less Experience

4 to 7 Years Experience

8 or More Years Experience

Rule 16. Photos with live subject(s) on railroads or taken from a railroad right of way property will not be displayed in Kansas 4-H Photography and will be disqualified and not judged.

Class 51. Color Photo (Taken by a 4-H Member with 3 Years or Less in the Project)

Class 52. Color Photo (Taken by a 4-H Member with 4 to 7 Years in the Project)

Class 53. Color Photo (Taken by a 4-H Member with 8 or More Years in the Project)

*Class 61. Career Portfolio (8+ Years Experience)

Class 62. My Favorite Photography

A. This is a "display only" class

B. Eligible members have enrolled in photography for ten (10) or more years.

C. Requirements are:

1. Choose a total of four (4) of your favorite photos from any of the years enrolled in photography. If used previously in competitive exhibits, remove all data slips and stickers.

If the photo is an unmounted print, mount it using standard 4-H requirements and mat board.

2. Develop a short biography piece.

• Tell how/when an interest in photography began.

• Explain why each of the four photos is a favorite.

• Share the skills learned because of photography. Think beyond camera skills and include leadership, community service, etc.

• Share workshops or camps pertaining to photography you attended.

• Explain (if relevant) any plans to use photography skills beyond 4-H/High School

• Include a small (2" x 3") photo of yourself at the start

of the biography.

- Print the biography document and mount it on a standard mount board.
- 3. Place name and Extension unit on the back of each of the 5 mount boards in the upper right-hand corner.
- 4. This exhibit does not have to qualify at the county/district level to exhibit at the Kansas State Fair.
- 5. There is no data slip required.
- 6. A member who qualifies to exhibit in this class is still allowed to enter two prints and a portfolio for judging if qualifications for those classes are met at the State Fair.

DEPARTMENT W - ENGINEERING & TECHNOLOGY

Electric and Renewable Energy

Superintendents: Dominic Mishler, Jessica Mishler

Rule 1. Only those who have met the requirements of the Electric and Renewable Energy Project are eligible to exhibit in this division.

Rule 2. An exhibitor may enter up to two articles in this division, but only one article per class.

Rule 3. Articles that have been in use should be cleaned for exhibit.

Rule 4. A sheet of operating instructions must be furnished for any exhibit not self-explanatory.

Rule 5. Exhibit must be operable. If battery power is required, batteries must be furnished.

Rule 6. Any project with a complexity of size or electronics must have:

A. Instructions for assembly and use

B. Equipment available at the time of judging for actual testing for the exhibit

Rule 7. No hand-dripped solder may be used on exhibits.

Rule 8. Each exhibit must have a scorecard attached. This scorecard is available from the Extension Office.

Electrical and Electronics

Superintendents: Dominic Mishler, Jessica Mishler

Class 1. AC Electrical Projects (Projects With a 110/120V Alternating Current [AC] Power Source). Examples Include: Household Wiring Demonstrations, Small Appliance Extension Cords, Trouble Lights, Indoor or Outdoor Wiring Boards, and Shop Lights. Projects May Be a Restoration or Original Construction. The Project Must Be Operational and Meet Minimum Safety Standards. AC Projects Must Be 110/120 V, No 240 V Exhibits Are Allowed, and Must Be Constructed Such That the Judge(s) Have Wiring Access to Examine the Quality and Safety of Workmanship.

Class 2. DC Electrical Projects (Projects With a Battery or Direct Current Power Source): This Class Includes Electric Kits or Original Projects. This Class Also Includes Demonstration DC Powered Projects. Examples Include: Wiring Two or Three Way Switches, Difference Between Series/Parallel Lighting Circuits, and Wiring Doorbell Switches. All DC Electric Projects Must

Include Batteries Supplied by the 4-H Member. Projects Must Be Constructed Such That the Judge(s) Have Access to Examine the Quality of Wiring Workmanship.

Class 3. Electric Projects (Projects With a Battery or Direct Current Power Source): This Class Includes Electronic Kits or Original Projects. Examples Include: Radios, Telephones, Toy Robots, Light Meters, and Security Systems. Exhibits May Be Constructed Using Printed Circuit Board, Wire Warp, or Breadboard Techniques. Include Instruction/Assembly Manual if Project is Constructed From a Kit. Include Plans if an Original Project. Projects Must Be Constructed Such That the Judge(s) Have Access to Examine the Quality of Wiring Workmanship.

Class 4. Educational Displays and Exhibits: This Class Includes Any Educational Displays, Exhibits or Science Fair Projects Which DO NOT Have a Power Source. (Ex: Exhibits, Posters, or Displays of Wire Types, Conduit Types, Electrical Safety, Tool or Motor Parts Identification or Electrical Terminology). Educational Displays and Exhibits Must Be Legible From a Distance of 4'.

