GENERAL RULES FOR DECATUR COUNTY FAIR EXHIBITS

The Decatur County Fair Board reserves the right to reject any entry or to make additions or corrections to the general rules.

Exhibitor Eligibility

1. Open class is open to the general public regardless of age or residence. Any member of a youth organization of Decatur County is eligible to exhibit and compete for premiums in the open class youth division. Persons desiring to exhibit at the fair are subject to the division rules of each class. Open classes will not be judged when only 4-H members are entered.
2. 4-H Members in good standing will be allowed to participate in 4-H classes.
3. FFA Members in good standing will be allowed to participate in beef, sheep, swine, meat goats, dairy cattle, dairy goats, poultry, crops, horticulture, rabbits, wood-working, electricity, welding, & small engines.

Age Divisions

4. 4-H Youth division exhibits must be owned and shown by youth 19 years of age or younger before January 1 of current year. 4-H Youth exhibits will be divided according to the age of the exhibitor as follows:

Beginner: 4-H Age of 7-8

Junior: 4-H Age of 9-11

Intermediate: 4-H Age of 12-13

Senior: 4-H Age of 14+

5. FFA Youth will be in the Senior division.
6. Open class youth are considered 15 years old and under.

Premiums/Awards/Ribbons

7. **A notice will be in The Oberlin Herald when the premiums are ready. No Premiums are paid to out-of-county open class exhibitors. No premiums will be paid after Dec. 1 of current year. EXHIBITS NOT PICKED UP WILL NOT BE PAID A PREMIUM.**

8. All 4-H & Open Class entries will be placed into blue, red and white ribbon groups. Purple ribbon groups will be awarded to deserving 4-H entries. In the 4-H and Open Class divisions, points and premiums will be awarded unless otherwise provided by special rules. All entries will remain on display until released by the superintendent.

9. The judges' placing will be final. Grands & Reserves are awarded at the judges' discretion.

10. All ribbons and awards must be left attached to the exhibit or exhibit card until released by the superintendent.

11. Trophies may not be awarded in categories having limited entries.

Exhibit Entry Procedure/Release

12. **All exhibits must be entered from 9:00 a.m. to noon the first day of the fair unless otherwise noted and shall remain in place until 9 a.m. on Saturday morning.**

Exhibits not picked up Saturday will be discarded after one week.

Exhibit Entry Criteria

13. No limit on entries in open class division except as

provided by special division rules.

14. No article or part of exhibit can be entered in more than one class except as provided by special rules.

15. No articles previously exhibited at the Decatur County Fair may be entered.

16. Superintendent may declare a new class if entry's classification warrants the need.

17. All exhibits must be current year's work and products of the exhibitor's efforts except as noted by special rules.

18. Entry will be available online for 4-H, FFA, and Open Class exhibitors. 4-H and FFA MUST use the FairEntry system. Open Class exhibitors may use the FairEntry system or paper entry cards. Contact the Extension Office for details and assistance.

19. Copyright Laws: Exhibitors should learn the guidelines and exercise caution when using copyrighted materials whenever possible by originating their own work. Exhibitors should use with caution a copyrighted and/or trademarked product or service (a brand name, label or product). A copyright and trademark are legal methods used by writers, artists, corporations and others to protect their original work. Protected items may range from books to music, logos to computer graphics. Copyrighted and/or trademarked materials used in displays, demonstrations, posters or other activities will be disqualified if the exhibitor does not request permission to use the copyrighted and/or trademarked materials and will not be displayed or receive ribbons. The use and inclusion of specific brand names for educational purposes does not imply endorsement or refusal by the Department of 4-H Youth Development, KSU Ag Experiment Station and Cooperative Extension Service or the State of Kansas.

Kansas State Fair Entry

20. 4-H youth classes preceded by an asterisk (*) are not eligible for Kansas State Fair (KSF) competition. Eligibility is determined by Kansas State Fair regulations.

21. It is the responsibility of the 4-H/ FFA member to get Kansas State Fair entry information to the Extension Office by the local Kansas State Fair entry deadlines.

General Livestock Rules... Also see Livestock Rules in Livestock Section.

22. All livestock exhibits will be released between 8 a.m. and 1:30 p.m Friday. Alternate times are available with request to the agent.

23. All pens must be cleaned by 10:30 a.m. each day. All pens must be cleaned after livestock removal or premium money may be withheld.

24. All market animals will be weighed and tagged at the official weigh-in dates per respective specie. Contact the Extension Office for dates. The objective and intent of the mandatory official weigh-in for market animals is to assure that the animal is in the ownership and possession of the youth on or before the official weigh-in day for that particular species.

25. No exhibitor or animal will be given access to a class after the Superintendents have broken the classes. (i.e. Exhibitor that did not enter showmanship.)

26. All Livestock shows will run in this order. Sr., then Int., then Jr., then Beg,. Showmanship, Breeding classes, Market classes.

Livestock Grooming and Care

27. Exhibitors of sale livestock must care for animals from time of sale until livestock is shipped for slaughter. Violations will cause forfeiture of premiums and sale privileges.

28. All youth-exhibited livestock must be shown and groomed by bona fide youth. Violations may cause disqualification. Exhibitors must accompany their livestock or provide suitable means of caring for them during the fair.

29. All livestock must be controlled so the exhibitor may properly show the animal. Livestock not broke to lead or drive will not be allowed to show, be placed for premium or allowed in the livestock sale. The appropriate superintendents will make the decision.

Decatur County Fair Grievance Policy:

1. All inquiries will be submitted in writing to the superintendent of the division with \$20 cash.

2. The grievance committee will review the submission and rule by 9 a.m. the following day.

3. If it is ruled that no policy change is to take place the \$20 will not be refunded.

4. Regardless of circumstance, all judges' placings are final.

Termination of Participation/Exhibition Privileges

The Decatur County Fair Board, the governing body of the fair, has the right to terminate exhibitor & spectator privileges as deemed necessary by the board.

1. It is a privilege to exhibit and participate in the Decatur County Fair, NOT a right.

2. Incidents will be evaluated on a case by case basis. Consequences deemed appropriate will be initiated by the board.

3. Law enforcement will be utilized as necessary.

4. All consequences are final. There is no higher authority to appeal to.

5. Violations resulting in Termination of Privileges may include but are NOT limited to: theft, vandalism, property damage, safety, ethics, conduct, parking, disregard of policy, and animal welfare.

4-H Policy, Planning and Activities Development

1. All 4-H activities at the Decatur County Fair are established within the guidelines of the State 4-H Program and the Twin Creeks Extension District Executive Board as the final governing body for 4-H in Decatur County.

Parking Policy

1. Spectators and Exhibitors will use public parking lots.

2. Livestock Exhibitors may load/unload, deliver feed, etc. north of the Livestock Building until 7 p.m. No long term parking in this area is allowed, excluding livestock trailers. (i.e. Load/unload or deliver 15 minutes or less)

3. Handicapped parking is located on the north end of the fair grounds between the 4-H Building and the grandstands and on the south side of the Open Class Building.

4. Reserved Parking Areas designated for Fair Board, Extension Staff, Amusement Authority, Law Enforcement and Handicapped accessibility are posted and marked.

5. Parking violators will be towed at owners' expense.

4-H YOUTH DIVISION

General Superintendent

AEROSPACE/ROCKETRY

Sheri Jacobs

\$1.50-\$1.00-\$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. The 4-H member must be currently enrolled in the 4-H Rocketry project to exhibit in this division.
3. Each exhibitor may enter up to two rocket exhibits that have been constructed during the current year. An exhibitor may not enter two rockets in the same class.
4. See most recent updated 2025 Kansas State Fair Book for complete rules and Guidelines. (Please go to your local Extension Office for a copy of the Kansas State Fair Book)
5. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's rocket, at the judges' discretion, will receive a participation ribbon.
6. Rockets are to be displayed upright on a display stand with a sturdy rod that does not extend past the top of the rocket, or stand unassisted, unless the rocket is taller than four feet in which case no display stand is required and the rocket may be displayed on its side, rockets are not to be displayed on launch pads to save space and prevent someone from being poked in the eye.
7. Rockets ARE NOT to be displayed with used or unused rocket engines either in the rocket or as part of the stand, if rocket engines are included in the exhibit the judge may disqualify the exhibit.
8. Rockets should be flown unless there is an active burn ban in the county or conditions are too dangerous to safely launch the rocket. Just flying the last stage (the part with the nose cone) of a multi-stage rocket is acceptable.
9. Rockets, except those in the Beginner age division, are not to be "beginner kits" or use prefabricated (molded plastic) fin assemblies, or pre-finished rockets requiring no painting, these are not acceptable outside the Beginner age division, and should be disqualified. Rockets entered in the Beginner age division may not advance to the Kansas State Fair.

AGRONOMY

Sheri Jacobs

\$1.50-\$1.00-\$0.75

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
3. Exhibitor must be enrolled in the 4-H Agronomy project.
4. Exhibitors may enter two exhibits per class.
5. Products must have been grown in the current year by the exhibitor except for soybeans and edible field bean seed.
6. All classes calling for a gallon sample may have a 2½ - 3 inch in diameter cylinder placed in a glass gallon container to reduce the amount of grain to three quarts.
7. Every entry must be identified by the variety or hybrid name. If variety or hybrid is not stated where requested, exhibit will be dropped one ribbon placing.
8. The free-standing Wheat Variety Plot displays must not exceed the overall dimensions of 36” wide x 36” high x 18” deep (measured on the outside).
9. Care should be taken to select durable materials that will withstand fair conditions. Displays must not require the

use of electricity. If booth exceeds overall dimensions, exhibit will be dropped one ribbon placing.

Wheat Variety Plot Displays (See Wheat Variety Plot Handbook or Extension Office for details)

Class 1 Wheat Variety Plot Display

Weed Control

Class 2 Weed Control: Exhibit consists of the one of the four items below.

1. Collect, identify, press, mount, and label a minimum of 15 weeds. Try to include their roots, stems, leaves, and flowers. Three of the weeds must be noxious weeds preferably found in your home county. A standard 9"x12" scrapbook may be obtained in which to permanently mount your weed specimens. Identify the scrapbook with your name and county on the inside front cover.
2. Prepare a list of the weeds mounted, showing common name, scientific name, and where it was found. Place the list in a specially identified section of the scrapbook.
3. Collect and identify weed seeds found in crop seeds. Mount them for display purposes. Place them in a specially identified section of the scrapbook.
4. Write a story on "How We Control Weeds on Our Farm" if you live on a farm. Other members write "How We Control Weeds at Home". The story should be about 300 words in length. It must show definite methods used to control weeds. Place the story in a specially identified section of the scrapbook.

AG MECHANICS WELDING

Sheri Jacobs

\$1.50-\$1.00-\$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. The 4-H member must be enrolled in the 4-H Ag Mechanics Welding project to exhibit in this division.
3. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor's exhibit, at the judges' discretion, will receive a deduction in ribbon placement or a participation ribbon.
4. The exhibitor's name(s) and county or district must be tagged or labeled in a prominent location on the display.
5. Each exhibit, except for display boards, must include an Ag Mechanics Welding information packet. Entry of just a packet without an accompanying exhibit is not a sufficient exhibit.
6. Each exhibitor is required to complete the "4-H Ag Mechanics Welding Exhibit Information Form" for each exhibit, except for display boards, which is available through the Extension office or at <http://welding.engage4ks.com/>. This form must be attached to the outside of a 10" x 13" manila envelope.

