Dear 4-H Exhibitor:

Congratulations! Your 4-H exhibit has been selected to represent Twin Creeks Extension District for the Kansas State Fair 4-H virtual exhibition. We know this will be different from having an in-person exhibit at the Kansas State Fair. However, Kansas 4-H values the opportunity to provide feedback for its member’s project work and wants to showcase the amazing accomplishment and learning your exhibit represents.

**Notice of Photo Release:**

By submitting an entry to this fair showcase, the 4-H member grants permission to Kansas 4-H the use and rights associated with the use of the photograph and quotes, in promotional publication, online, and other media, without compensation. The 4-H member who created the project will be credited whenever and wherever the photo is shared, published, or reproduced in print or digital media.

**Exhibit Submission**

All exhibits must be submitted to the Twin Creeks Extension District – Norton Office by Thursday, August 27th in order to allow time to get everything entered in the FairEntry system by the August 31st deadline. If you are having difficulty reaching this deadline, please contact me and we will work together to make sure we get as many entries as possible representing Twin Creeks Extension District. (pmaddy@ksu.edu, 785-877-7262 or 785-877-5755).

The intent is to have all exhibits evaluated by September 9th and results shared out by September 12th. These dates are tentative. We hope there are minimal challenges with the virtual showcase. Please do be patient as we all work through these new processes.

We look forward to the day we can all be back together in person. Until then, we are committed to supporting learning, evaluating, and showcasing the achievements of Kansas 4-H members.

Our methods are changing, but our 4-H mission remains the same.

Sincerely,

Wade M. Weber  
Kansas 4-H Program Leader

Patsy L. Maddy  
4-H Youth Development Agent  
Twin Creeks Extension District