Small Engines

Superintendents: Dominic Mishler, Jessica Mishler

All exhibits should involve engines smaller than 20 horsepower for Classes 5 - 7. Displays are limited to 4' wide and 4' deep - both upright and floor displays. Maximum tri-fold size is 3' x 4'.

Class 5. Display: Exhibit a Display, Selecting One of the Following Options:

- 1) A Display Identifying Different Engine or Lawn and Garden Equipment Parts or a Display Showing the Function of the Various Engine or Lawn and Garden Equipment Parts;
- 2) A Display Identifying and Explaining the Function of Different Special Tools Needed for Small Engine Work;
- 3) A Display Illustrating and Providing the Results of Any One of Experiments That Are Included in the Project Books.

No Complete Engines, Lawn Tractors, Tillers, Chainsaws Are Permitted for Display.

Class 6. Maintenance: Exhibit a Display That Illustrates Either Routine Maintenance Procedures or Diagnosing and Trouble Shooting Specific Problems in an Engine. No Complete Engines, Lawn Tractors, Tillers, Chainsaws Are Permitted for Display.

Class 7. Operation: Exhibit an Operable Small Engine (No More Than 20 HP) Overhauled or Rebuilt by the 4-H Member. Include Maintenance Schedule for the Engine and a Brief Description of Steps Taken by the 4-H Member Overhauling or Rebuilding the Engine. Engine Should Contain No Fuel in Tank or Carburetor.

Wind Alternative Energy

Superintendents: Dominic Mishler, Jessica Mishler

A form of energy derived from a natural source, such as the Sun, geothermal, wind, tides or waves. All exhibits in this division are limited in size to standards, tri-fold, display boards (36" x 48") and items may not extend beyond 12" from the backboard. All displays must be self standing.

Class 8. Educational Display: Exhibit a Display, Selecting One of the Following Options:

- A) Create an Exhibit That Addresses a Focused Topic Related to Wind Power as a Renewable Energy Source. The Purpose of the Exhibit is to Inform and Create Awareness.
- B) Create an Exhibit That Addresses a Focused Topic Related to Power Generated From a Renewable Energy Source. The Purpose of the Exhibit is to Inform and Create Awareness.

Class 9. Experiment: Display an Experiment Addressing a Problem or Question Related to Wind Power as a Renewable Energy Source. Include Hypothesis, Background Research, Variables, a Control Group, Data, Findings, Conclusions and Recommendations for Future Study.

Aerospace/Rocketry

Superintendents: Dominic Mishler, Jessica Mishler

General Definitions for All Categories

Rule 1. As defined by the National Association of Rocketry (NAR), a scale model is “any model rocket that is a true scale model of an existing or historical guided missile, rocket vehicle, or space vehicle, that has flown under rocket power.” The intent of scale modeling is, according to the NAR, “is to produce an accurate, flying replica of a real rocket powered vehicle that is judged for craftsmanship in construction, finish and flight performance.” (NAR Model Rocket Sporting Code 2.1 <https://www.nar.org/contest-flying/competition-guide/>)

Rule 2. For the purposes of Kansas 4-H SpaceTech, a high powered rocket is defined as a rocket that meets any of the following criteria:

- A. 2” or greater in diameter (not including fins) and taller than 3’ (36” including fins)
- B. Weighs more than 3.3125 pounds (53 ounces or 150001 lb. (16 oz.) at the time of launch.
- C. Uses an E™ engine or larger to launch (2D™s, 4C™s, 8B™s, etc.)
- D. Total impulse of all engines used in the rocket is greater than 20.01 Newton-seconds of thrust.

Rule 3. For the purposes of Kansas 4-H SpaceTech, no rocket may be launched using engines totaling more than 1™ impulse engine or 640 Newton-seconds of total thrust.

Rule 4. NAR refers to the National Association of Rocketry, and its governing board.

Rule 5. All NAR documents, referenced herein can be found at: <http://www.nar.org>

Rule 6. NAR rules for launching and construction of all rockets are assumed to be used by all 4-H SpaceTech exhibitors.

Rule 7. Adult supervision is defined as being under the direct supervision of someone 18 years of age or older.

Rule 8. High power certification is defined as having successfully completed a certification program for high-powered rocketry through the NAR and maintaining that certification. This applies to all membership levels in the NAR.

Rule 9. Relevant documents may be obtained from the Extension Office.

Rule 10. Each exhibitor may enter up to 2 rockets that have been constructed during the current year. If 2 rockets are entered, 1 rocket must be a “kit” and the 2nd may be entered into any other applicable class. To exhibit in this division, the rocket must have been flown. Support rods must not extend past the tip of the highest nosecone on the model. Support rods must remain in the upright position. Do not angle. NO model may be submitted on a launch pad.