Do not tie the envelope to the exhibit. All revisions of all forms previously released for the division dated prior to current year are void for use and new forms must be obtained and used that are dated by the State 4-H Office for the current year.

7. Each exhibit information packet should include the following items:

- a. Bill of materials for the project with associated costs, scrap items used may be listed as having a \$0.00 cost.
- b. 1 to 5 pages of photos showing work on the exhibit, preferably from a beginning state to final or completed state.
- c. If appropriate schematics or working drawings relating to the creation or repair, this is not required for display boards.
- d. If appropriate, operating instructions.

Level 1 (1 - 3 years' experience)

Class 1 Welding Display Board. A 3' x 3' display board with different pieces of metal attached illustrating different types of welds, each weld being labeled.

Class 2 Welding Ag Repair. Repair of ag equipment with welding.

Class 3 Welding Ag Fabrication. Creation of new ag equipment with welding.

Class 4 Welding General Repair. Repair of non-ag equipment with welding.

Class 5 Welding General Fabrication. Creation of non-ag equipment with welding.

Class 6 Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.

Class 7 Brazing Repair.

Class 8 Brazing Fabrication.

Class 9 Smithing Display Board. A 3' x 3' display board with different pieces of forged metal attached illustrating different forms; each form being labeled.

Class 10: Smithing. A design forged with at least one formed element (twists or spirals for example).

Level 2 (4 - 6 years' experience)

Class 11 Welding Ag Repair. Repair of ag equipment with welding.

Class 12 Welding Ag Fabrication. Creation of new ag equipment with welding.

Class 13 Welding General Repair. Repair of non-ag equipment with welding.

Class 14 Welding General Fabrication. Creation of non-ag equipment with welding.

Class 15 Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.

Class 16 Brazing Repair.

Class 17 Brazing Fabrication.

Class 18 Smithing. A design forged with at least two different formed elements (twists and spirals for example).

Level 3 (7 - 9 years' experience)

Class 19 Welding Ag Repair. Repair of ag equipment with welding.

Class 20 Welding Ag Fabrication. Creation of new ag equipment with welding.

Class 21 Welding General Repair. Repair of non-ag equipment with welding.

Class 22 Welding General Fabrication. Creation of non-ag equipment with welding.

Class 23 Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.

Class 24 Brazing Repair.

Class 25 Brazing Fabrication.

Class 26 Smithing. A design forged with at least 3 different formed elements (twists, spirals, and bulbs for example).

Level 4 (10 or more years' experience)

Class 27 Welding Ag Repair. Repair of ag equipment with welding.

Class 28 Welding Ag Fabrication. Creation of new ag equipment with welding.

Class 29 Welding General Repair. Repair of non-ag equipment with welding.

Class 30 Welding General Fabrication. Creation of non-ag equipment with welding.

Class 31 Welding Artistic Fabrication. Creation of artistic or interpretive pieces with welding.

Class 32 Brazing Repair.

COMPUTER SCIENCE

Sheri Jacobs

\$1.50 - \$1.00 - \$0.50

1. The 4-H member must be currently enrolled in the 4-H Computer Science project to exhibit in this division.
2. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.
3. See project rules in the Kansas State Fair Book.
4. Exhibitor's name, county or district, 4-H age, and years(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
5. Physical computers such as tablets, smart phones, lap tops, or personal computers (PCs) will not be accepted as an exhibit.
7. 4-Hers must bring a computer that will run their project to the fair for conference judging.
8. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.

Class 1 Computer program, application, app, script, or coded system that is new and unique (not merely a file run in a program, such as a ‘word document’ or a picture drawn in ‘Microsoft Paint’).

Class 2 Coded website built entirely by the 4-H Member (not using a pre-made template generator such as Wix or Squarespace). Items in this class could be coded in HTML, CSS, Javascript, Wordpress, or other web-based programming languages or platforms.

Class 3 Microcontroller or microcomputer application - a small circuit board that is programmed to accomplish a specific task (projects built and programmed using Raspberry Pi, Arduino, etc.)

ELECTRIC & RENEWABLE ENERGY

Sheri Jacobs

\$2.00 - \$1.50 - \$1.00

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. Label each article giving owner’s name, address, county, name of article and class. Exhibitor may enter only two articles in this division per class.
3. Articles may have been used, but if so, they should be cleaned before exhibiting.
4. A sheet of operation instructions should be furnished for any exhibit not self-explanatory.
5. Projects must be operable using only 110 or 120V AC or battery power. If exhibit requires battery power, batteries should be furnished. Exhibit should be able to be operated.
6. No hand-dipped solder may be used on exhibits.
7. *Not eligible for state fair.
8. Each exhibit must have a scorecard completed and attached securely. This scorecard is available from the Extension Office.

Class 1 AC Electric Projects. Electric projects with a 110 or 120V alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be operational and meet minimum safety standards. AC projects must be 110/120V, no 240V exhibits are allowed, and must be constructed such that the judges have access to examine the quality of workmanship.

Class 2 DC Electric Projects. Electric projects with a battery or direct current power source. This class includes electric kits or original projects. This class also includes demonstration DC powered projects. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits or wiring doorbell switches. All DC electric projects must work with batteries supplied by the 4-H’er. Projects must be constructed such that the judges have access to examine the quality of wiring.

Class 3 Electronics Projects. Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security systems, etc.

May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if an original project. Projects must be constructed so that judges have access to examine the quality of wiring workmanship.

Class 4 Educational Displays and Exhibits: The purpose of the educational display and exhibit is to educate the viewer about a specific area of the 4-H electrical or electronics project. The display or exhibit should illustrate one basic idea. This class includes any educational displays, exhibits or science fair type projects which DO NOT have a power source, i.e. exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from a distance of four feet, using a maximum tri-fold size of 3' x 4'.

Alternative Energy (A form of energy derived from a natural source, such as the sun, geothermal, wind, tides or waves) All exhibits in this division are limited in size to standard, trifold, display boards (36" X 48") and items may not extend beyond 12" from the back board. All displays must be self-standing.

Class 5 Educational Display - Create an exhibit that addresses a focused topic related to power generated from a renewable energy source. The purpose of the exhibit is to inform and create awareness.

Class 6 Experiment - Display an experiment addressing a problem or question related to power generated from a renewable energy source. Include hypothesis, background research, variables, a control, data, findings, conclusions, and recommendations for future study.

ENTOMOLOGY

Sheri Jacobs

\$2.00 - \$1.50 - \$1.00

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. A 4-H member may exhibit in the collection and/or educational class for the phase in which they are enrolled.
3. All entries are to be placed in plexiglass covered (plexiglass required) wooden boxes with outside measurements of 18" x 24" x 3 1/2". Display boxes with glass covers WILL NOT be accepted. See the specific phase for box and specimen number limitations.
4. 4-H'ers may choose to use one of two taxonomies:
 - A. As printed in "Insects in Kansas" book or
 - B. which follows www.bugguide.net.
5. Each exhibitor is required to identify each box by placing 2 identification labels bearing exhibitor's name, county or district, the collection class, and statement of taxonomy used. One label goes in the upper left corner of the box (inside) and the other on the lower right corner of the box (outside). Arrange specimens in the box so it can be displayed lengthwise.
6. The number of orders, specimens (and families where required) must be included on the exhibitor's box identification label. Only one adult insect per species can be used in the Collection Boxes and Notebook Classes, unless labeled as male or female and correctly identified.

7. Arrangement of specimens: The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Specimens are to be arranged by Order in the box, then Family where required.

8. Two labels should be centered on the pin beneath each specimen. First (closest to the specimen) is the common name label. The second label should include a date/locality, including both the full county name and state abbreviation.

9. The specimens should be collected by the exhibitor and should focus on Kansas insects. Insects may be collected from one county into bordering states and labeled accordingly. Please refer to “Entomology Collection Exhibit Resource” for full details on out-of-state insects in collections.

10. Only specimens of the class Insecta should be included.

11. Purchased insects are not to be exhibited in collections, but they may be used in educational displays.

12. Specimens of soft bodied insects such as aphids, lice, termites and etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

13. The following insects are listed as Threatened or Endangered by the Fish and Wildlife Service. Because of this, no specimens of the below species may be caught or displayed in insect collections or educational displays. If specimens of these species are included in collections or educational displays, it will be counted as a major violation. Any major violation of rules will result in the exhibit being dropped one ribbon placing. Please refer to www.kanas4-h.org on the Entomology project page for more information.

American Burying Beetle (*Nicrophorus americanus*)

Monarch Butterfly (*Danaus plexippus*)

Eastern Regal Fritillary Butterfly (*Argynnis idalia idalia* or *Speyeria idalia*)

Western Regal Fritillary Butterfly (*Argynnis idalia occidentalis* or *Speyeria occidentalis*)

Great Spangled Fritillary (*Speyeria cybele*)

EDUCATIONAL DISPLAYS

1. Share what you learned in this project. Exhibit any activity or learning experience related to the field of entomology or the Teaming with Insects curriculum that does not fit into Entomology Collection or notebook classes.

2. Follow copyright laws.

3. The exhibit may be, but isn't limited to, original works, digital presentations (must provide printed hardcopy for exhibit purposes for duration of state fair), programs, websites, games, apps, display boxes, notebooks, display or poster which you have made, etc.

4. If the exhibit is a wooden display box, it must be 18" x 24" x 3.5" with a clear plastic top (such as plexiglass) and displayed horizontally. If the exhibit is a poster, it must not be larger than 22" x 28". If the should be limited to it is a display, maximum size is not to exceed a standard commercial 3' x 4' tri-fold display board.

5. Name and county/district must be clearly marked on the exhibit.

ENTOMOLOGY NOTEBOOKS

1. Individual entries are to be placed for display in a three-ring notebook for competition.
2. 4-H'ers may choose to use one of two taxonomies:
 - A. As printed in "Insects in Kansas" book or
 - B. which follows www.bugguide.net.
3. 4-H'ers who have been previously enrolled in the other phases of the Entomology project need to start with the Beginning Phase of Entomology Notebooks, not the Introductory Phase.
4. Each exhibitor is required to identify the notebook by placing a Title Page in the front bearing the exhibitor's name, county or district, class, and statement of taxonomy used. The Title Page must include the number of orders, specimens, and families (required in Intermediate and Advanced classes).
5. Specimen pages should be grouped according to Order and should include one page per species. If more than one insect is in the photo, an arrow to indicate identified insect should be used. Photos should be between 3" x 5" to 4" x 6".
6. Date, common name, full county name, and state abbreviation should be included for each species. Collector's name on the specimen page is optional.
7. Specimen pages should have two different views of the insect if possible, a top view and a side view. If pictures are taken on different dates/localities, include information for both.
8. A statement describing the habitat where found/host plant may be included and is encouraged. It will be worth a bonus of 10 total points.
9. A divider page is to be placed in front of each Order of insects with the Order name printed on the tab of the divider as well.
10. For the Intermediate and Advanced classes, insects are also to be grouped by Family behind each Order divider.
11. If the exhibitor has been in the same class for more than one year, a separate sheet of paper needs to be added stating how many years the exhibitor has been in this class of the project and what the exhibitor did this year to improve their notebook. Place this paper just behind the Title Page.
12. A special project must be completed each year and included in the notebook. See project guideline materials from the Extension Office for specifications.
13. Refer to the publication "Entomology Collection Notebook Guidelines" on the Kansas 4-H Entomology web page for more detailed rules for exhibiting.

