Horse Identification Certificate

This identification must be submitted or updated to the county or district agent by May 1 of the current year to qualify this animal for district and state shows. The original ID form and picture must be kept by the 4-H'ers and be presented at the District Show plus be available at State Fair if requested by an official. A copy can be kept in the county office. All forms will be sent to the State 4-H Office. Most shows (including district and state) require this ID to be presented at check-in. Horses identified after May 1 or horses without proper ID certificates cannot show. Fill in all boxes on the project form. Please attach a standard-size picture on the back right-hand corner.

This same form can be updated for the next few years.

Example

but cannot also identify a family-owned horse. Participate fully in the 4-H horse project because leased horses must be managed by the 4-H project number 30. A bit project may identify a leased horse for use in a project, but may also identify a family-owned horse to serve as a replacement for the 2-year-old snaffle bit project. Once a horse becomes an 8-year-old, the horse is not eligible at the district show.