Rule 11. Engines/igniters are not permitted with the exhibit and constitute an immediate disqualification. The only exception to this is the use of a “spent” engine as a permanently affixed structural component of a display base. When a “spent” engine is used in this manner the casing must be completely hollow from one end of the “spent” engine to the other. This hollowing of the “spent” engine includes removal of the nozzle. DO NOT USE engines that still contain propellant.

Rule 12. The report that accompanies the rocket must be limited to the 4-H SpaceTech Rocket Exhibit Information form which is glued to a 10” x 13” envelope.

Rule 13. Plans must be placed inside the envelope (can be a

copy). This includes original design rockets. If a rocket kit has been modified structurally, notations need to be given indicating the changes made. One or more photographs of the rocket at the launch site are required. Photographs showing the rocket at the moment of ignition are preferred. Photographs should be mounted on one side of 8.5" x 11" page(s). Include at least 1 page of photos but no more than 5 pages.

Rule 14. For a rocket entered in the original design classes, describe in the summary how the rocket was tested for stability prior to flying.

Rule 15. The altitude achieved by the rocket is to be determined using a method other than estimation. Examples of accepted methods include: altimeter, computer software, range finders, etc.

General Construction Guidelines for All Categories

Rule 1. Angles of fins must call withing +/- 2 degree variation using an approved fin alignment guide (such as DGD 031989).

Rule 2. Exhibits must be uniformly painting, smoothly finished, and have decals applied smoothly. Fins should be rounded or streamlined. Fins and body tubes are to be sealed to eliminate the appearance of body grooves and wood grain. Any seams on plastic parts are to be sanded smooth. The rocket is to be properly assembled. Fins and launch lugs are to be filleted to reduce drag and properly secure them to the model. The nosecone is to fit snugly but still allow for easy removal. If the shock cord frequently becomes stuck between the nosecone and body, it should be trimmed.

Rule 3. Models may not be judged based on their paint scheme, with the exception of rockets that fit the definition of a "scale model". These "scale models" may be judged based on the paint scheme. All other rockets may deviate from the suggested paint scheme, allowing the 4-H Member to display maximum creativity in the finishing of his/her rocket. Under no circumstances is the weight given to the paint scheme to be sufficient enough, by itself, to move the model from one ribbon placing to another.

Rule 4. Flight damage is to be documented by the participant. The judging of flight damage is to be secondary to all other aspects of the model and only then may it be considered. However under no circumstance may flight damage be grounds for disqualification.

Rule 5. Beginner kits with prefabricated fin assemblies and pre-finished rockets requiring no painting are not acceptable, and will be given a participation ribbon.

Rule 6. Original design rockets cannot be a modification of a pre-existing kit and must be of original design.

Rule 7. Multi-stage rockets can be flown using just the final stage and be considered fully flown.

Rocketry Guidelines

Rule 1. 4-H Members must be currently enrolled in the 4-H SpaceTech - Rocketry Program to exhibit in this division.

Rule 2. Each rocket must be able to stand freely or be supported by a solid base, not to exceed 3/4" thick and 8 square inches.

Rule 3. All exhibitors must comply with the NAR Model Rocket Safety Code that is in effect as of Oct. 1st of the current 4-H year. However, in the event that there is a modification in this code the SpaceTech Action Team may review and implement the modified code.

Alternative Skins (Ages 14 and Up)

Alternative Skins are an advanced construction technique that allows the builders of model rockets to display maximum design and creativity in their models. Alternative Skins are thin coverings over a supporting skeleton that serve as the finish of

a rocket as opposed to painting.

Construction & Operating Rules

Rule 1. Use of Alternative Skins for model aircraft is permitted on rockets of original design provided adequate provisions are made to prevent the rocket from catching fire during all phases of flight.

Rule 2. When used in construction, Alternative Skins should not be used as primary structure for the rocket. The rocket should still be of sound design and construction to ensure safety for personnel performing launch activities as well as others who are in the nearby vicinity.

Types of Covering

Rule 1. Plastic shrink-type coatings used for radio control model aircraft are permitted. These can be obtained from various manufacturers and hobby suppliers.

Rule 2. Other types of fabric coverings such as cloth types, using coatings for stiffness are permitted as long as all of the rules set forth above are met.

Quality of Finish

When the above finishes are used, the following judging criteria will apply, in addition to those for judging other rocketry divisions.

Rule 1. Seams and transition areas will be uniform and even when they are needed in the construction.

Rule 2. Gaps and holes are not permitted in the covering especially where the fins or other stabilizing devices meet the main body of the rocket.

Rule 3. Omission of these skins from the bottom of the rocket is permissible. Paints and other types of coatings currently used for rocketry may be substituted in these areas.

Rule 4. Alternative Skins in this section may also be used in conjunction with paints on the rocket. However, care shall be taken to ensure that edges of the Alternative Skins will not peel off in flight.