BEGINNING ENTOMOLOGY I

Class 1a* Collection. For beginners only. Ten specimen small box. Call Extension Office for box details.

Class 1 Collection. Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Follow the general rules listed above for all collections. Members may exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 2 Introductory Notebook. Display a min. of 10 and a maximum of 30 species representing at least 6 different orders. Follow the rules listed above for notebooks. Members may exhibit in this class a maximum of two years.

BEGINNING ENTOMOLOGY II

Class 3 Collection. Display in one standard box a minimum of 75 and maximum of 150 species representing at least 9 orders. Follow the general rules listed above for all collections. Members can exhibit in this class a maximum of 3 years, or until they receive a purple ribbon at the Kansas State Fair, whichever comes first.

Class 4 Beginning Educational Exhibit. Class for individuals that are exhibiting collections in Beginning Entomology I or II, Beginning Notebook classes, or are ages 7-12.

Follow the Educational Displays rules above.

Class 5 Beginning Notebook. Display a minimum of 20 and a maximum of 60 species representing at least 7 different orders. Follow the rules listed above for notebooks.

Members may exhibit in this class a maximum of three years or until they receive a purple ribbon at the KSF, whichever comes first.

INTERMEDIATE ENTOMOLOGY

Class 6 Collection. Display a minimum of 100 and a maximum of 300 species representing at least 10 orders. Two standard boxes can be used. Follow the general rules listed above for all collections. In addition, family identification is required for all insects in any two of the following six orders:

A. "Insects of Kansas" book - Orthoptera, Hemiptera, Homoptera, Coleoptera, Hymenoptera, and/or Diptera or

B. "Insects in Kansas Book: 2016 Revised Taxonomy" - Odonata, Orthoptera, Hemiptera, Coleoptera, Hymenoptera, and/or Diptera

On a piece of paper attached to the front of one of the display boxes, list what you did to improve your collection during the current year. For example, what insects you added, what Leadership you provided in the project, etc. Members may exhibit in this class a maximum of 3 years. If they receive a purple ribbon, they may choose to move up in class.

Class 7 Intermediate Educational Exhibit. Class for individuals that are exhibiting collections in Intermediate Entomology, Intermediate Notebook classes, or are ages 11-14. Follow the Educational Displays rules above.

Class 8 Intermediate Notebook. Display a minimum of 60 and a maximum of 100 species representing at least 9 different orders. Follow the rules listed above for notebooks. In addition, family identification is required for all insects in any two of the orders listed under Class 6. Members may exhibit in this class a maximum of 3 years. If they receive a purple ribbon, they may choose to move up in class.

ADVANCED ENTOMOLOGY

Class 9 Collection. Display a minimum of 150 and a maximum of 450 species representing at least 12 orders. Three standard boxes can be used. Follow the general rules listed above for all collections. Family identification is required for all insects belonging to the six basic orders as outlined under the Intermediate phase. Only families in the above six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. On a piece of paper attached to the back of one of the display boxes, list what you did to improve your collection during the current year.

For example, what insects you added, what Leadership you provided in the project, etc. Members may continue to exhibit in this class at the KSF for an unrestricted number of years as long as they remain eligible for 4-H membership.

Class 10 Advanced Educational Exhibit. Class for individuals that are exhibiting collections in Advanced Entomology, Advanced Notebook classes, or are ages 13+.

Follow the Educational Displays rules above.

Class 11 Advanced Notebook. Display a minimum of 100 and a maximum of 200 species representing at least 12 different orders. Follow the rules listed above for notebooks. In addition, family identification is required for all insects in the six basic orders listed under Class 6. Only families in the those six orders will be counted for judging. Family identification of insects in the remaining orders is optional, but desirable as long as accuracy is maintained. Members may continue to exhibit in this class at the KSF for an unrestricted number of years as long as they remain eligible for 4-H membership.

FASHION REVUE

Judy Elwood

\$2.50 - \$1.50 - \$0.75

1. 4-H members enrolled in Sewing & Textile Design, Shopping in Style, and Fiber Arts are eligible to participate in Fashion Revue.
2. 4-H members enrolled in Sewing & Textile Design may model two outfits.
3. 4-H members enrolled in Shopping in Style may model two outfits.
4. 4-H members enrolled in Fiber Arts bringing a wearable item may model up to two outfits. *Not eligible for KSF
5. 4-H members enrolled in Sewing & Textile Design, Shopping in Style, and Fiber Arts may model up to six total outfits.
6. Members are expected to model in the Public Fashion Revue or awards and premiums will be withheld.
7. Entries in the Constructed Garments Revue must be modeled by the 4-H member who made them unless it's a child's garment.
8. Entries in the Ready-Made Garments Revue may be purchased or made by another individual if the fabric and pattern were chosen by the 4-H member.
9. If not present for judging, exhibit will be marked down one ribbon placing and not be eligible for grand or reserve grand champion placings. Exhibitor must make the garment available with a picture of the exhibitor wearing the garment for the judging. Premium money will be forfeited for this item.
10. For KSF participation, a youth must be deemed Senior or Intermediate Grand Champion or Senior or Intermediate Reserve Grand Champion. Age divisions for KSF are: Intermediate: 10 – 13 years, Senior: 14 – 18 years.
11. The judge may select a grand and reserve champion in each age division of Sewing and Textiles, Shopping in Style, and Fiber Arts. See General Rules for age divisions.
12. Required forms will be mailed to participants from the Extension Office.

SHOPPING IN STYLE REVUE

Class 1 Beginner (7-8 years old)

Class 2 Junior (9-11 years old)

Class 3 Intermediate (12-13 years old)

Class 4 Senior (14-18 years old)

SEWING & TEXTILES REVUE

Class 5 Beginner (7-8 years old)

Class 6 Junior (9-11 years old)

Class 7 Intermediate (12-13 years old)

Class 8 Senior (14-18 years old)

WEARABLE FIBER ARTS REVUE

Class 9 Beginner (7-8 years old)

Class 10 Junior (9-11 years old)

Class 11 Intermediate (12-13 years old)

Class 12 Senior (14-18 years old)

FAVORITE FOOD SHOW

\$1.00 - \$0.75 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions. The Favorite Food Show is an opportunity for 4-H youth to exhibit a Favorite Food they have learned to prepare as part of the 4-H food project. The 4-H member also uses their creative talents to plan the menu and table setting to accompany their Favorite Food. Ribbons are presented to the 4-H member after a consultation judging.

FIBER ARTS

Jessica Wasson

\$1.50 - \$1.00 - \$.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. Fiber Arts is defined as any method of creating a unique design with fiber, fabric or yarn. This may include: making fabric (such as weaving, crochet, knitting, needlepoint); or when existing fabric is changed into something quite different (such as quilting or embroidery or ethnic art). Ethnic Fiber Arts should use a fiber, yarn or fabric to create the design exhibit. Non-textile (examples include wood, reed, straw, grass, etc.) baskets/pieces should be entered in the Visual Arts Division.
3. No exhibit will be released for any other use.
4. Label:
 - A. Type or print on 3" x 2 1/2" piece of cloth: class number, county or district, and exhibitor's name;
 - B. Sew or safety-pin this ID label on the corner of flat articles;
 - C. For garments, attach ID label to the front left shoulder seam, or left side of waistband, as if you were wearing the garment. Labels are available in the Extension office.
5. A member may enter up to 2 exhibits per class. All articles/garments must be finished for use.
6. When articles which are normally worn as a pair are exhibited, both articles must be shown together. Fasten articles together securely with yarn.
7. Special consideration will be given to articles which are of original design. Such articles should have a note attached explaining the original design.
8. The exhibitor should attach an index card, no larger than

4" x 6", with the entry form to give the judge any information on what parts of the exhibit they made, processes used, or other information which the exhibitor thinks would be helpful for the judge. For all items, please indicate if item was made from a kit. For knitted and crocheted items, please indicate fiber content, and specifically if they are made of at least 90% wool. For quilted items, indicate who did the quilting and binding.

9. Exhibitors are expected to be enrolled in the Fiber Art project in which they are entered. When the exhibit is a sewn garment that also includes one or more Fiber Art techniques (i.e. knitting, crochet, needle arts, or patchwork and quilting), the determination of what division (Clothing or Fiber Arts) and class in which to enter will be left with the 4-H participant.

10. All exhibits which need to be hung, **MUST** have the appropriate sawtooth hanger, rod, wire or other mechanism attached in order to be properly displayed. If necessary hardware is not attached, it may not be displayed.

11. Wearable Fiber Arts items are eligible for modeling in the Fashion Revue. See Fashion Revue section for rules.

Class 1 Crochet, an article. (See #9 above)

Class 2 Knitting, an article made either by hand or by knitting machine (See #9 above)

Class 3 Needle Arts, an article created by hand using any of the following techniques:

- a) Embroidery and cross-stitch
- b) Needlepoint
- c) Candle wicking
- d) Crewel
- e) Lacework
- f) Applique

Class 4 Patchwork or Quilted article - It is acceptable practices for the exhibitor to create the patchwork or quilted article and have someone else quilt it. (See #9 above)

Class 5 Rug Making, a rug-acceptable techniques include braiding, latch hook, tying, floor cloth, etc. The finished product should be an item that would be used in the home.

Class 6 Spinning, a skein-minimum 10 yards in length

Class 7 Weaving, a woven article-Members should attach information about the type of loom or process used.

(See #9 above)

Class 8 Ethnic Arts, an article: This is defined as a Fiber Art technique that is associated with a specific country or culture. It is a practical skill that was developed to provide basic family needs such as apparel, home furnishings or decorations. It is also defined as a method that has been maintained throughout history and passed on to others, often by observation and by example, such as batik, Swedish huck towel weaving, mud cloth, bobbin weaving, tatting, etc. Members should attach information on the history of the ethnic fiber art, where it was used, by whom, how it was used, short description of the technique, etc. (See #9 above)

Class 9 Macramé, an article

FOODS AND NUTRITION

*Judy Elwood, Gordon Pettibone,
Jill Reichert, Kayla Unger, Vickie Lippelmann*
\$1.00 - \$0.75 - \$0.50

1. See General Rules.
2. A 4-H member may enter no more than six entries. All baked goods should come to the fair packaged for exhibition. Complete recipes with ingredients and instructions must be attached with the entry or the placing will be lowered one ribbon when judged.
3. All baked goods must be left whole and uncut. Items should be exhibited out of their baking container, in a see-through disposable container, with the exception of pies which can be brought in a clear pyrex baking dish. Cake boxes are available at the extension office. The entire item must be entered.
4. Small items, such as cookies and rolls, should be the same shape and from the same recipe. Exhibit 3 cookies, 3 muffins, 3 bread sticks, etc, on a paper plate in a clear Ziploc bag. Attach the entry tag and recipe to the outside of the plastic bag. DO NOT wrap forms in plastic. Exhibitors entering classes that require 3 samples of the product should bring should bring the remainder of the recipe packaged separately in a see through disposable container so it may be sold at the Food Auction.
5. Label each exhibit including name, class name, and class number. Attach food labels to the top of the box or container. Labels are available at the extension office.
6. The exhibitor may attach a 3" x 5" index card with the entry form to give the judge information which the exhibitor thinks would be helpful for the judge to know.
7. All un-frosted cakes should be exhibited in an upright position with crust showing. The exception is for cakes made with special designs such as Bundt cakes. They should have top crust side down.
8. For food safety purposes, any entries with frostings and fillings must calculate the amount of sugar in the frosting/filling recipe only. The calculation must be attached to entry, or the placing will be lowered one ribbon when judged. Frosting and fillings need to contain more than 65% sugar for safety. Examples on how to calculate this percentage are included in the publication located at: <https://bookstore.ksre.ksu.edu/pubs/MF3544.pdf> A worksheet is available at: https://bookstore.ksre.ksu.edu/item/frostings-and-fillings-worksheet_4H1171 An exception is German Chocolate Cake frosting, they are safe at room temperature. This is also available at your local extension office.
9. For decorated cakes, both cake and decorations will be judged. Decorate real cakes only. Cake shall not exceed 18" in height. Decorated special event cakes are not eligible for state fair.
10. For food safety purposes, any food with custard and dairy-based fillings and frostings (ex. Cream cheese regardless of sugar content) raw eggs, flavored oils, "canned" bread or cakes in a jar, cut fresh fruit or any food requiring refrigeration (ex. Bacon) or unbaked exhibit with raw flour (ex. No bake cookies) will be disqualified and not judged.

