The Kansas 4-H Program focuses upon five skills necessary for youth to acquire in order to become fully functional adults. These “Lifeshocks” are:

- Building Self-Confidence
- Developing an Inquiring Mind
- Learning to Make Decisions
- Relating to Others
- Developing a Concern for the Community

In Paragraph form highlight one or two events or occasions that demonstrates successful accomplishment in these Lifeshock areas.
Measuring our Accomplishments

This is a comment section from members, leaders and parents on strong points and areas that need improvement. Please include any suggestions you might have that could improve the Twin Creeks 4-H Program.
We have met with officers and/or members and parents to measure progress toward club goals and promotions. We request a seal for updating our charter.