Division A - Juniors

Class 11. Rocket Designed by Exhibitor, Not a Modification of an Existing Kit (Include Original Plans)

Division B - Seniors

Class 12. Rocket Made from Kit (Include Plans)

Class 13. Rocket Designed by Exhibitor, Not a Modification of an Existing Kit (Include Original Plans)

Class 14. Rocket Designed by Exhibitor that Uses Alternative Skins, Not a Modification of an Existing Kit (Include Original Plans)

Division C - 11 Years and Older

This class is designed to encourage teamwork among individuals and clubs to work on a rocket from the initial design to the finished project.

Class 15. Rocket Designed by 2 or More Exhibitors, Not a Modification of an Existing Kit (Include Original Plans)

High Power Rocketry Guidelines

Rule 1. 4-H Members must be currently enrolled in the 4-H SpaceTech Rocketry Program to exhibit in this division. Exhibitors must be at least 14 years of age by Jan. 1st of the current year.

Rule 2. The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division.

vision. As such, all exhibitors must comply with the NAR High Power Rocket Safety Code that is in effect as of October 1st of the current 4-H year. However, in the event that there is a modification in this code the SpaceTech Action Team may review and implement the modified code.

Rule 3. All rockets in this division are to be launched under adult supervision by the 4-H Member who constructed the rocket.

Rule 4. If a rocket is launched using an engine that has 160.1 Newton-seconds or larger (HTM engine or equivalent amount of smaller engines), adult supervision must be provided by an individual having at least a Level 1 High Power Certification. The 4-H Member should also hold or be attempting to attain their Level 1 High Power Certification, & should include supporting documentation of such.

Rule 5. According to the Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. In the case where the launch was a public event, an acceptable alternative to a copy of that waiver is the Range Safety Officer's (RSO) contact information.

Rule 6. High Power Rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to exceed 8 square inches and 3/4" thick.

Rule 7. Must add a High Power Information Form to the information packet that is completed for all rockets.

Rule 8. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's rocket (at the judge's discretion) will receive a participation ribbon. All information necessary will be given to the NAR and TRIPOLI for investigation and possible revocation of membership.

Astronomy

Superintendents: Dominic Mishler, Jessica Mishler

Rule 1. The 4-H Member must be currently enrolled in the 4-H Astronomy project to exhibit in this division. **Rule 2.** Each exhibitor may enter 1 exhibit per class. Exhibit must have been completed during the current 4-H year.

Rule 3. Telescopes entered in this division may be built from a kit or by original design. The design must be original, and not a modification of an existing kit. Pre-finished telescopes which require no construction or painting are not acceptable exhibits.

Rule 4. Telescopes are limited to no more than 6' in length. They must be placed on a stationary stand that does not allow the telescope to roll and/or fall over. The stand cannot exceed past 2' in length or width.

Rule 5. Each telescope exhibit must include a 4-H Astronomy Exhibit Information Form, which should be attached to the outside of a 10" x 13" manila envelope. You must also include construction plans (or a photocopy) of the telescope and place it inside the manila envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manila envelope is needed for these exhibits.

Rule 6. Two photographs showing telescope construction and operation are required. Photographs should be mounted on one side of an 8.5" x 11" page. A brief caption should accompany each photograph. Place photos in the 10" x 13" manila envelope.

Rule 7. The telescope must be properly assembled and painted with a smooth and uniform finish. Decals, if used, should be attached smooth and tight.

Rule 8. Educational Exhibits - Refer to Rule 10 under 4-H, FFA and Scouts: General Rules & Regulations.

Rule 9. Exhibits should be marked with Exhibitor's Name, District/County, Age, and Years in Project must be tagged or labeled in a prominent location on the telescope stand, educational display, notebook and/or poster.

Woodworking

Superintendents: Layne Juenemann, Roch Lager, Jude Lager

Rule 1. Each exhibitor is limited to one exhibit in this division.

Rule 2. The plan from which exhibit was constructed must be with the article exhibited. The plan may be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide.

Rule 3. Any project with missing or insufficient plans will be lowered one ribbon placing.

Rule 4. Any project that has glass that is not secured to the article (glass shelves, glass table top, etc.) should not be brought to the fair. Glass that is secured in a project (glass front of a gun case or cabinet, etc.) is permissible since it cannot be easily removed from the project.

Rule 5. Plans and all other paperwork should be secured to the project. Tape is usually not adequate to accomplish this. It is recommended to use a zip-top plastic bag with a hole punched through it. Use string to tie this to the exhibit.

Rule 6. Judging Woodwork articles, considerations will be given to: workmanship (including accuracy to the plan), design, choice of wood, usefulness, sustainability and quality of finish.

Rule 7. Refinished/repaired furniture should be exhibited in Interior Design & Architecture Class, Single Exhibit.

Rule 8. Projects made from pre-cut kits must be entered in the Pre-Cut Woodworking Kit class. Pre-cut kits are not eligible for entry at the Kansas State Fair.