11. Alcohol (ex. wine, beer, and hard liquor) is not allowed as an ingredient in food entries. Entries with alcohol in the recipe will be disqualified and not judged.
12. Educational displays must be NO larger than a 3'x 4' tri-fold display board. They will be judged 60% on nutritional information provided and 40% on design and general appearance. A poster may be no larger than 22" x 28". (Recipes in a box or notebook are not eligible.)

Class 1* Beginner, non-perishable food product

Class 2* Beginner, educational exhibit

Class 3 Junior, non-perishable food product

Class 4 Junior, educational exhibit

Class 5 Intermediate, non-perishable food product

Class 6 Intermediate, educational exhibit

Class 7 Senior, non-perishable food product

Class 8 Senior, educational exhibit

Class 9 Food Gift Package

*Not eligible for KSF

Food Gift Package. No alcoholic beverages will be accepted. Must contain at least 3 different food items, prepared by the 4-H'er, in a suitable container no larger than 18" x 18" x 18". Prepared food items must have recipes attached with the entry. Additional homemade food items beyond the 3 minimum, or purchased items may also be included in the gift basket. On the back of the entry card, answer these questions: A) what is the intended use; B) what food safety precautions were taken during and after preparation? This entry will count as a non-perishable food product, not as an educational exhibit. Baked products will be tasted at judging.

For state fair, only 4-H members in Junior, Intermediate, and Senior Foods and Nutrition will be able to exhibit at the state fair (must be 9 years old by January 1 of current year). Members may enter only one entry in a division class and one entry in an educational class at the KSF.

Food & Photography Auction

1. Exhibitors will draw for food & photography auction order at judging. (One item to be listed in the first half of the order, and one item to be listed in the second half of the order.) A maximum of 2 items (ex. 2 photography or 2 foods or 1 photography and 1 foods) can be sold.
2. Grand and Reserve food & photography items will be sold first beginning with Seniors. Grand and Reserve exhibitors' second food item will sell in the second half of the sale.
3. All exhibitors are expected to be present at 6:00 p.m. Exhibitors not present will forfeit sale privileges.
4. Food and Photography sold through the Auction will be given to the buyer. If the item is selected for the Kansas State Fair, a new item will be sent to the Kansas State Fair.

FOOD PRESERVATION

\$1.00 - \$0.75 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. Exhibits must have been preserved since the member's previous year's county fair, and not been exhibited at the previous State Fair.
3. Recipes and processing methods from the sources below are recommended. Recipes must be from current, tested resources listed below and must be adjusted for altitude based on your processing location. Processing methods that will be disqualified include: open kettle-canning, oven canning, sun canning, and using electric multi-cookers. If using the Presto Precise ® Digital Pressure Canner, please indicate the appliance is used for either water bath or pressure canning. Untested recipes will be disqualified for food safety reasons. Tested recipe resources include:
 - K-State Research and Extension Food Preservation publications and other university extension food preservation publications
 - USDA Complete Guide to Home Canning, @2015
 - So Easy to Preserve, 6th edition, The University of Georgia Cooperative Extension Service
 - Ball® Blue Book Guide to Preserving, Edition 38
 - Ball® Complete Book of Home Preserving, @2024
 - Canning Mixes (i.e. Mrs. Wage's, Ball®)
 - Pectin manufacturers (i.e. SureJell, Ball®)
 - KSRE Rapid Response Center Preservation Recipes
 - National Center for Home Food Preservation
 - Ball® and Kerr
4. No alcohol should be included as an ingredient in food preservation entries. Entries with alcohol in the recipe will be disqualified and not be judged.
5. Each member may enter up to two exhibits in this division, but only one entry per class.
6. Each exhibit must have the complete recipe and instructions attached with the entry card or it will be disqualified. Recipe must include exhibitor name, recipe source, date of publication, altitude and where food was processed. If using Mrs. Wage's or Ball® mixes, indicate the date the mix was purchased.
7. Exhibits must be sealed in clean standard canning jars, with matching brand (use Ball® lids on Ball® jars, or Kerr lids on Kerr jars, etc.) two piece lids. Do not use colored jars. Do not add fancy padded lids, fabric over wraps, or cozies as they interfere with the judging process. No fancy packs unless recipe states to do so (ex. pickled asparagus). Jars must be sealed when entered. For food safety reasons, the size of jars used must not be larger than the jar size stated in the recipe. Note: There are 12-oz, 24-oz, and 28-oz canning jars available to use. Use pint jar process recommendations for 12-oz jars. Use quart jar process recommendations for 24-oz and 28-oz jars.
8. Each jar exhibited must be labeled. The label must not cover brand name of jar. The label must give: Class Number, Product, Altitude where processed, Canning Methods (water bath, weighted gauge or dial gauge pressure method), Process Time, Pressure (psi), Date processed including

month and year, Name, and County/District. Templates for adhesive labels can be picked up at your local extension office.

9. Classes 1-6 will require one jar for each class.

10. Hole punch the entry card and use a rubber band to attach the entry card and recipe around the top of the jar.

11. If dried food product is not in a canning jar, it will be lowered one ribbon rating. Suggested amount: 1/3 to 1/2 cup, or three or four pieces per exhibit. All meat jerky must be heated to an internal temperature of 160 degrees F before or after drying. This is not the drying temperature! Dried products must include the recipe, preparation steps and heating instructions. Jerky not heated to an internal temperature of 160 degrees F will be disqualified and not be judged. Heating information can be found in MF3173 - "Dry Meat Safely at Home".

12. There are no safe recommendations to can white peaches or elderberries.

Class 1 Sweet Spreads (Fruit and/or Vegetables), Syrups; One jar

Class 2 Fruits, Juices, Fruit Mixtures; (Salsa, Pie Filling, etc.); One jar

Class 3 Low Acid Vegetables (green beans, corn, etc.); One jar

Class 4 Pickles (Fruit or Vegetable), Fermented Foods, Relishes and Chutney; One jar

Class 5 Tomato/Tomato Products, Juice and Salsa; One jar (Salsa in pints only, no quarts);

Class 6 Canned Meats; One jar

Class 7 Dried Foods; One small jar (Does NOT include Freeze Dried)

FORESTRY

\$1.50 - \$1.00 - \$0.75

1. Each member may enter up to 2 exhibits in Forestry, but only one entry per class. Participants can exhibit in a collection phase and one other class or they may exhibit in any two non-collection classes.

2. All leaf exhibits are to be mounted on 8 1/2" x 11" heavy stock paper and placed in looseleaf binders. (Magnetic or adhesive filler sheets for photographic prints or sheet protectors are recommended.) Twigs and fruit collections may be exhibited in whatever manner you choose (maximum exhibit size 2' x 3'). Maximum trifold size is 3' x 4'.

Resources for exhibiting are located on the Kansas 4-H Forestry project page.

3. Name, club, age, and year in project should be on front cover or in a prominent location.

4. Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include (1) the proper common name as listed in the 4H Bulletin 334, "List of Native Kansas Forest Trees". (2) location (city and/or county) where collected; and (3) date (day, month, year) or (month, day, year) collected.

5. Divide specimens into the following two sections: Native Kansas Trees and Non-Native Trees.

6. New specimens are those specimens collected during the current 4-H year and cannot be a duplicate tree species of previously displayed specimens.

7. Group specimens according to the years collected (ex. “old-previous years” and “new”).
8. Variations of varieties do not count as different species or specimens.
9. When replacing previously displayed samples, the specimen label must be updated. Replacements do not count as new specimens. Replacements should be displayed in the “old previous” section of the display.
10. If you retrieve information for your forestry exhibit, you must include a reference citation to the source.
11. In all leaf collections, exhibit one complete leaf where possible. If leaf is too large, exhibit as much as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion is from. Note: A “leaflet” is incorrect when displayed as the complete leaf for the tree.
12. All work must show originality. Leaf collections and displays should not closely resemble work done by others in the same club. Knowing Trees as Individuals (Leaf Collections**)
13. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.

Knowing Trees as Individuals (Leaf Collections)

Class 1 Forestry Collection:

(Choose either A or B) Only those exhibiting for the first year may enter this class.

A. Exhibit a minimum of 10 different leaves from native Kansas trees collected within the year. Exhibit can include non-native leaves in addition to the required number of leaf specimens from native Kansas trees.

B. Exhibit a minimum of 5 native Kansas trees showing leaf, twig, and fruit from each species.

Class 2 Forestry Collection:

(Choose either A or B) This class is open to those exhibiting either for the first or second time.

A. Exhibit a minimum of 20 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens from native Kansas trees.

B. Exhibit a minimum of 10 native Kansas trees showing leaf, twig, and fruit from each species. This exhibit must include 5 new leaf, wig, and fruit specimens.

Class 3 Forestry Collection:

(Choose either A or B) This class is open to those exhibiting either for the third or fourth time.

A. Exhibit a minimum of 30 different leaves (including 10 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens from native Kansas trees.

B. Exhibit a minimum of 15 native Kansas trees showing leaf, twig, and fruit from each species. This exhibit must include 5 new leaf, wig, and fruit specimens.

Class 4 Forestry Collection:

(Choose either A or B) This class is open to those exhibiting either for the fifth time or longer.

A. Exhibit a minimum of 40 different leaves (including 20 new specimens) from native Kansas trees. Exhibit can include non-native leaves in addition to the required number of leaf specimens from native Kansas trees.

B. Exhibit a minimum of 20 native Kansas trees showing leaf, twig, and fruit from each species. This exhibit must include 10 new leaf, wig, and fruit specimens.

How A Tree Grows

Class 5 Notebook: Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or a mounting of a thin section of wood cut from the end of log or top of stump labeled with information such as kind of wood and age of tree when cut or exhibits an illustration of how a tree grows.

Tree Appreciation

Class 6 Notebook: Entry may include a research or reporting project notebook with no more than 10 pages based on the exhibitor's selected tree. Exhibit must be a different species of tree each year. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected.

Growing and Protecting Trees

Class 7 Display/Notebook: Entry requires a display, or project notebook, telling about project and pictures before, during, & after planting seedlings, a container tree, or a balled and burlapped tree. Maximum tri-fold size is 3' x 4'.