Building Block Engineering (LEGO's)

Free Style Category: *The intent for this program is to allow youth to explore the construction and gain knowledge through interaction with a common toy. The Building Block Engineering exhibit area focuses on using architectural blocks ("LEGO's") to construct dioramas. This project allows youth to explore architectural design in a three-dimensional space. This division is not intended for youth wishing to exhibit constructed kits. Kits and non-diorama displays should not be displayed in this division.*

Rule 1. 4-H Members must currently be enrolled in the Kansas 4-H Building Block Engineering project to exhibit in this division.

Rule 2. Each exhibitor may enter one exhibit. Exhibits must have been constructed during the current 4-H year. The exhibit must have been selected at the county level for entry at the State Fair. Counties or Districts should select only top blue or purple ribbon Building Block Engineering exhibits which meet State Fair Guidelines.

Rule 3. Counties are limited to FOUR exhibits to the State Fair

to ensure sufficient space for all exhibitors.

Rule 4. Total exhibit dimensions may not exceed 2' x 2' x 2'.

Rule 5. All exhibits should be placed in a sturdy see-through enclosure with a top, bottom, and 4 sides. A clear tub turned upside down with the exhibit placed on the lid would be an acceptable enclosure. This is to keep exhibit components from being “scattered to parts unknown” at the fair. The outer dimensions of the enclosure are part of the total exhibit dimensions.

Rule 6. All components used in construction should be dust and hair free, clean, free of chips, scuffs, cracks, or broken blocks.

Rule 7. The primary building component should be interlocking blocks, commonly referred to by the brand name of LEGO®.

Rule 8. Other components can be integrated into dioramas to illustrate architectural aspects that may be difficult to convey with traditional interlocking blocks, for example marbles for small round objects.

Rule 9. The use of existing “store bought” sets for major elements of the display is not allowed, figurines from sets is allowed as are using individual bricks to create something different than the set it came from. The intent of this is to ensure fairness among exhibitors and encourage maximum creativity instead of just following a set of plans.

Rule 10. The design should have a central theme. For example a garage, a house, a shop, this theme should be discussed. This can link back to architectural elements in the display, for example: toilets, chairs, sofas, plants, pianos, cars, garage doors, spacehips, animals, food, etc. (Architectural elements, components, and features can be thought of as nouns.)

Rule 11. Displays must have significant architectural components. Examples of architectural components include walls, windows, doors, roofs, canopies, flying buttresses, etc.

Rule 12. Vehicles that are intended to stay in a single place should be affixed to base plates with sticky tack, hot glue, or another method.

Rule 13. Mechanical enhancements or motion elements that add motion to the diorama are acceptable and encouraged. For example, merry-go-rounds, doors, elevators, gears, marbles going down a channel, flapping wings, animatronics etc. If included Judged should be able to use them and instructions should be provided for operation either in the story on on a separate page.

Rule 14. Artistic designs should be displayed in visual arts.

Rule 15. The Exhibitor's Name(s) and County or District must be tagged or labeled in a prominent location on the display, additionally the display case should have the exhibitor's information attached to it as well, as the top part of the case may be separated from the display.

Rule 16. Each exhibit must include an Architectural Block Construction information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.

Rule 17. Each exhibitor is required to complete the “4-H Architectural Block Construction Exhibit Information Form” which is available through you local K-State Research and Extension Office or at www.STEM4KS.com. This form must be attached to the outside of a 10” x 13” manila envelope. All revisions of forms previously released for the STEM devision dated prior to current year are void for use and new forms must be obtained and used that are dated by the Kansas State 4-H Office for the current year.

Rule 18. Each exhibit information packed should include the following items:

A. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or complete state, these help in determining where a part might go in case something comes loose.

B. If appropriate operating instructions for mechanical portions of the diorama.

Rule 19. Architectural Block Construction exhibits may be checked

ked out for use in a 4-H Demonstration or 4-H Illustrated Talk with prior permission. For permission check with the superintendent(s). The exhibit must be returned to display immediately after the demonstration/illustrated talk or the exhibit will be disqualified.

Eligibility - Each exhibitor may enter one exhibit.

Quota - Counties are limited to FOUR exhibits to the Kansas State Fair to ensure sufficient space for all exhibitors.

Ag Mechanics Welding

The Ag Mechanics Welding project is starting with an emphasis on welding and smithing, it will expand as the project area grows. This project allows youth to explore areas of ag mechanics and metallurgy from repairing or repurposing items to the fabrication of new items. The intent is for this program start with foundational areas, some of which youth may already have, and allow them to continue to build on this knowledge becoming more experienced.

Rule 1. 4-H Members must be currently enrolled in the 4-H Ag

Mechanics Welding project to exhibit in this division.

Rule 2. Each exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year. The exhibit must be selected at county level for entry at State Fair. Counties or Districts should select only top blue or purple ribbon Ag Mechanics exhibits which meet Kansas State Fair Guidelines.