Tree Culture

Class 8 Display/Notebook: Entry requires a display or project notebook telling about project work and includes pictures of before, during and after wood lot improvement. Maximum tri-fold size is 3' x 4'.

How Forests Serve Us

Class 9 Entry may include collected wood samples (all or partial) and 2 page essay. Wood sample display to be mounted on poster board or any stiff material no larger than a 3' x 4' tri-fold. Essay should be displayed in a covered binder.

Educational/Creative Exhibit

Class 10 Entry must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.) given a maximum tri-fold size of 3' x 4'. Care should be taken to use durable materials that will withstand fair conditions. This is a good class to exhibit an unusual collection.

GEOLOGY

Sheri Jacobs

\$1.50 - \$1.00 - \$0.75

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. The exhibit box should be 18" x 24" x 3 1/2".

Plexiglass covers are required. Boxes with glass covers WILL NOT be accepted. All specimens are to be arranged across the narrow (18") dimension of the exhibit box, making the exhibit 18" across the top and 24" deep exactly. If a box has a sliding Plexiglass cover, it must be removable from the top. Screws, locks, or other devices that would prevent judges from removing the cover should not be used.

3. Each exhibitor is required to identify each display box by placing an identification label bearing name, county or district, and number of specimens in the upper left-hand corner of the Plexiglass cover (inside-use clear double-sided tape to adhere gummed labels), and by attaching a label with the same information on the lower right corner of the box (outside).
4. Exhibitor may enter in both geology and lapidary classes. Exhibitor may show in only one of the first four geology classes. Exhibitor may also show in geology class 4 (special exhibit), class 5 and in one lapidary class.
5. Geology specimens should be labeled with the number of the specimen, date collected, specimen name or description, and locality (county) where collected.
6. For the geology classes 1, 2, 3, & 4, specimens should be mounted in the box by proper groups: rocks, minerals, fossils. Fossils must be identified to the Phylum, Class and Genus level. More than one specimen of the same kind of rock or mineral or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; exact species must have different formation names listed on the I.D. card; Composite Brachiopod from Morrill Limestone not just Brachiopod or Composita Brachiopod).
7. For geology classes 1, 2, 3 and 4, all specimens must be collected from locations in Kansas. Outofstate specimens will not count in the minimum number for the class, nor will they be considered in the judging.

Class 1 Geology. Display at least 15 rocks, minerals, and fossils collected during the current 4H year. Exhibitor is limited to one exhibit box. Only those exhibiting for the first time may enter this class.

Class 2 Geology. Display at least 30 different rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4H year. Exhibitor is limited to one exhibit box. This class is open to those exhibiting either their first or second time.

Class 3 Geology. Display at least 45 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Exhibit limited to 2 boxes. This class is open to those exhibiting either their third or fourth time. List the items as igneous, metamorphic or sedimentary.

Class 4 Geology. Display at least 60 rocks, minerals, or fossils, at least 5 of each. Fifteen must be collected during

the current 4-H year. Exhibit limited to 2 boxes. This class is open to those exhibiting five times or more at the fair. List the items as igneous, metamorphic or sedimentary.

Class 5 Geology Education Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Exhibit limited to 4 feet of table space. Care should be taken to use durable materials that will withstand County/State Fair conditions.

Class 6 Mineralogy. Display a minimum of 15 mineral specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. The minerals are to be grouped by mineral class (i.e.: Carbonates, Oxides, Silicates) and at least 3 classes must be represented. The member must use one standard display box. The specimens must be labeled with the number of the specimen, date collected, name of specimen, county where collected, and chemical composition (i.e.: CaCO_3 for calcite) if known.

Class 7 Paleontology. Display a minimum of 15 fossil specimens collected by the participant in Kansas, at least 5 of which have been collected during the current 4-H year. The fossils are to be grouped by Phylum and Class, and at least 3 phyla must be represented (Brachiopoda, Chordata, Mollusca, etc.) The member must use one standard display box. The specimens must be labeled with the number of the specimen, date collected, county where collected, formation, member or source, phylum, class, and genus or part and geological (Cretaceous, Permian, Pennsylvanian, etc.)

Class 8 Petrology. Display a minimum of 15 rock specimens collected in Kansas, at least 5 of which have been collected during the current 4-H year. Rocks are to be grouped by the 3 rock classes (Sedimentary, Igneous, and Metamorphic). You must display at least one specimen from each of the three classes. The specimens must fit in one standard display box. Specimen labels must include a specimen number, the date collected, name of specimen, and the county where collected. All rocks must be identified by the formation and member name (Examples: Fort Hays Limestone, Member of the Niobrara Chalk Formation) or source (Examples: Rocky Mountain Outwash, glacial till).

Lapidary will be judged on the following criteria:

Workmanship and Content	60 points
Presentation and Showmanship	30 points
Accuracy of Information	10 points

All lapidary specimens should be labeled with the following information:

- Specimen name, Place of origin (country, state, or county; county required for Kansas specimens), Purchased or self-collected, Date lapidary treatment began, Date lapidary treatment completed (Treatment completed after the State Fair is considered a new year specimen).

Class 9 Lapidary. Display at least 5 varieties of polished (tumbled) specimens and 5 varieties of unpolished specimens that have not yet received lapidary treatment. These do not have to be an example of "before and after", nor do they have to be self-collected. Locales must be identified. Only those exhibiting lapidary at the State Fair for the first time may exhibit in this class.

Class 10 Lapidary. Display before-and-after examples of at least 3 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. There is no requirement that the 4-H'er collect any of these. Locales must be identified. Lapidary work should be done during the current 4-H year.

Class 11 Lapidary. Display before-and-after examples of at least 6 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least two varieties should be collected from the native site by the 4-H'er, at least one of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 12 Lapidary. Display before-and-after example of at least 9 varieties of specimens, at least 2 tumble-polished and 2 unpolished of each. At least three varieties should be collected from the native site by the 4-H'er, at least two of which comes from Kansas. Locales must be identified. Lapidary work on at least three varieties should be done during the current 4-H year.

Class 13 Lapidary. Exhibit at least 6 specimens that have not previously been exhibited, which have received lapidary treatment. Lapidary treatment may consist of polishing, and end, face, or flat lapping. Specimens must represent at least 3 different varieties and include at least 3 cabochons of any size or shape, only one of which may be free-formed. A cabochon is a style of cutting in which the top of the stone forms a domed or curved convex surface. Three of the specimens must be mounted into jewelry findings.

HORTICULTURE & LANDSCAPE DESIGN

\$1.00 - \$0.75 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. 4-H'er must be enrolled in the 4-H Horticulture & Landscape Design project to exhibit in this division.
3. Exhibitor may enter no more than 13 total items.
4. Secure entry form to disposable plate or container with string or tape. Use a sturdy disposable plate, bowl or container that will support the weight of the produce.
5. An Evaluation Card will be used with each entry.
6. Annuals & perennials should be in disposable containers. Arrangements should be in containers of the exhibitors choice.
7. Only three entries per class may be exhibited.
8. Houseplant must be cared for by the exhibitor for a minimum of six months.
9. Cut specimens should be grown and collected, NOT purchased.

Horticulture

Class 1 Small vegetable (plate of 6): green snap beans, wax beans, English peas, or other similar sized vegetables.

Class 2 Medium vegetable (plate of 2): beets, carrots, cucumbers, decorative gourds, potatoes, miniature pumpkins, okra, onions, peppers, radishes, sweet potatoes, tomatoes, or other similar sized vegetables.

Class 3 Large vegetable (one): cabbage, cantaloupe, eggplant, large pumpkin, squash, watermelon.

Class 4 Fresh Culinary herbs (3 stems): parsley, basil, dill, etc. Six stems (or a comparable quantity) of one variety of fresh herbs must be exhibited in a disposable container of water. Dried herbs are not accepted.

Class 5 Small fruits (6 fruit): strawberries, blackberries, raspberries, or other similar sized fruits.

Class 6 Tree fruits (plate of 2): apples, pears, peaches, or similar sized fruits.

Class 7 Grapes (plate of 1 bunch)

Class 8 Garden Display-The Garden Display must be exhibited in a tray, basket or container that can be easily moved by the fair staff. Exhibit consists of 5 different types of fresh vegetables or fruits, using the quantity guidelines from above, depending on type selected. Canned products and shelled vegetables are not acceptable. Only one variety of each type of vegetable or fruit may be exhibited.

Class 9 Horticulture Notebook. Entry shall consist of a notebook or 3-ring binder of written narrative describing a horticulture project such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer's market business, or other horticultural project. 4-Hers are encouraged to include photos, illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during and after the completion of the project are helpful. May enter one horticulture notebook. Scoring is based on the following criteria: 20% Organization and General Appearance (title page, contents, etc) 40% Narrative (includes goals, successes, failures, etc) 40% General Content (subject matter, photos, maps, knowledge gained)

Floriculture

Class 10 Annual Garden flower, single stem

Class 11 Perennial Garden flower, single stem

Class 12 Fresh Flower arrangement, must be grown/collected by exhibitor

Class 13 Dried Flower arrangement, no fabric or plastic

Class 14* Terrarium

Class 15* House plant

Class 16* House plant, flowering

Class 17* Silk arrangement

Class 18* Fairy or Miniature Garden. Container is limited to 16"x16"x16" in size.

*Not eligible for KSF.

***INTERIOR DESIGN & ARCHITECTURE**

*Not eligible for KSF in 2025

\$2.00 - \$1.00 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. An entry card must be attached to the exhibit with safety pins or tape and string.
3. A member may make only one exhibit in this division.
4. A summary including plans, explanation of how the items was made or refinished, and how it fits into the color and design of the room. Summary could also include project inspiration, challenges, who helped you, and any other

information that could be helpful to the judge. Summary should be in a plastic protective sleeve & attached to exhibit.

5. Projects with missing or insufficient summary will be lowered one ribbon placing (i.e. a blue ribbon exhibit will receive a red ribbon).

6. Exhibits should be of high quality (as compared to quick, simple crafts), suitable for use in the home several months throughout the year. Holiday-specific items are discouraged.

Class 1 Single Exhibit. An article (furniture, fixtures, interior or exterior, etc.) made or refinished by the 4-H member for the home. Must include attached summary.

Class 2 Design Board. Boards must be on foam core or a standard tri-fold display. Include: color scheme, wall treatment, floor treatment, samples, etc. and/or floor plan for a room. Must include attached summary.

Class 3 Notebook. Notebooks may include floor plans, swatches, colors, stories, photographs, and project records which detail what was accomplished this year with a given indication of long-term plans. Notebooks should also include project inspiration, challenges, who helped you, and any other information that could be helpful to the judge. Additional summary is not required for Notebook exhibits.