Rule 3. Wheeled exhibits must utilize a braking mechanism which prevents the exhibit from freely rolling while on display.

Rule 4. Exhibitors are responsible for providing sufficient braking or “chocks” for trailer exhibits to ensure that the exhibits do not move once positioned. If using a wheel “chocking” mechanism, the two individual blocks should be connected together as a pair, so they do not become separated. At least one pair of chocks should be placed on each side of the trailer to prevent movement.

Rule 5. For trailer exhibits the tongue of the trailer should have a locking mechanism (e.g. padlock) to prevent the trailer from being moved by unauthorized individuals while being displayed. A key for the locking mechanism should be left with the superintendent and labeled with the Exhibitor’s Name, County, and Phone Number.

Rule 6. Each exhibit must be free-standing or sufficiently supported by an exhibitor supplied support system that is moveable and is part of the total dimensions and weight of the exhibit as described previously. Exhibit boards should have a portable and moveable base. No exhibits may be staked to the ground for display.

Rule 7. Top heavy items should be braced or placed in a stand sufficient to prevent it from toppling over while on display.

Rule 8. Exhibits may not be bound, affixed or attached to the buildings except by the superintendent, Fair Staff or Extension Fair Staff.

Rule 9. Painting or spot painting is not allowed on projects after arrival on fairgrounds. If wet paint is detected by judge(s) or superintendents one ribbon placing will be deducted.

Rule 10. Repair projects having adequate original finish need not be repainted.

Rule 11. Cutting surfaces, such as blades or knives, are to have a protective covering over them to prevent injury. The covering should be easily removed and reinstalled for judging. Foam “pool noodles” and multiple layers of cardboard are acceptable.

Rule 12. Display cases for small exhibits, such as knives, are acceptable, and must be easily opened so the item can be removed and examined as part of judging.

Rule 13. Exhibits that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, physical and/or electrical that is intended to be used to inflict damage and/or harm to individuals, animal life, and/or property.

Rule 14. If the exhibit is powered by flammable liquids (gas, propane, kerosene, etc.) the fuel tank and lines should be drained and allowed to dry, to avoid spills and potential fires.

Rule 15. Electric powered (battery, corded, solar, or alternative energy) should have a primary shutoff or disconnect switch.

Rule 16. If a safety violation is noted by the judge(s), superintendent, or other staff, the exhibitor’s exhibit, at the judge’s discretion, will receive a deduction in ribbon placement or a participation ribbon.

Rule 17. The Exhibitor’s Name(s) and County or District must be tagged or labeled in a prominent location on the display.

Rule 18. Each exhibit must include an Ag Mechanics Information packet. Entry of just a packet without accompanying exhibit is not a sufficient exhibit.

Rule 19. Each exhibitor is required to complete the “4-H Ag Mechanics Welding Exhibit Information Form” which is available through your local Extension Office or at

www.STEM4KS.com. This form must be attached to the outside of a 10" x 13" manila envelope. Do not tie the envelope to the exhibit. All revisions of all forms previously released for the STEM division dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year.

Rule 20. Each exhibit information packed should include the following items:

- A. Bill of materials for the project with associated costs, scrap items used may be listed as having \$0.00 cost.
- B. 1 - 5 pages of photos showing work on the exhibit, preferable from a beginning state to final or complete state.
- C. If appropriate schematics of working drawings relating to the creation or repair, this is not required for display boards.
- D. If appropriate, operating systems

Rule 21. Additionally, exhibitors may create an optional video (not required) about their project showing its operation and the work they have done. This allows judges to get a better understanding of the exhibit and allows the youth the opportunity to fully demonstrate their exhibit. The video should be no longer than 8 minutes and should be placed on a USB drive. These videos may also be considered for inclusion in a running video loop in the STEM area at the Kansas State Fair after review by judge(s), superintendent(s) and extension staff. Adult guardians must complete the video release included with the exhibit form. If the release is not completed the video will not be included in the video loop on display in the STEM area at the Kansas State Fair

- A. FOR COUNTY FAIRS with consultation judging, it is recommended that the video elements be waived in favor of talking with the exhibitor.

Rule 22. Ag Mechanics Welding exhibits may be checked out for use in a Kansas State Fair 4-H Demonstration or 4-H Illustrated Talk with prior permission. For permission, check with the superintendent. The exhibit must be returned to display immediately after the demonstration/illustration talk, or the exhibit will be disqualified.

Eligibility - Each exhibitor may enter one exhibit per class. Exhibits must have been constructed or repaired during the current 4-H year. The exhibit must have been selected at the county level for entry at the Kansas State Fair. Counties or districts should select only top blue or purple guidelines.

Introductory - Level 1 (about 1 - 3 years experience)

This level is designed for youth with little to no exposure in the project area so that they can gain an understanding of basic principles with methods in the given area.

Class 50. Welding Display Board. A 3' x 3' Display Board with Different Pieces of Metal Attached Illustrating Different Types of Welds, Each Weld Being Labeled

Class 51. Level 1 Welding Ag Fabrication: Creation of New Ag Equipment with Welding

Class 52. Level 1 Welding General Repair: Repair of Non-Ag Equipment with Welding

Class 53. Level 1 Welding General Fabrication: Creation of Non-Ag Equipment with Welding

Class 54. Level 1 Welding Artistic Fabrication: Creation of Artistic or Interpretive Pieces with Welding

Class 55. Level 1 Brazing Repair

Class 56. Level 1 Brazing Fabrication

Class 57. Smithing Display Board: A 3' x 3' Display Board with Different Pieces of Forged Metal Attached Illustrating Different Forms, Each for Being Labeled

Class 58. Level 1 Smithing: A Design Forged with At Least One

Formed Element (Ex: Twists or Spirals)

Experienced - Level 2 (about 4 - 6 years experience)

This level is designed for youth with some experience in the project area allowing them to expand on common principles and methods in the given area.

Class 59. Level 2 Welding Ag Repair: Repair of Ag Equipment with Welding

Class 60. Level 2 Welding Ag Fabrication: Creation of New Ag Equipment with Welding

Class 61. Level 2 Welding General Repair: Repair of Non-Ag Equipment with Welding

Class 62. Welding General Fabrication: Creation of Non-Ag Equipment with Welding

Class 64. Level 2 Brazing Repair

Class 65. Level 2 Brazing Fabrication

Class 66. Level 2 Smithing: A Design Forged with At Least Two Different Formed Elements (Ex: Twists and Spirals)

Advanced - Level 3 (about 7 - 9 years experience)

This level is designed for youth with vast experience in the project area allowing them to master common principles and methods and expand on advanced techniques in the given area.

Class 67. Level 3 Welding Ag Repair: Repair of Ag Equipment with Welding

Class 68. Level 3 Welding Ag Fabrication: Creation of New Ag Equipment with Welding

Class 69. Level 3 Welding General Repair: Repair of Non-Ag Equipment with Welding

Class 70. Level 3 Welding General Fabrication: Creation of Non-Ag Equipment with Welding

Class 71. Level 3 Welding Artistic Fabrication: Creation of Artistic or Interpretive Pieces with Welding

Master - Level 4 (10 or more years experience)

This level is designed for youth with substantial experience in the project area allowing them to master advanced techniques in the given area.

Class 72. Level 4 Welding Ag Repair: Repair of Ag Equipment with Welding

Class 73. Level 4 Welding Ag Fabrication: Creation of New Ag Equipment with Welding

Class 74. Level 4 Welding General Repair: Repair of Non-Ag Equipment with Welding

Class 75. Level 4 Welding General Fabrication: Creation of Non-Ag Equipment with Welding

Class 76. Level 4 Welding Artistic Fabrication: Creation of Artistic or Interpretive Pieces with Welding

Class 77. Level 4 Brazing Repair

Class 78. Level 4 Brazing Fabrication

Class 79. Level 4 Smithing: A Design Forged with at least Four Different Elements (Ex: Twists, Spirals, and Bulbs)

DEPARTMENT X - NATURAL RESOURCES

Geology

Superintendents: Jayden Mishler, Jessica Mishler

Rule 1. The exhibit box should be 18" x 24" x 3.5". Plexiglass covers are required. Boxes with glass cover will not be accepted. All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" long. If a box has a sliding plexiglass cover, it must be removable from the top. Screws, locks, or other devices that would prevent judged from removing the cover should not be used.

Rule 2. Exhibitor is required to identify each display box by placing an identification label (Exhibitor's Name, County, and Number of Specimens) in the upper left-hand corner of the plexiglass cover (inside: use clear double-sided tap to attach adhesive labels), and by attaching a label with same information outside the box on the lower right corner.

Rule 3. Exhibitors may enter in both Geology and Lapidary classes. Exhibitors may show in only one of the first four Geology classes. Exhibitor may also show in Geology Class-Special Exhibit and in one Lapidary class.

Rule 4. Geology specimens should be labeled with the number of the specimen, the date collected, specimen name or description, and locality (county) where specimen was found.

Rule 5. For Geology classes, all specimens should be mounted in the box by proper groups. (Such as rocks, minerals, and fossils). Fossils must be identified to the phylum, class, and genus level. More than one specimen of the same kind of rock, mineral, or species of a fossil may be exhibited if the duplication represents different geological formations. Specimen label must show this distinction. (Example: Fort Hays limestone, not just limestone). Exact species must have different formation names listed on the identification cards (Example: Composite Brachiopod from Morrill Limestone, not just Crachiopod or Composite Brachiopod).

Rule 6. For Geology classes, all specimens must be collected from locations in Kansas. Out of state specimens will not count in the minimum number for the class, nor will they be considered in the judging.