PHOTOGRAPHY

Susan Nelson, Pam Wilson

\$1.00 - \$0.75 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. Black and white and color prints may be exhibited.
3. A maximum of four color and four black and white photographs for a total of 8 photographs may be exhibited. In addition, 1 Digital Composite Image may be exhibited.
4. Photographs entered must be the result of the current year's project work by the 4-H member/exhibitor. Photo images must be taken by the 4-H Member (exhibitor).
5. Photos are to be mounted across the narrow (11") dimension of an 11" x 12.5" sheet of white or cream studio matte board. Photos must be mounted on photo mats bought from the Extension Office.
6. Remove white border from the enlargement before mounting. All photos must be no larger than 8" x 10" and no smaller than 7" x 9", after trimming.
7. Photos must be mounted with the top edge of the print 1" below the top of the mount (board is always oriented narrow side up). The sides of the print must be equal distance from the two sides of the mount.
8. A full coverage permanent mount (spray adhesive recommended or heat mount) must be made.
9. Improperly mounted photos, oversize or undersize photos or photos with the white borders not removed or lettering (including dates) on the photo, will be awarded a ribbon one placing lower than the placing determined by the official judges.
10. To protect exhibits from dust and moisture, place mounted photo in an unsealed photo sleeve bought from the Extension Office.
11. No lettering, including dates, is permitted on the front of the mount or on the photo. Only the Kansas State Fair 4-H Photography ID Strip is to have lettering on it. No underlay or borders are to be used.

12. Photographs taken with a digital camera and having no more adjustments than exposure, color intensity or correction, one click filter effects, red eye removal, cropping, dodging and burning should be entered in the standard color or black and white classes. HDR photos are to be entered in the standard photo class.

13. Black and white classes are for black and white prints only. Monochromatic prints, including sepia prints are considered color photos and must be entered in the appropriate color photo class.

14. Photo ID Strip: the Kansas State Fair 4-H Photography ID Strip (available from your Extension Office and online) must be used and mounted correctly on the bottom front of the matte board.

15. Members may enter only one portfolio each year.

16. Photographs of live subject(s) on railroad right of way or taken from railroad right of way property will be disqualified and not judged.

17. Copyright protections must be observed.

18. My Favorite 4-H Photography Display: This class is only for those photography project members with 10 or more years of experience. This class is a non-judged, mounted display consisting of 4 favorite photos from the member's photography career in 4-H. All 4 photos will be mounted with a 5th mount reserved for a 1 page, printed or handwritten narrative/description that details each photo & why the exhibitor regards these photos as their most significant work. Photos & narrative/description will be displayed on 1 row of the photography racks. This class provides an alternate way to showcase the development & accomplishments of the 4-H member's photography career.

Class 1 Color photos taken by a 4-H member with 3 years or less in the project.

Class 2 Color photos taken by a 4-H member with 4-7 years in the project.

Class 3 Color photos taken by a 4-H member with 8 or more years in the project.

Class 4 Black & white photos taken by a 4-H member with 3 years or less in the project.

Class 5 Black & white photos taken by a 4-H member with 4-7 years in the project.

Class 6 Black & white photos taken by a 4-H member with 8 or more years in the project.

Class 7 My Favorite 4-H Photography Display - See above requirements. Develop a short biography piece. Tell how/when an interest in photography began; Explain why each of the 4 photos is a favorite; Share the skills learned because of photography. Think beyond the camera skills & include leadership, community service, etc; Tell of any mentors/leaders worked with; Share workshops or camps pertaining to photography you attended; Explain (if relevant) any plans to use photography skills beyond 4-H/High School; Include a small (2 X 3) photo of yourself at the start of the biography; Print the biography document and mount it on a standard mat board.

Portfolio Classes

Class 8 Growth Portfolio - See Kansas State Fair Book for most recent rules.

Class 9 Career Portfolio - See Kansas State Fair Book for most recent rules.

Food & Photography Auction

1. Exhibitors will draw for food & photography auction order at judging. (One item to be listed in the first half of the order, and one item to be listed in the second half of the order.) A maximum of 2 items (ex. 2 photography or 2 foods or 1 photography and 1 foods) can be sold.
2. Grand and Reserve food & photography items will be sold first beginning with Seniors. Grand and Reserve exhibitors' second food item will sell in the second half of the sale.
3. All exhibitors are expected to be present at 6:00 p.m. Exhibitors not present will forfeit sale privileges.
4. Food and Photography sold through the Auction will be given to the buyer. If the item is selected for the Kansas State Fair, a new item will be sent to the Kansas State Fair.

ROBOTICS

Sheri Jacobs

\$1.50 - \$1.00 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. 4-H members must be currently enrolled in the 4-H ROBOTICS project to exhibit in this division.
3. Each exhibitor may enter one robot per class. Exhibit must have been constructed and/or completed during the current 4-H year.
4. See project rules in the Kansas State Fair Book
5. Robots may be powered by an electrical, battery, water, air, or solar source only. Junk drawer robots may be powered by a non-traditional power source. Robots powered by fossil fuels/flammable liquids will be disqualified. Robots that include weaponry of any kind will be disqualified. Weaponry is defined as any instrument, possession, or creation, is defined as any instrument, possession, or creation, physical and/or electrical that is intended to inflict damage and/or harm to individuals, animal life, and/or property.
6. Exhibitor's name(s) & county or district must be tagged or labeled on the robot such as on the bottom of the robot, exhibit cards are not an acceptable form of labeling.

Junior Division: Ages 7 – 8 years, not eligible for KSF

Class 1* Robot made from a commercial (purchased) kit (no programming, just assembly.)

Intermediate Division: Ages 9-13 years

Class 2 Robot made from a commercial (purchased) kit. (No Programming, just assembly.)

Class 3 Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.

Class 4 Programmable robot made from a commercial (purchased) kit.

Class 5 Robot designed and constructed by exhibitor or from a commercial kit that is operated by a remote controlled device.

Class 6 Junk Drawer Robotics

Class 7 Robotics Educational Display

Class 8 Robotics Educational Notebook

Class 9 Robotics Education Poster

Senior Division: Ages 14 and up

Class 10 Robot made from a commercial (purchased) kit (No programming, just assembly.)

Class 11 Robot designed by exhibitor. The robot must not be a mere modification of an existing robot kit or plan.

Class 12 Programmable robot made from a commercial (purchased) kit.

Class 13 Robot designed and constructed by exhibitor or from a commercial kit that is operated by a remote controlled device.

Class 14 Junk Drawer Robotics

Class 15 Robotics Educational Display

Class 16 Robotics Educational Notebook

Class 17 Robotics Educational Poster

Division D - Team Robotics Project

Class 18 Robot designed and constructed by two or more 4-H project members. The robot must not be a mere modification of an existing robot kit or plan. The robot may be a programmable type that is made from a commercial (purchased) kit. This division is designed to encourage teamwork and cooperation among fellow 4-H members. As with many high-tech projects today, no one person designs and builds a robot alone. It takes the brainstorming, planning, problem solving, and cooperation of an entire team to complete a given robotics project.

***SELF-DETERMINED**

\$1.00 - \$0.75 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. A 4-H member may enter two exhibits per class. No more than two classes per exhibitor will be accepted.
3. 4-H member must be enrolled in a self-determined 4-H project to be eligible to participate.

Class 1 Notebook or Poster

Class 2 Table Display

Class 3 Finished Product

SEWING & TEXTILE DESIGN

Judy Elwood

\$2.50 - \$1.50 - \$0.75

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. Exhibitors may exhibit two entries per class.
3. Garments, both new and worn, shall be pressed and laundered for exhibiting. Place garment on a hanger with hook turned to right shoulder of garment when looking at front side. Attach skirts to hanger with large safety pins. Use of protective clear plastic bag is required. Items should be hung on swivel or wire hangers (no plastic hangers). Multiple-piece exhibits should be fastened together and noted on the card how many pieces make up the exhibit.
4. Pre-cut kits are acceptable for all clothing classes. All articles/garments must be finished for use.
5. Since care labels are not always available now, NO care labels will be required. However, 4-H members are expected to know how to care for the fabrics they purchase.

6. Educational Exhibits may be in the forms of a poster, notebook, or display. If the exhibit is a poster, it must not be larger than 22" x 28". If the exhibit is a display, maximum size is a 2' x 3' tri-fold display board. Name and county or district must be clearly marked on exhibit.

7. If not present for judging, exhibit will be marked down one ribbon level and not be eligible for grand or reserve grand champion placing. Premium money will be forfeited for this item.

8. Identification Labels (sew or use a safety pin, no straight pins may be used to attach these items)

a. Type or print on 3" x 2½" piece of cloth: Class Number, County or District, Name and number of pieces in exhibit, ie 1 of 2, 2 of 2.

b. Attach labels on inside of garment with a safety pin or corner stitches(back of neck, center back of waistband, or left end of apron band). Label each piece.

9. The exhibitor is encouraged to attach an index card or photo, no larger than 4" x 6" with the entry form to give the judge any information which the exhibitor thinks would be helpful for the judge to know and could include care information. If your exhibit qualifies for the Wool Award, please indicate you would like your exhibit considered and share wool percentage on the card.

10. Include name and county/district on all educational exhibits.

DEFINITIONS:

Article - An item constructed in a clothing project, such as a backpack, laundry bag, garment bag or any other item suggested in project manual. May be hand or machine sewn and may include applique or machine embroidery on the articles made. suggested in project manual. sewn and may include applique or machine embroidery on the articles made. suggested in project manual. May be hand or machine sewn and may include applique or machine embroidery on the articles made.

Garment - A garment can be a skirt, a vest, a blouse, a May be hand or machine sewn and may include applique or machine embroidery on the articles made.

Two-piece outfit -Two coordinated pieces that can be worn at the same time, but do not necessarily make a complete outfit. Example: a vest and skirt.

Recycle-Item made of at least 50% recycled material (re-using an existing item in a new way). Could be remaking/ redesigning a garment, re-purposing a clothing item for a new use, etc. MUST attach a 3"x5" index card describing the recycled materials & how they were used.

LEVEL I (Suggested Age 7-8)

Class 1* Applique

Class 2* Needle holder

Class 3* Sewing kit

Class 4* Miscellaneous

Class 5* Tote bag

Class 6* Pin Cushion

Class 7* Swatch book (samples of techniques)

Class 8* Recycle

*Not eligible for KSF.

LEVEL II (Suggested Age 9-11)

Class 9 An article

Class 10 A garment

Class 11 Two-piece outfit

Class 12 Educational exhibit prepared by an exhibitor enrolled in the Clothing and Textiles project

Class 13 Recycle

LEVEL III (Suggested Age 12-13)

Class 14 An article

Class 15 A garment

Class 16 Two-piece outfit

Class 17 Educational exhibit prepared by an exhibitor enrolled in the Clothing and Textiles project

Class 18 Recycle

LEVEL IV (Suggested Age 14+)

Class 19 Child's garment (see note below)

Class 20 Make-over garment (include a statement indicating the type of garment from which it was made, total cost of additional materials required and any special problems encountered)

Class 21 Dress (see note below)

Class 22 Formal (see note below)

Class 23 Suit (see note below)

Class 24 Coat (see note below)

Class 25 Tailored wool or wool-blend garment (must be at least 90% wool)

Class 26 Other Complete Costume (see note)

Class 27 Recycle

NOTE: For complete costume only, attach an 8 1/2" x 11" sheet of paper (unfolded, in a clear plastic folder), using a string to hang it on the hanger. Include: name, county, occasion where outfit will be worn and list of accessories to be worn with outfit. Include a full-length color picture of yourself (or the person you have made the complete costume for) in the costume, showing shoes and other accessories.

SHOOTING SPORTS

Sheri Jacobs

\$1.50-\$1.00-\$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. See General Rules.
3. The 4-H member must be enrolled in any 4-H Shooting Sports project to exhibit in this division.