Class 1. Display At Least 15 Rocks, Minerals, and Fossils Collected During the Current 4-H Year. Limited to One Exhibit

Box. (Class Open to Those Exhibiting for the 1st Time at the Kansas State Fair).

Class 2. Display At Least 30 Different Rocks, Minerals, or Fossils (At Least 5 of Each). Fifteen Specimens Must Be Collected During the Current 4-H Year. Limited to One Exhibit Box. Fossils Must Be Identified to the Phylum Level. (Class Open to Those Exhibiting for Either the 1st or 2nd Time at the Kansas State Fair).

Class 3. Display At Least 45 Rocks, Minerals, or Fossils. (At Least 5 of Each). Fifteen Must be Collected During the Current 4-H Year. Exhibit Limited to 2 Boxes. List the Items as Igneous, Metamorphic, or Sedimentary. (Class Open to Those Exhibiting for Either the 3rd or 4th Time at the Kansas State Fair).

Class 4. Display At Least 60 Rocks, Minerals, or Fossils. (At Least 5 of Each). Fifteen Must Be collected During the Current 4-H Year. Exhibit Limited to 2 Boxes. List Items as Igneous, Metamorphic, or Sedimentary. (Class Open to Those Exhibiting for the 5th Time or More at the Kansas State Fair).

Class 5. Exhibit Relating to Everyday Living, a Mineral Test, a Rock Formation, Geological History, Species of a Fossil, Forms of One Mineral, a Variation of One Kind of Rock, Archeological Artifacts, or Native American Artifacts. Exhibit Limited to 4' of Table Space. Care Should Be Taken to Use Durable Materials That Will Withstand Fair Conditions. Exhibitor May Show in This Class Regardless of Number of Times He/She has Exhibited at Kansas State Fair or Whether Exhibitor has Entries in Other Geology Classes. Exhibitor May Also Exhibit in Lapidary Classes.

Lapidary

Superintendents: Jayden Mishler, Jessica Mishler

Lapidary will be judged on the following criteria:

Workmanship & Content.....	60 points
Presentation & Showmanship.....	30 points
Accuracy of Information.....	10 points

Class 6. Display At Least 30 Stones and Minerals That Will Cut or Polish. Five of the Specimens Must Be Collected by the 4-H Member From a Native Site (Not Limited to Kansas). Polish 15 of the Gemstones by Tumbling. Label Them Giving Identification of Material, County Where They Were Collected, and State or County of Origin for Non-Kansas Material.

Class 7. Exhibit At Least 6 Gemstones and Minerals That Have Received Lapidary Treatment. Lapidary Treatment May Consist of Tumbling, Polishing an End or Face, or Flat Lapping. Specimens Must Represent At Least 3 Different Gemstones and Minerals, and Include At Least 3 Cabochons of Any Size or Shape. Three of the Specimens Must be Mounted. Label Specimens as Appropriate Including the Locality (State) Where Originated. Exhibitor May Also Exhibit in Any Other Geology classes.

Wildlife

Rule 1. A 4-H member may take only 1 entry in each class.

Rule 2. Types of exhibits in this division are open to educational or creative displays, educational posters or notebooks. Follow copyright laws as explained in the General Rules as you are preparing your exhibit. Take care to select durable materials to withstand fair conditions. No card table exhibits are allowed. If the exhibit is a poster, it must not be larger than 22" x 30". If the exhibit is a display, maximum size is a standard commercial 3' x

4' tri-fold display board.

Rule 3. Exhibitors must comply with state and federal laws. It is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. The use of live wild animals in educational exhibits is prohibited.

Rule 4. Exhibitor's Name, County/District, Age and Year in the Project should be displayed in a prominent location on the exhibit.

Rule 5. Notebooks and displays will be judged on the following points:

Stopping Power.....15 points

*Is the main idea specific?

*Is the idea presented clearly, simply, forcefully?

Interest, Holding Power.....15 points

*Does the exhibit give the observer additional facts in a clear, concise, and informative way?

4-H Project Application.....15 points

*Is the subject matter an effective showcase?

Mechanical Power..... 5 points

*Correct letter size, pleasing color combination, appropriate symbols, and models used?

Personal Growth.....25 points

*How much knowledge was gained by exhibitor?

*Was enthusiasm shown?

Educational Value.....25 points

*Knowledge effectively shared?

Note: Credit all citations, websites or other resources used in creating your exhibit.

Rule 6. Posters will be judged on the following points:

General Appearance.....30 points

Information.....50 points

Organization.....20 points

Class 8. Notebook: Contents Pertain to a Phase, Results, Story, or Information About the Wildlife Project.

Class 9. Educational Poster: Must Be Related to Something Learned in the Wildlife Project. (Poster Board or Foam Board Limited to No Larger Than 22" x 30").

Class 10. Educational Display: Must Be Directly Related to the Wildlife Project.