4. Each exhibitor may only exhibit one entry per class.
5. Exhibits must have been completed during the current 4-H year.
6. Exhibit sizes will be strictly enforced.
7. No “live” ammunition containing propellant or explosive powders may be used in any display. An inert substitution must be used in lieu of powder and “live” ammunition, the substitution must be clearly described on the back of the poster, display or in a notebook.
8. Name, county or district, age and year in project should be on the front of the poster, display, or notebook unless special arrangements are made because of the declination of the 4-H Publicity Release.
9. Exhibits will not be accepted if they are related to reloads.

Class 1 Educational Display. Must be directly related to the 4-H Shooting Sports Project (standard tri-fold boards only, no larger than 3’x4’).

Class 2 Promotional Poster. Must promote 4-H Shooting Sports. Max size 22”x30”.

Class 3 Notebook. Contents pertain to some phase, results, story, or information about 4-H Shooting Sports. No larger than 8 ½” x 11”.

Class 4 Shooting Aid or Accessory. Any item the 4-Her makes which helps the shooter/hunter better perform their sport, examples: rifle sling, kneeling roll, arm guard, shotgun vest, target boxes, shooting stick, etc. Include your design, or plans you adapted, what the item is and used for.

Class 5 Storage Case. Any item the 4-Her makes with the purpose to safely hold a firearm, bow, ammunition, and/or arrows. Examples: soft sided shotgun case, quivers, firearm safe, include your design, or plans you adapted. Explain how the storage case is used.

Class 6 Practice Game or Activity. Invent or adapt an activity to practice or teach a project skill. Include pictures of youth playing the game, testimonials of 4-H members who played the game, what skill is being worked on, and directions for the game. Explain how you came up with the game or adapted it to fit the needs of your group members.

SMALL ENGINES

Sheri Jacobs

\$2.00 - \$1.50 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. Exhibitor must be enrolled in the Small Engine Project.
3. All exhibits should involve engines smaller than 20hp. Engine should contain no fuel in tank or carburetor.
4. Each Small Engines exhibit must include a “4-H Small Engines Information Form”, which is available through your local K-State Research and Extension office. Place them inside a 10”x13” manilla envelope. For notebooks, display boards, and posters, no additional exhibit information is required; no manilla envelope is needed for these exhibits
5. Items that have been in use should be cleaned for exhibit.
6. A sheet of operating instructions must be included in the packet for any exhibit that is not self-explanatory.

Display: Exhibit a display, selecting one of the following options: 1) a display identifying different engine or lawn and garden equipment parts or a display showing the function of the various engine or lawn and garden equipment parts; OR 2) a display identifying and explaining the function(s) of different special tools needed for small engine work; OR 3) a display illustrating and providing the results of any one of experiments that are included in the project books. No complete engines, lawn tractors, tillers, chainsaws are permitted for display. Maximum tri-fold size is 3' x 4'.

Maintenance: Exhibit a display that illustrates either: 1) Routine maintenance procedures OR 2) Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display, using a maximum tri-fold size of 3' x 4'.

Operation: Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include maintenance schedule for the engine and a brief description of steps taken by the member overhauling or rebuilding the engine. Engine should contain no fuel in tank or carburetor. All exhibits in this division are limited in size to standard, tri-fold, display boards (36" X 48") and items may not extend beyond 24" from the back board. All displays must be self-standing.

UNCREWED AERIAL SYSTEMS

Sheri Jacobs

\$1.50 - \$1.00 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. The 4-H member must be enrolled in the 4-H Uncrewed Aerial Systems project to exhibit in this division.
3. Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year.
4. See project rules in the Kansas State Fair Book.

Level 1 (7-13 years of age)

Class 1 UAS designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit/plan. You may not exhibit a UAS that is purchased off the shelf in this class.

Class 2 Practical application of an Unmanned Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Level 2 (ages 14+)

Class 3 UAS designed and constructed by exhibitor that is operated by a remote-controlled device. The UAS must not be a mere modification of an existing kit or plan. You may not exhibit a UAS that is purchased off the shelf in this class.

Class 4 Practical application of an Uncrewed Aerial System constructed from a commercial (purchased) kit. This includes the UAS, plus one or more of the following: video, notebook, poster, display board, etc. This class is separate from educational exhibits. A tangible use would be mapping Russian olive trees, eroded soils, and bindweed in fields, etc. There are also many other non-agricultural UAS uses that would be appropriate for this class.

Class 7 Notebook

VETERINARY SCIENCES

Sheri Jacobs

\$1.50-\$1.00-\$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. A Veterinary Science exhibit may consist of a poster, notebook, or project display. The exhibit may represent material from any of the Veterinary Science projects including entry level exhibits from Unit I.
3. If photographs are to be part of the exhibit, remember that they will be viewed by the public. Make sure that the photographs are in good taste and will not be offensive to anyone. Graphic photographs of excessive bleeding, trauma or painful procedures are not appropriate. For exhibits related to veterinary surgical procedures, aseptic techniques need to be shown, for example, use of drapes, use of sterile procedures, wearing of gloves and other appropriate veterinary medical practices.

First-Aid Kits: Because of public safety concerns and risk of theft of first-aid kit contents (veterinary drugs/equipment) with perceived potential for drug abuse, animal first aid kits containing any drugs or medications will be immediately disqualified and not displayed. First Aid kits wishing to include medication information should instead utilize written descriptions, photographs, drawings, computer generated printouts or empty packaging of pharmaceuticals.

4. Veterinary Science Posters - This exhibit presents the viewer with a design that is simple and direct, unlike a display that usually presents more information. A poster should not exceed 22" x 30" and may be either vertical or horizontal.
5. Veterinary Science Displays - A display may include but is not limited to: a 3-dimensional exhibit, a scale model, the actual product (for example: skeleton; teeth; samples of leather, fur, or dried skin damaged by disease or parasites) or a notebook. A display is not a poster. A display may be mounted on poster board not to exceed 22" x 28" or on 1/4" plywood or equivalent that does not exceed 24" high or 32" wide or in a three-ring binder or another bound notebook format.
6. Veterinary Science Notebooks: Individual entries are to be placed for display in a three-ring notebook for competition. Notebooks may not be larger than 8 1/2" x 11".

7. Neither the Kansas State Fair nor the department of 4-H Youth Development, KSRE are liable for the loss or damage of any personal property included as part of your poster, display, or notebook.

8. Name, county/district, age, and year in project should be on the front of the poster, display, or notebook.

9. Appropriate topics include:

Maintaining Health

Specific disease information

Photographic display of normal and abnormal characteristics

Animal health or safety

Public health or safety

Proper animal management to ensure food safety

Efficient and safe livestock working facilities

A topic of the exhibitor's choosing related to veterinary medicine or veterinary science.

10. Because these are science displays, all references and information must be properly cited. Proper sources include but are not limited to: Professional journals and publications, professional AVMA accredited websites, interviews with veterinarians and excerpts from Veterinary Educational Literature. Plagiarism will result in a disqualification. Please study your topic and present the information to your audience in your own words.

Class 1 4-H Veterinary Science Notebook

Class 2 4-H Veterinary Science Poster

Class 3 4-H Veterinary Project Display

VISUAL ARTS, FINE ARTS, ARTS & CRAFTS

Mirla Coleman, Sheri Jacobs

\$1.50 - \$1.00 - \$0.50

1. Exhibitor must be enrolled in the project they exhibit in.

2. A set of items (i.e. Christmas tree decorations) is considered a single entry and should be marked accordingly.

3. All exhibits must come ready for hanging. Please note KSF requires a wire or saw tooth hanger be attached.

4. Articles exhibited must be an original design created by the exhibitor.

5. Limit is three entries per class for a total of no more than 12 entries.

6. An "Overall" Grand Champion and Reserve Champion will be awarded by the judges in each age division.

7. Decatur County can submit one entry to KSF from each of the five classes (Fine Arts, Clay and Ceramics, Leather and Jewelry, Three-Dimensional, and General Crafts). Judges will select KSF qualifiers.

a. If a county doesn't have an entry for one of the classes, they may submit an alternate entry in one of the other classes to meet the quota of five entries per county.

Class 1 Fine Arts-Oil, chalk, charcoal, dyes, pastels, pencil, ink, acrylic, or watercolor on canvas, canvas board, paper, wood, metal, or textiles, framed as a picture, prepared for hanging. Stretched canvas art on a wooden frame is considered prepared for hanging provided that frame has a hanger.

Class 2 Clay and Ceramics-Any original item made of clay; may be fired or unfired, hand formed, or thrown on a wheel. Self-hardening, fire/oven-cured, and/or cornstarch clays are acceptable. Items can include, but are not limited to, clay statues, bowls, etc.

Class 3 Leather and Jewelry-Any leather stamping, carving, tooling, lacing, or stitching piece or any jewelry piece made from any medium are acceptable exhibits. Leather project kits are acceptable due to leather being precut for particular projects. If a 4-H member makes their own leather pattern that should be explained in the rubric and the pattern included.

Class 4 Three-Dimensional-The piece must be observable on at least three sides and should be either free-standing or prepared to be hung. Craft and pre-formed or assembled projects are not acceptable in this class.

Class 5 General Crafts: This category incorporates miscellaneous pieces that do not correspond to the four, above-mentioned categories.

Class 6* Kit Class Any art project that comes pre-packaged or boxed as a “kit”. Utilizing kits can help build skills. Examples include paint by number, diamond art kits, string art, etc. *Not eligible for KSF

WILDLIFE

Sheri Jacobs

\$1.00 - \$0.75 - \$0.50

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. Exhibitors must comply with state and federal laws. It is illegal to possess threatened or endangered wildlife, or the feathers, nests, or eggs of non-game birds. Game birds and game animals taken legally during an open season may be used. Every wildlife on display must have a statement about how they were obtained legally. The use of live wild animals in educational exhibits is prohibited.
3. Exhibits in this division are open to educational displays, promotional posters, or experiential displays. Exhibits should reflect learning in the project area. Take care to select durable materials to withstand Fair conditions.
4. Name, county or district, age and year in project should be on the back of the poster, display or notebook.
5. No “live” ammunition containing propellant or explosive powders may be used in any display. An inert substitution must be used in lieu of powder and “live” ammunition, the substitution must be clearly described. Exhibits will not be accepted if they are related to reloads.

Class 1 Notebook. Contents pertain to some phase, results, story, or information about the wildlife project.

Class 2 Promotional Poster. Must be related to something learned in the wildlife project. (Flat poster board or foam board no larger than 22” x 28”).

Class 3 Educational Display. Must be directly related to the wildlife project. Maximum tri-fold size is 3’ x 4’.

Class 4 Fish Harvesting Equipment. Board exhibit. Display of equipment used in fish harvesting. Examples: fishing knots, hooks (with corks over ends for safety), lures. Label all items displayed. Include in your exhibit the following information: the purpose of each item, when or where each item is used.

Class 5 Build a Fishing Rod. A fishing rod educational exhibit may not exceed 96 inches in length. Exhibit must be mounted on a board. Include with the exhibit: explanation of cost of materials/components and how many numbers of hours required for construction. Label all parts. Necessary components which must be included are grip, line guides (based on manufacturers specifications), guide wraps, and hook keeper. Reel seat needs to be aligned with guides, and guides aligned accurately down rod. Guide wraps of size A to D, nylon, or silk thread. Exhibit will be judged on: workmanship, labeling of parts, information, and neatness.

Class 6 Casting Target. Make a casting target for exhibit and use. Target must be under 48" x 48". The bullseyes must be 2 feet, outer band must be 1 foot in diameter and can have up to 3 rings. The exhibit must be easy to store, durable, and weather resistant. Include the purpose and rules of using your casting target.

Class 7 Wildlife Harvesting Equipment. Board Exhibit. Display of equipment used in harvesting wildlife. Examples: expended ammunition casings (no live ammunition permitted), steel traps, hide stretchers, fleshers, etc. For displays of shotguns, rifles, or bows, use drawings or pictures. Label all items displayed: the purpose of each item, when or where it is used and personal experiences with the item.

Class 8 Inventing Wildlife/Fish Harvesting Equipment, Aid or Accessory. Use engineering principles to invent or adapt equipment that helps you harvest fish or wildlife. This could include wildlife calls, adapted fishing pole for shallow water, a blind, decoys, etc. Share your drawing- Share your drawing (or adapted plans), how the equipment works, how you tested it, and the results of testing your prototype, and any adjustments you made.

Class 9 Tanned Hides. Exhibit of a wild animal hide properly processed by the member. If not mounted, must be in a clear clothing bag with hanger. All field experiences, study, OR observations that relate to the exhibit.

Class 10 Taxidermy. Any legal fish, bird, or other wild animal properly processed by the member. No requirement as to mounting. Include the animal's name and the following: information about the exhibitor's personal field experiences, study, OR observations that relate to the exhibit.

Class 11 Wildlife Tracks. Board or diorama-type box exhibit. Make a display of animal tracks using plaster-of-Paris casts. There are 3 options. For all options, include a brief description of your experiences in making the tracks- Option 1 should show plaster-of-Paris tracks of five or more kinds of wildlife along with a picture or illustration of each-kind of animal. (OR) - Option 2 should show two or more plaster-of-Paris tracks of one specific kind of wildlife and should include a picture or illustration of the animal, what the animal may eat, and what may eat the animal. (OR) - Option 3 should show two tracks and include the animal's habitat needs including preferred food, shelter, water, and

space in addition to picture or illustration of the animal.

Class 12 Wildlife Knowledge Check. Use electrical circuits, pictures, or other methods of teaching wildlife identification or other wildlife conservation or shooting sports related knowledge. Plan size and shape to fit transportation and display; maximum size 24 x 24 inches.

Class 13 Houses. Make a house for wildlife. Examples: bird house (bluebird, purple martin, wood duck, kestrel, barn owl, etc.) or bat house; no insect houses. Make the house functional so that dimensions, hole size etc. are appropriate to fit the intended species' needs. Include the following information: 1) the kinds of animal(s) for which the house is intended, 2) where and how the house should be located for best use, 3) any seasonal maintenance needed, and 4) any evidence of your personal observations from experiences.

Class 14 Feeders/Waterers. Make a bird bath or feeder. Examples: seed, suet, or nectar feeders. Squirrel feeder okay; no insect feeders. Include the following information: 1) the kinds of animal(s) for which the water/feeder is intended, 2) where and how the water/feeder should be located for best use, 3) any seasonal maintenance needed, and 4) any evidence of your personal observations or experiences.

WOODWORKING

Sheri Jacobs

\$2.00 - \$1.50 - \$1.00

1. The judge may select a grand and reserve champion in each age division. See General Rules for age divisions.
2. Open Class Woodworking follows these rules.
3. Exhibitor must be enrolled in the Woodworking project or exhibit as open class.
4. The plan from which the entry was constructed must be with the exhibit. The plan must be a photocopy, the actual pattern, or a scale drawing. It must be complete and accurate to the extent that a duplicate article could be built using the plan as a guide. Please note, a set of step-by-step instructions is not a plan. Projects with missing or insufficient plans will be lowered one ribbon placing.
5. The use of materials other than wood should be kept to a minimum. Extra pieces that go with your woodworking project (i.e. bean bags to go with a cornhole set, building blocks to go with a play table, etc) **SHOULD NOT** be submitted with the project.
6. Projects that have unsecured glass, i.e. glass shelves, glass top of a coffee table, etc., should not be brought to the fair. Glass that is secured in the project, i.e., glass front of a gun case or cabinet, etc., is permissible since it cannot be easily removed.
7. All paper work should be included in a zip lock bag, hole punched in one corner and secured to item with string.
8. In judging woodworking articles, consideration will be given to workmanship, including accuracy to the plan, design, choice of wood, suitability and quality of finish and usefulness.
9. * Projects made from pre-cut kits are not allowed at KSF. Refinished/repaired furniture will be exhibited in Interior Design & Architecture at KSF.
10. Projects with "fractal burning" are **NOT ALLOWED** in any KSF Exhibits in the 4-H Youth Dev. Department.

Class 1 Article for farm or shop use

Class 2 Lawn Furniture

Class 3 Household Furniture

Class 4 Other woodwork articles (i.e. birdhouse, bird feeder, knife rack, bread board, etc.)

Class 5* Piece of repaired and/or refinished furniture (attach brief explanation of work completed to exhibits, before and after photos are required)

Class 6* Article from a pre-cut kit

***4-H/FFA BOOTHS AND BANNERS**

1. The approximate size of each booth is to be 6' wide by 6' deep. Each club is responsible for furnishing all material needed in putting up the booth.

2. Each club is to maintain its booth in a clean and orderly manner.

3. 4-H/FFA booths and banners should illustrate a phase of work which is being practiced by members or promote 4-H/FFA generally. Exhibit material should be made or grown by club.

4. No nails may be used in the background of the booth walls. Picture hooks, wire or masking tape may be used to suspend charts or materials on the walls. All crepe paper must be fireproof.

5. Booth pre-entries are to be made in the Extension office by the last Friday in July.

6. Banners are a two dimensional display, depicting one idea. Guidelines are listed below.

7. Dimensions are to be no less than 12 and no more than 16 square feet, with no side less than 3'.

8. Banners must be hung on a wooden dowel stick strong enough to support the banner. On each end of the dowel stick, there must be wire or chain 6" long. One end of the wire must be fastened to the end of the dowel. The other end will be connected to an "S" hook which will permit the banner to be hung from a suspended wire in the Exhibit Building. Banners mounted any other way will not be displayed because of technical problems.

9. Banners must be made of materials that permit the banner to be folded or rolled without damaging the display.

Three dimensional objects may not be attached to the front of the banner.

10. Attach a label to the front lower left-hand (as you look at it) corner of the banner showing the name of the club and county. Letters should be 2" in height.

11. Banner's theme must be original. Copy written or trademark registered material cannot be used.

12. FFA Banners are not Eligible for KSF.

13. Booths & Banners will be judged on the basis of:

Educational Value	40%
Interest and Originality	20%
Appearance	20%
Quality of Display Material	20%

Class 1 4-H/FFA Club booth

Class 2 Miscellaneous booth (individual or other)

Class 3 4-H/FFA Club banner

Class 4 4-H/FFA Club Hay Bale

COMBINED SHOWS

LIVESTOCK RULES

Eligibility/Official Weigh-In

1. All market livestock must be tagged at the official weigh-in date(s). Untagged market animals will not be shown. Substitute (lost or torn out) tags will be issued at the discretion of the Fair Board and the request must be made in writing.
2. All livestock must be shown by a bona fide club affiliated 4-H or FFA member who is actively participating in fair events and clean-up.
3. All market steers must be born after January 1 of previous year. All market hogs, goats, and sheep must be born after January 1 of current year.

Classes/ Entry

4. ALL 4-H & FFA livestock exhibits will be entered using the FairEntry system.
5. Market livestock will be divided into classes for judging by species by the superintendents.
6. Exhibitors may enter only two market and two breeding animals per livestock specie, with the exception of Dairy Goats and Dairy Cows. See individual rules.
7. Livestock will be penned where assigned.
8. Exhibitor will fit and show his/her own livestock except in the case of illness. If more than one entry per class, another 4-H or FFA member from Decatur County may exhibit the animal. Any exceptions must be approved by the superintendents.
9. Each exhibitor will be responsible for their own entry.
10. Exhibitors will put all litter, etc. in areas designated.
11. The first place blue ribbon animals within each class will compete for overall Grand Champion awards. After the G. C. is selected, the animal placing directly behind (blue) the G. C. in their class shall compete for the Reserve Grand Champion award.
12. 4-H/FFA'ers are highly encouraged to enter showmanship classes.

Livestock Health Policy

13. At any time during the fair, livestock deemed sick, diseased or unhealthy shall be penned away from other animals and the specie superintendent shall be notified. With the Fair Board's approval the fair's consulting veterinarian shall be contacted by fair officials.

14. All exhibitors must complete Youth for the Quality Care of Animals (YQCA) training to exhibit livestock at the fair (including rabbits & poultry). Training will be offered by the Extension Office or online. Contact the Extension Office for available training sessions.

Livestock Drug Policy

15. The use of tranquilizers (injectable or liquid), diuretics and drugs with a withdrawal period are prohibited.

4-H/FFA Youth Division

Livestock Sale

*Jesse & Megan Carter, Jerry Fortin, Travis Hissong, DVM,
Clay Anderson, Jessica Wasson*

16. Youth division sale policy: each youth exhibitor may sell 1 steer OR 2 small animals (swine, sheep, and goats) in any combination. Youth selling livestock at the Decatur County Fair Livestock Sale must be a member of a Decatur County youth organization and may not sell livestock if they have sold livestock this year at other county fair sales.

17. To determine sale order and market arrangements, exhibitors will be responsible for getting the Livestock Market Arrangement Card to the superintendent or agent no later than the end of the final livestock show. A copy of this card will be provided to you at check-in. Failure to turn in card will forfeit sale privileges.

18. Animals shall sell in the order determined by the Livestock Sale Superintendents.

19. Only market animals will be sold in the livestock sale. The minimum selling weight will be: beef 1000 lbs., swine 200 lbs., meat goat 40 lbs., and sheep 90 lbs. Maximum weight limits will be beef 1,650 lbs., swine 300 lbs., sheep 150 lbs., and goat 130 lbs. Any animal weighing more than the maximum weight may show and sell, but will be sold at the above maximum weight limits. All animals under the minimum weights may show, but will not be sold.

20. All “sold” livestock shall be left on the grounds or at the designated site for resale or locker plant transportation. Any violation of this policy is grounds for legal action and banishment of future participation.

Rate of Gain Contest

21. To be eligible for the Rate-of-Gain contest, animals must have been weighed and tagged on the official weigh-in dates. Special circumstances are considered on an individual basis.

Market Steer Carcass Contest

22. Only market steers that entered the ring during a show will qualify to compete in the Carcass Contest. If there is available space on the truck to send additional steers to Tyson, they can be sent but will not be judged. All must have a 4-H tag.

An award will be given by Anderson Land & Cattle & the Decatur County Cooperative Association to the top four carcasses.

Herdsmanship Award

23. The Herdsmanship award will be presented to the 4-H club maintaining the best display of livestock during the fair. Livestock exhibitors will want to study the following score card. This is how the secret panel of judges will determine the winner. Judging will begin when livestock are stalled and completed when stalls are cleared of livestock and cleaned. Livestock exhibitors are expected to maintain their own area(s). Winning 4-H club names are added to the Herdsmanship plaque each year and displayed in the 4-H Food Stand.
